SANCTITAS PER SCIENTIAM

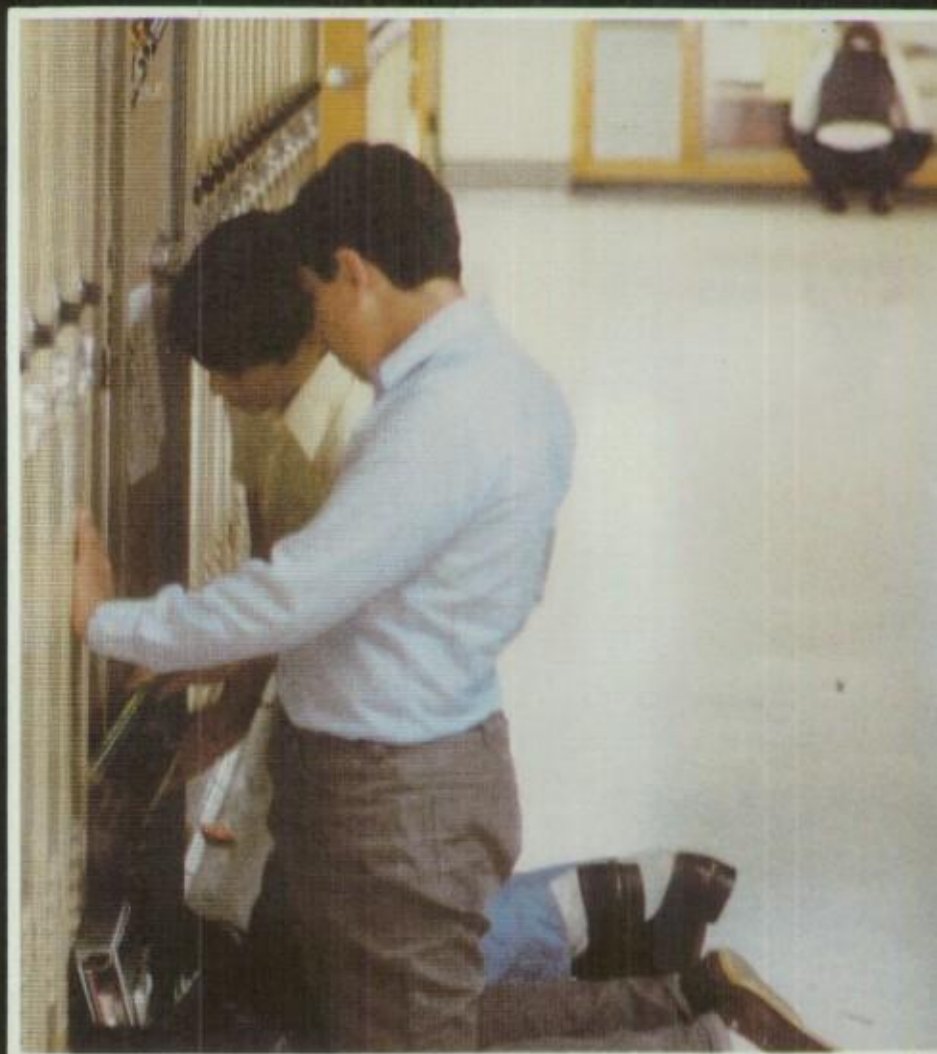

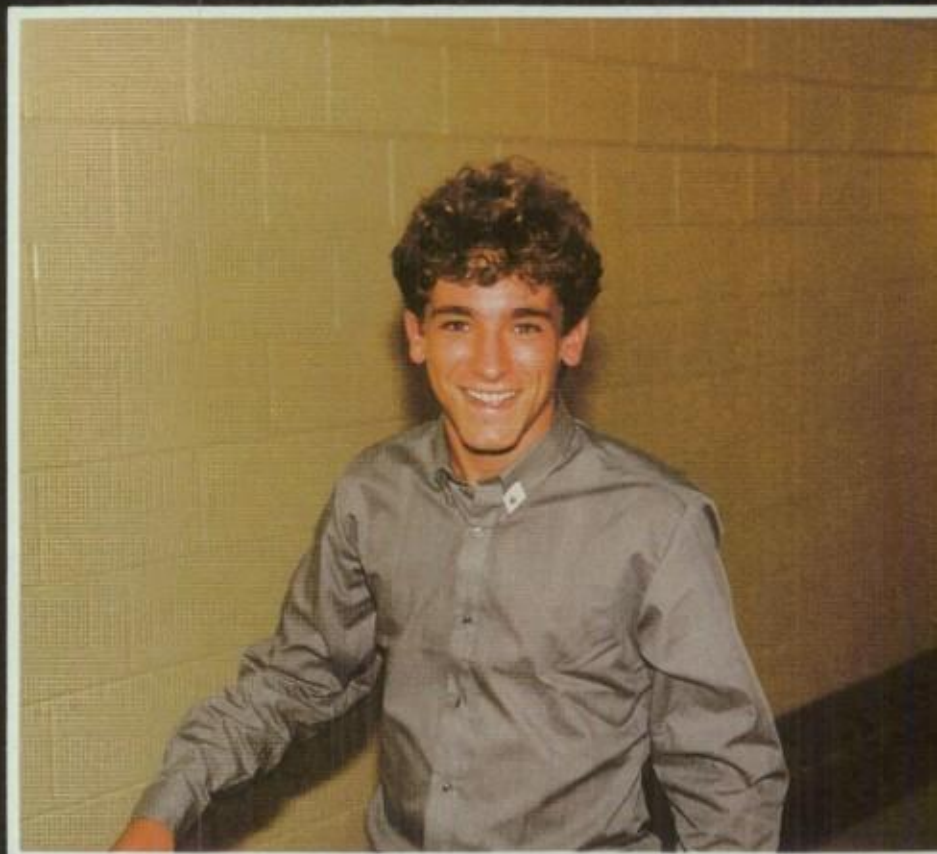

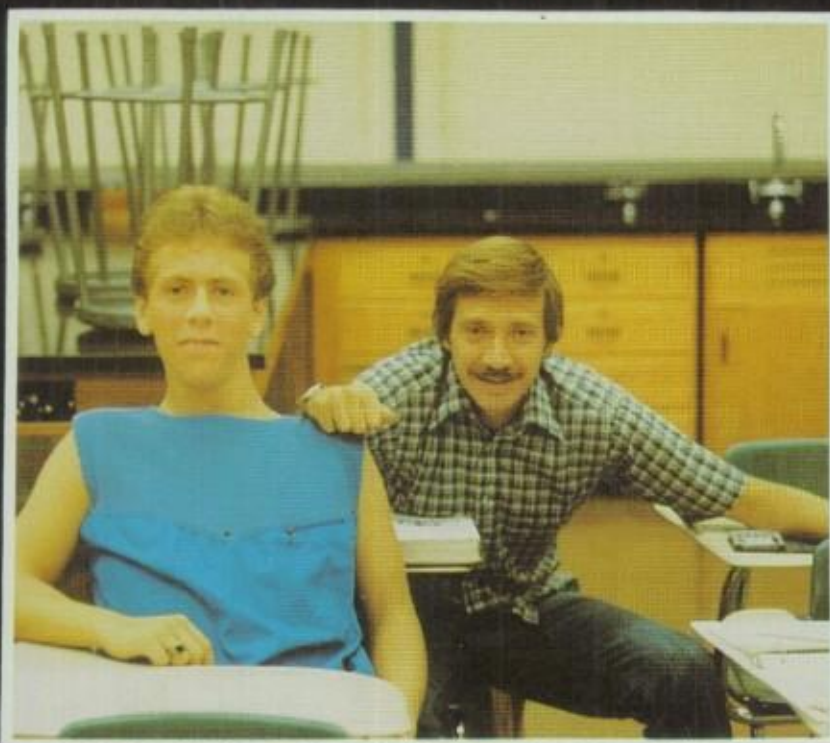

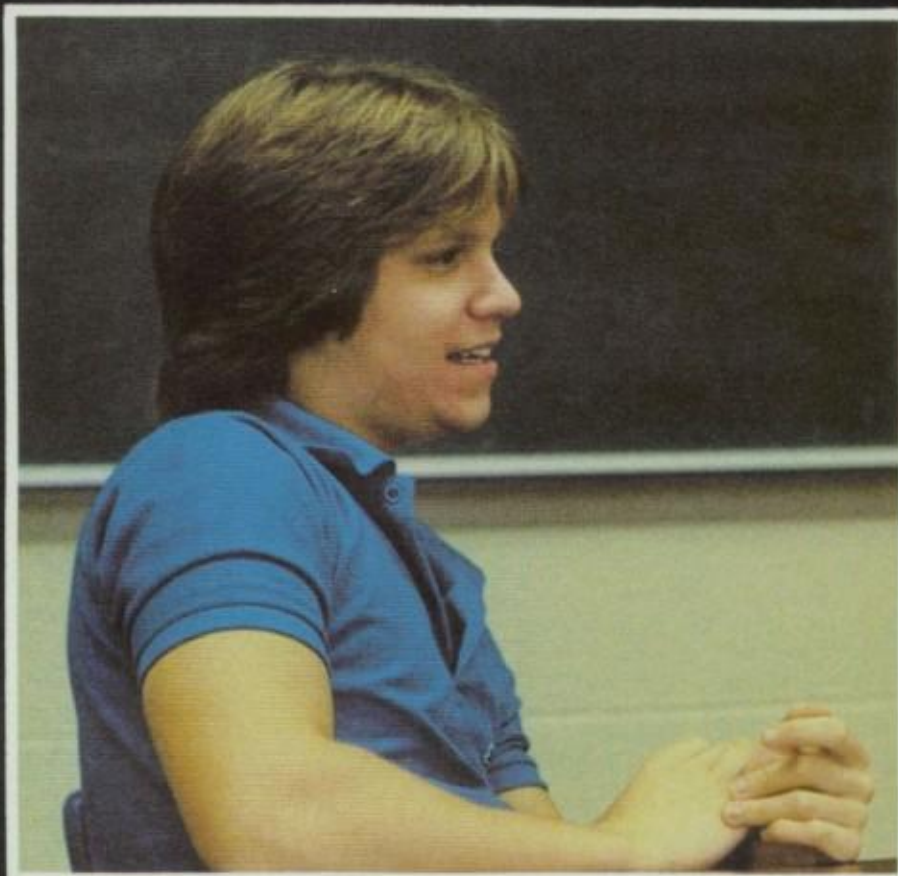

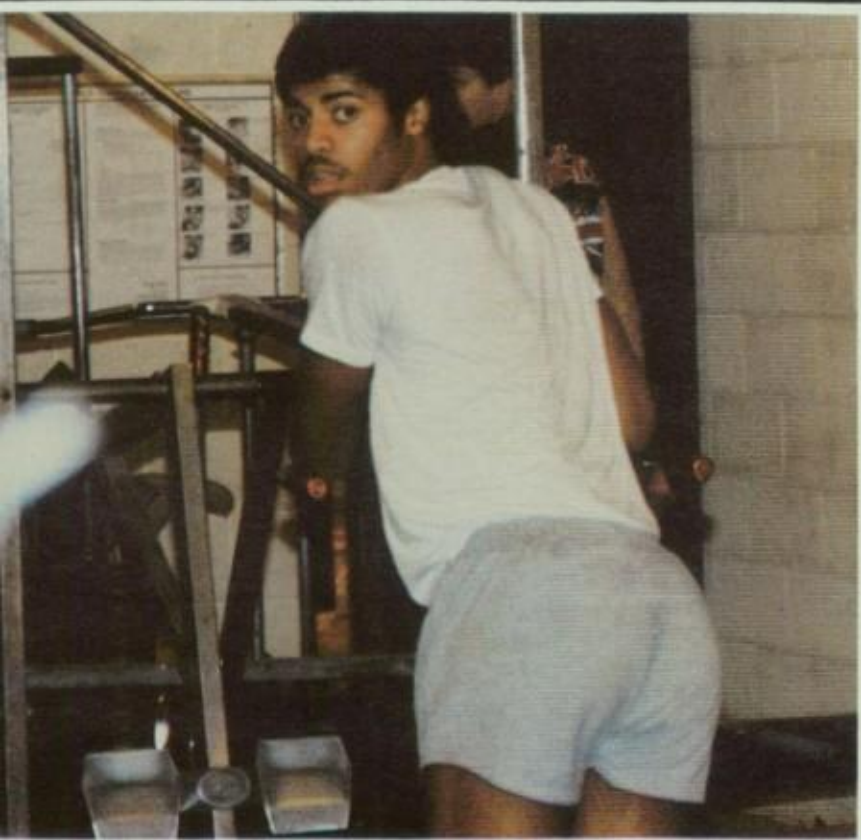

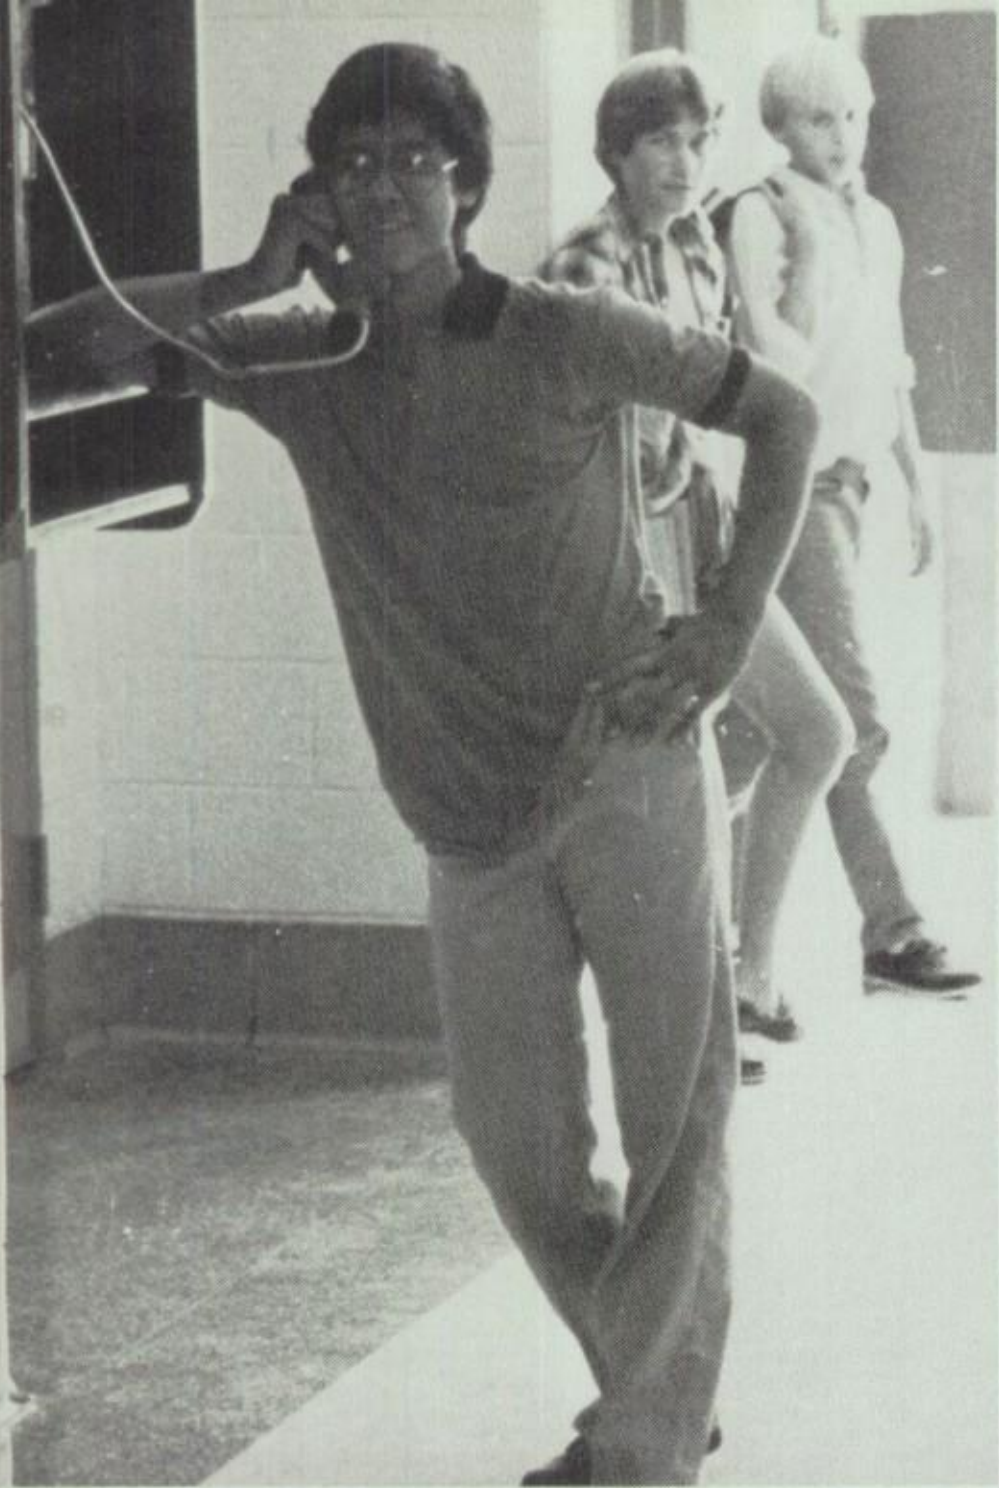

"Holiness through learning" sets the foundation upon which Brother Rice was founded. The Christian Brothers and the faculty alike work hard to produce the highest quality of education possible, while at the same time bringing each individual student closer to God. This motto manifests itself everyday through the care and support members of the Brother Rice community provide for each other.

Mike Wiater

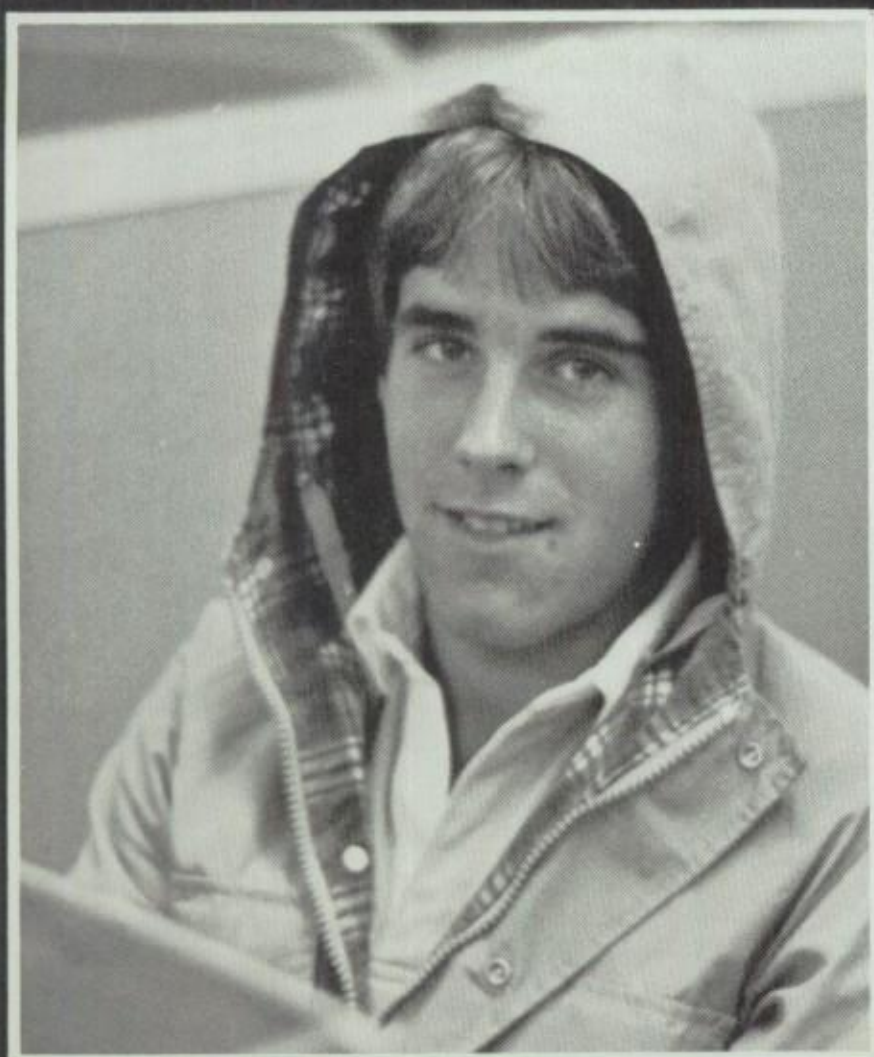

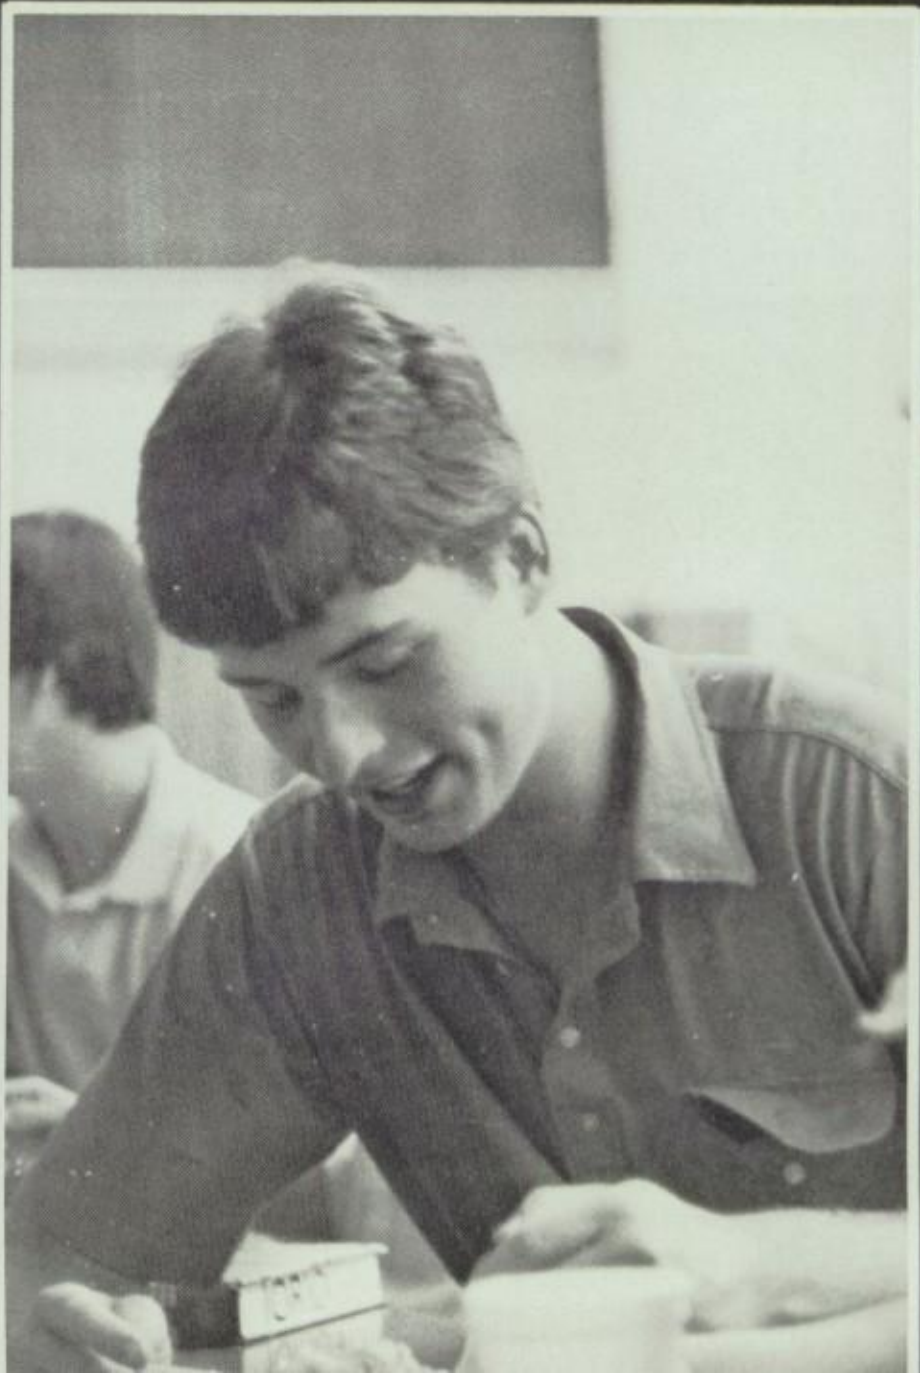

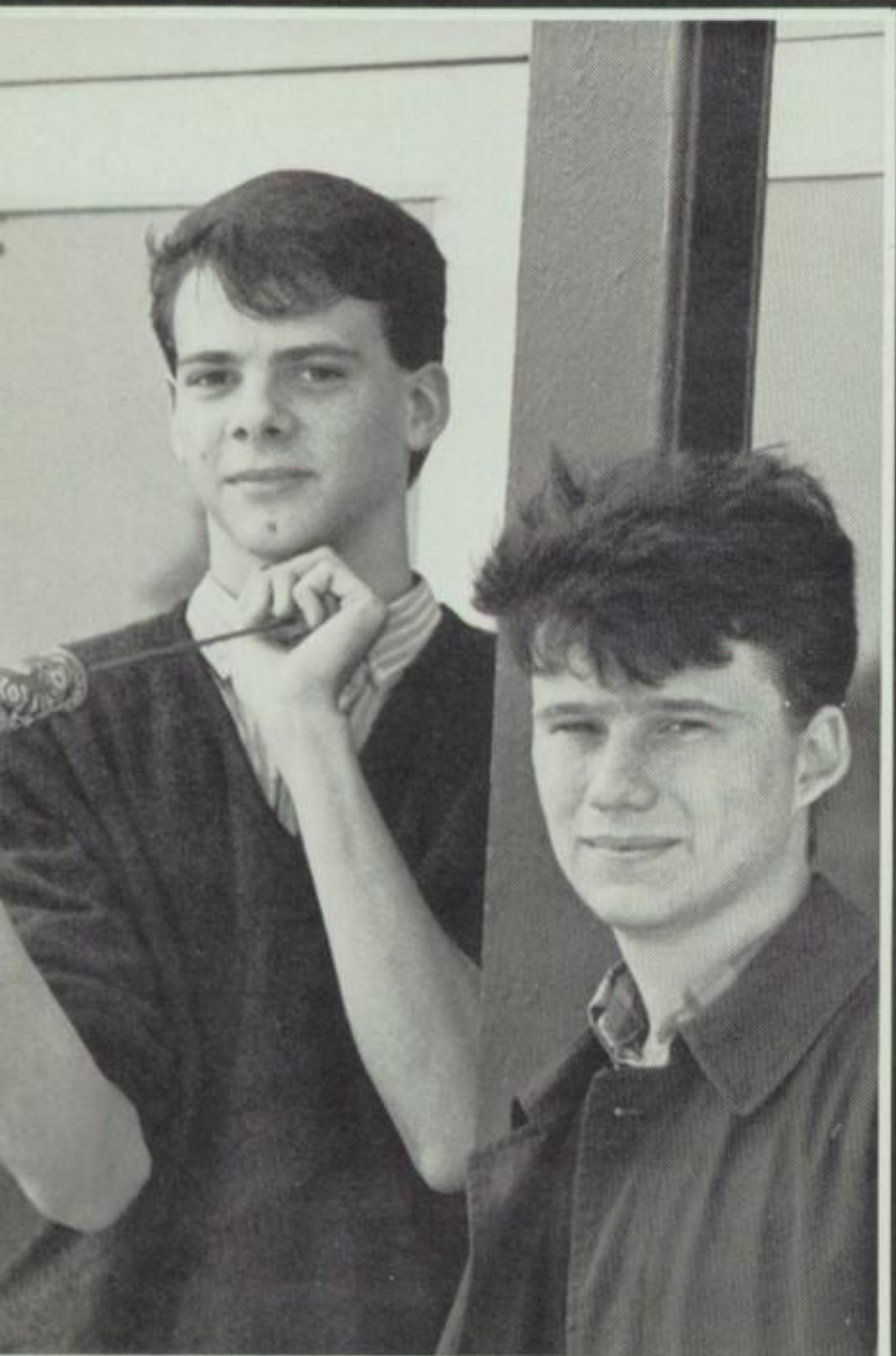

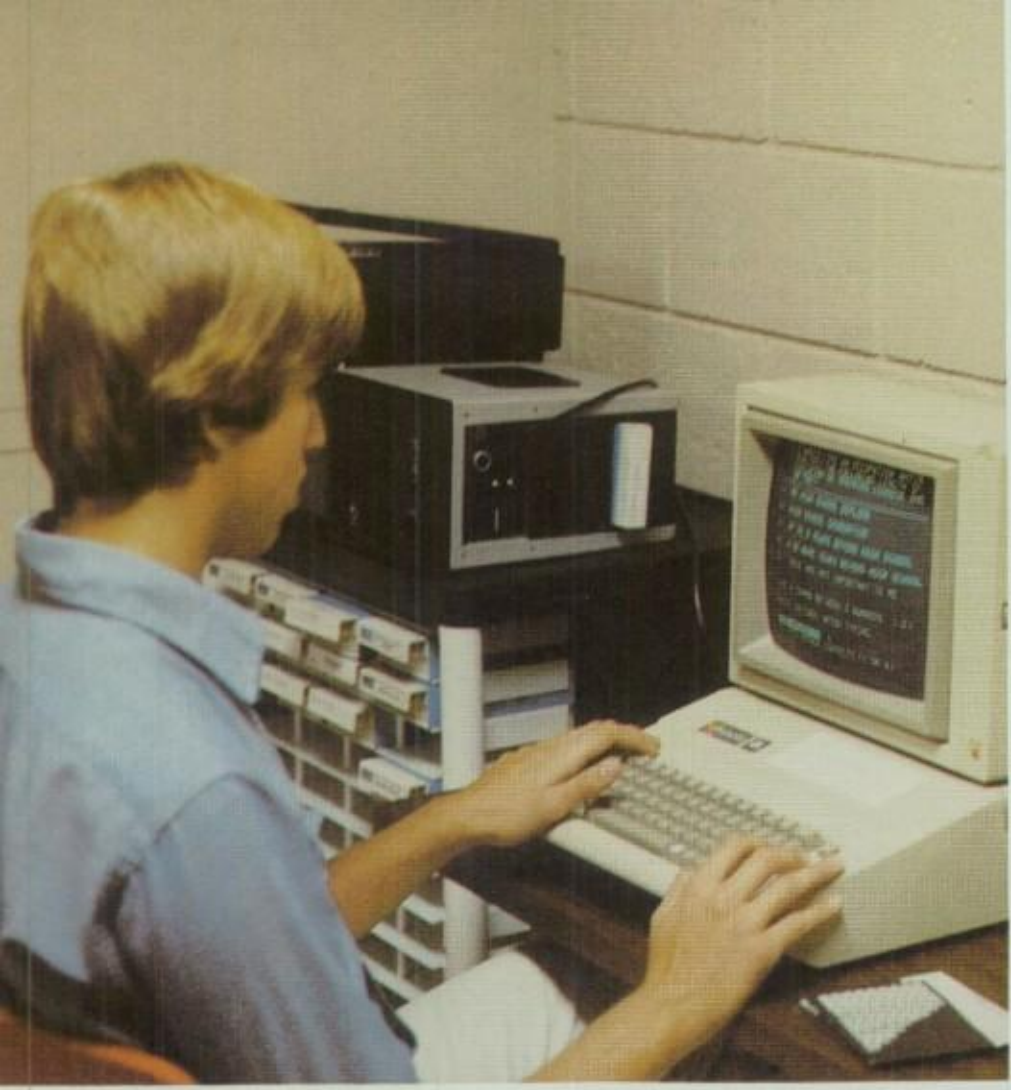

At Brother Rice, Christ is the center of all knowledge. Through learning, personal experiences, and extracurricular activities we grow in knowledge and become closer to Christ. The academic program is set up so we can become better people and the type of individual God wants us to be. Our studies fulfill our need for learning and give us the opportunity to practice our faith in our daily actions. Our conduct and attitudes reflect the values and teachings that are acquired in school. By setting good examples we can teach others and build the complete self in the light of Christ's revelation.

Gary Bucholz

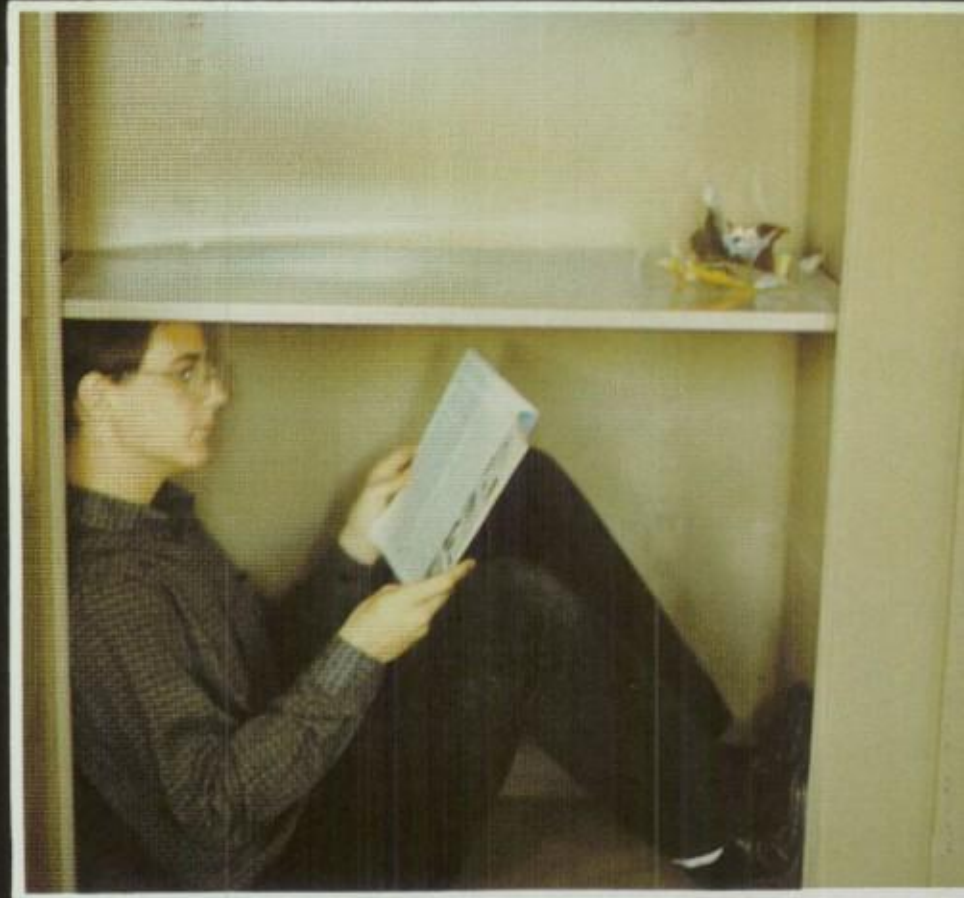

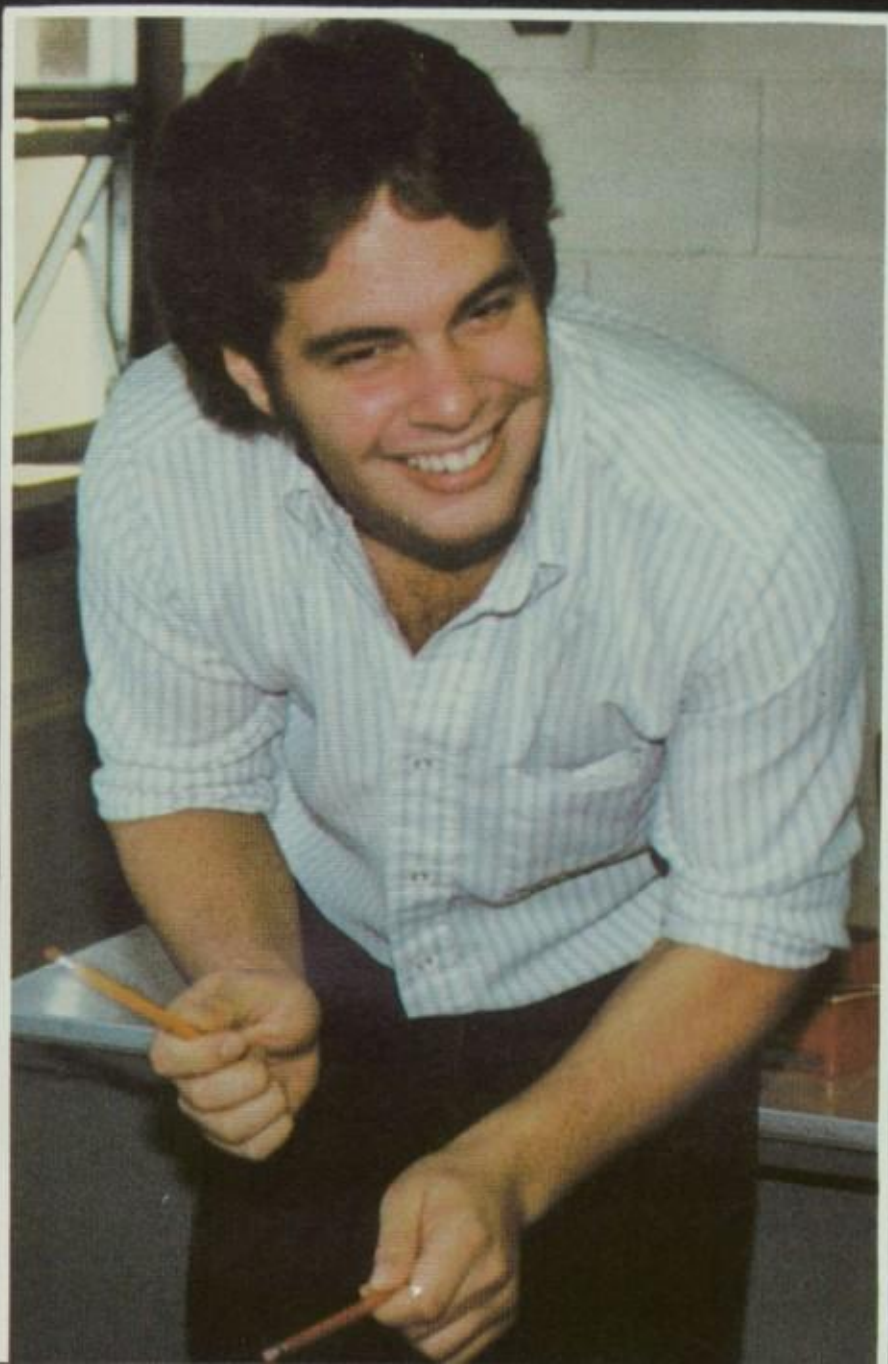

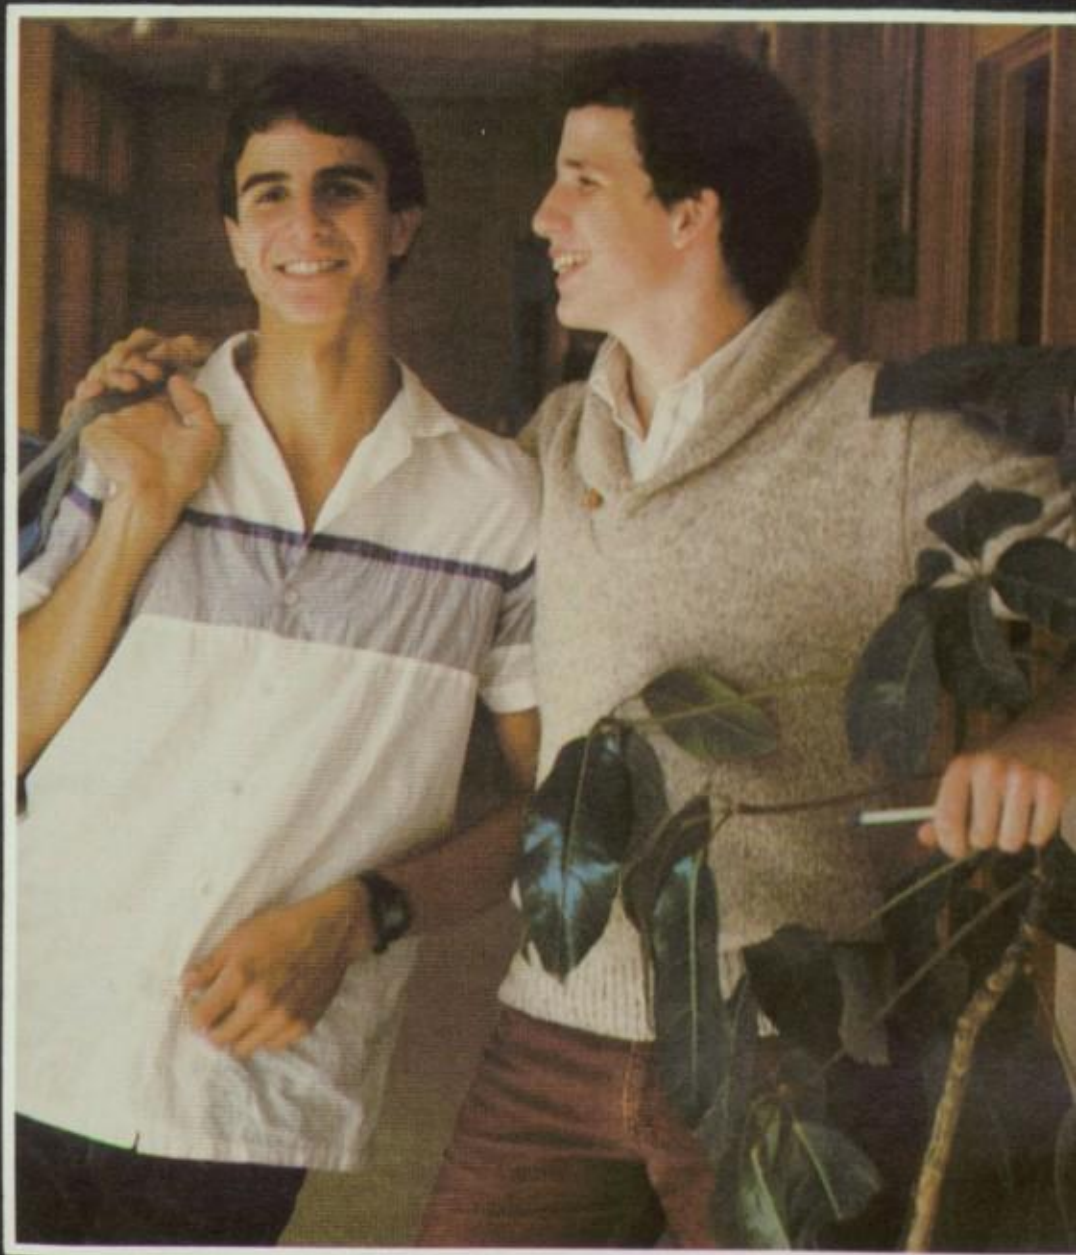

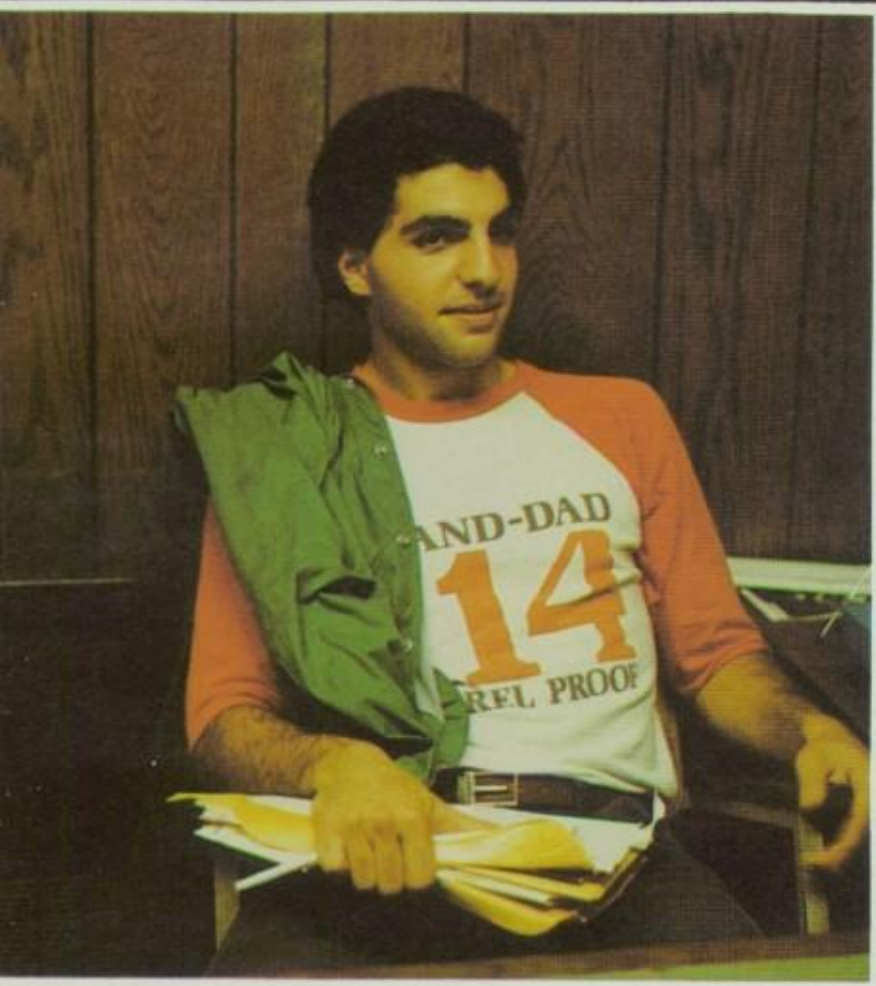

Young men attend Brother Rice for a purpose- to come closer to God. Holiness begins with diligent study, hard work, and strict discipline. The Brother Rice faculty, a talented and devoted group, fosters and cultivates these essentials. More importantly, the faculty sets a Christian example that is worthy of model. This sort of leadership gives the Brother Rice student a great start in his quest for holiness.

Jeff Stec

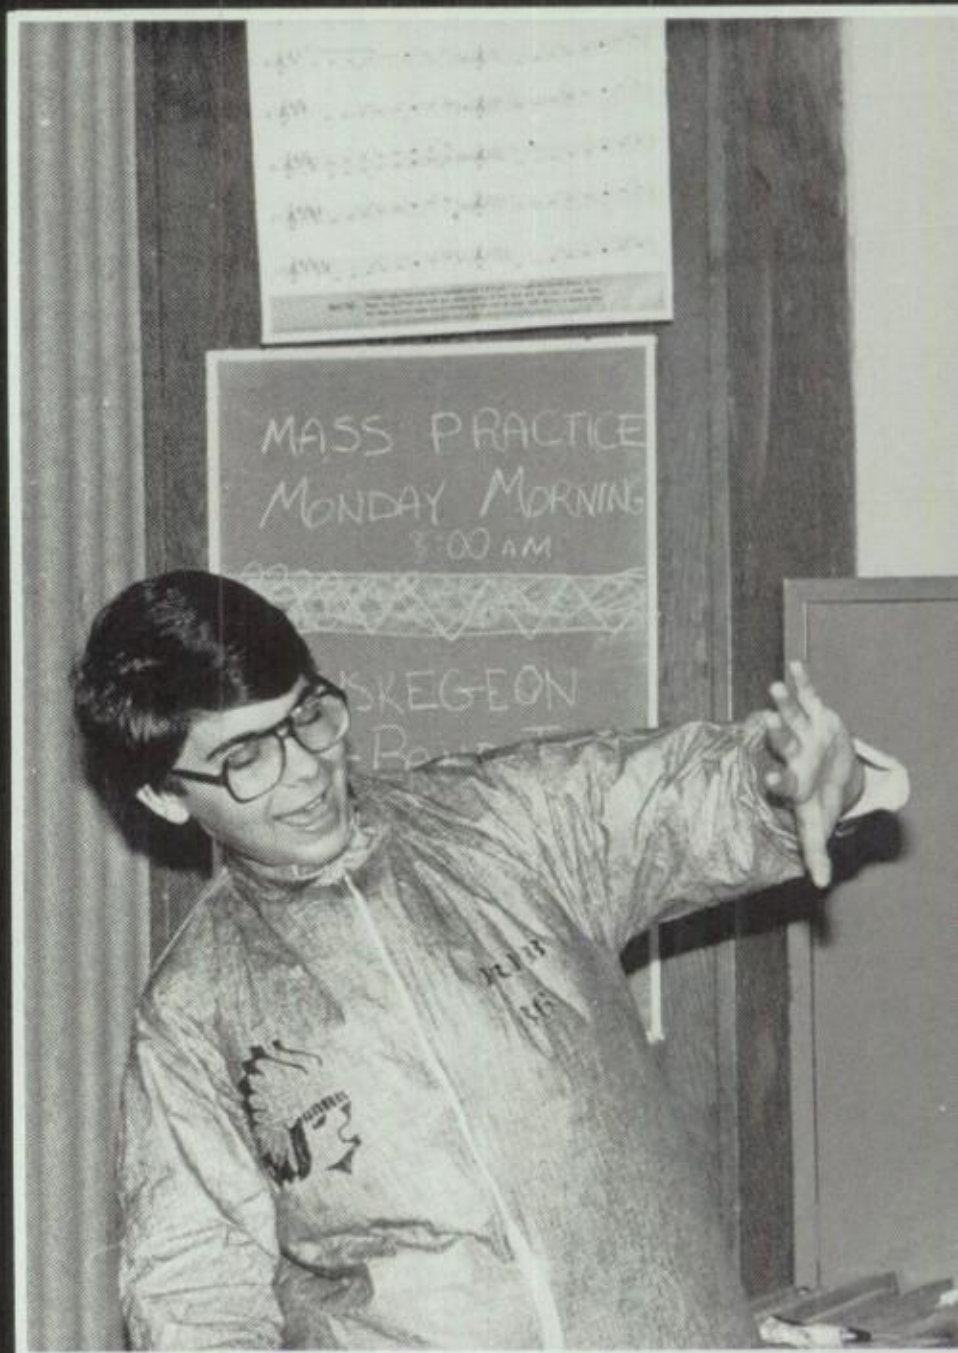

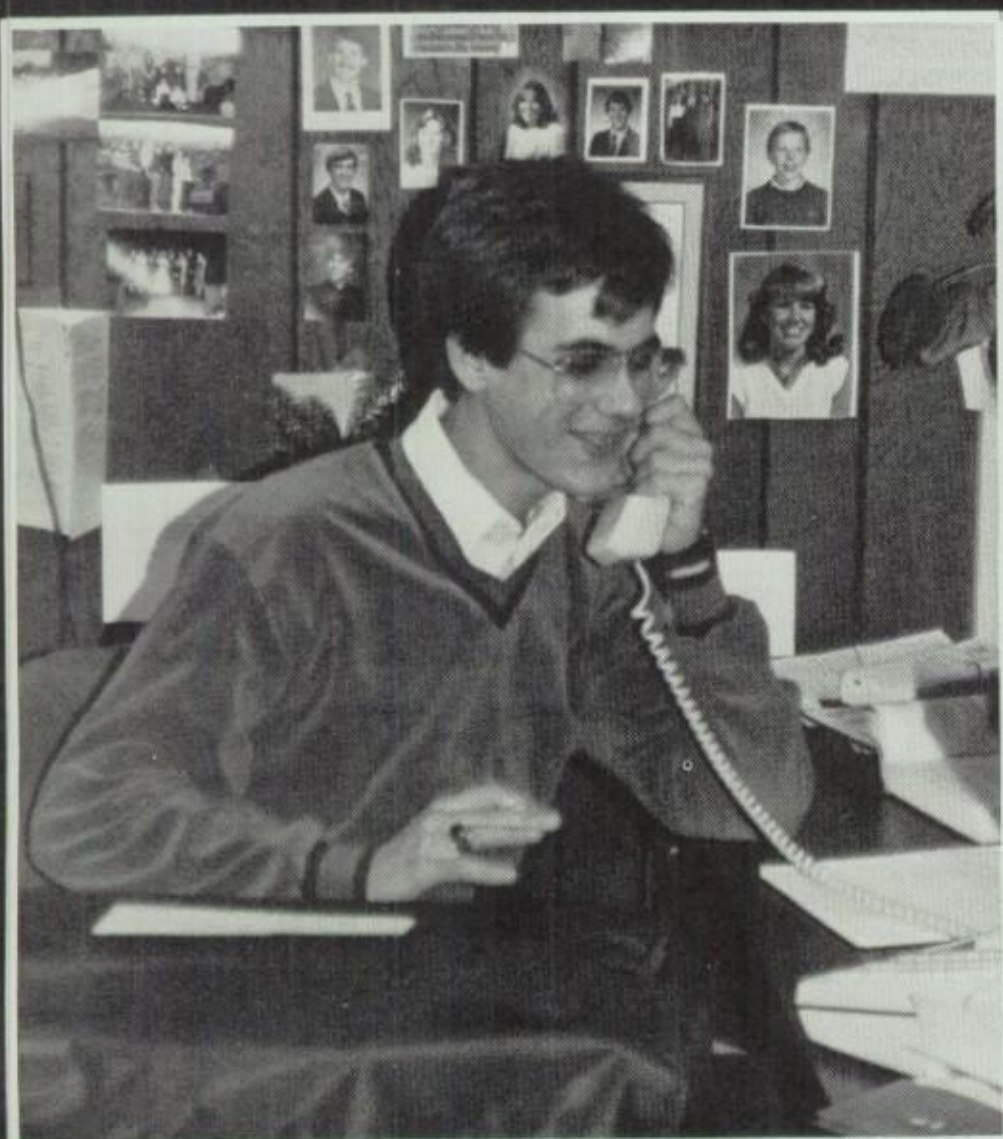

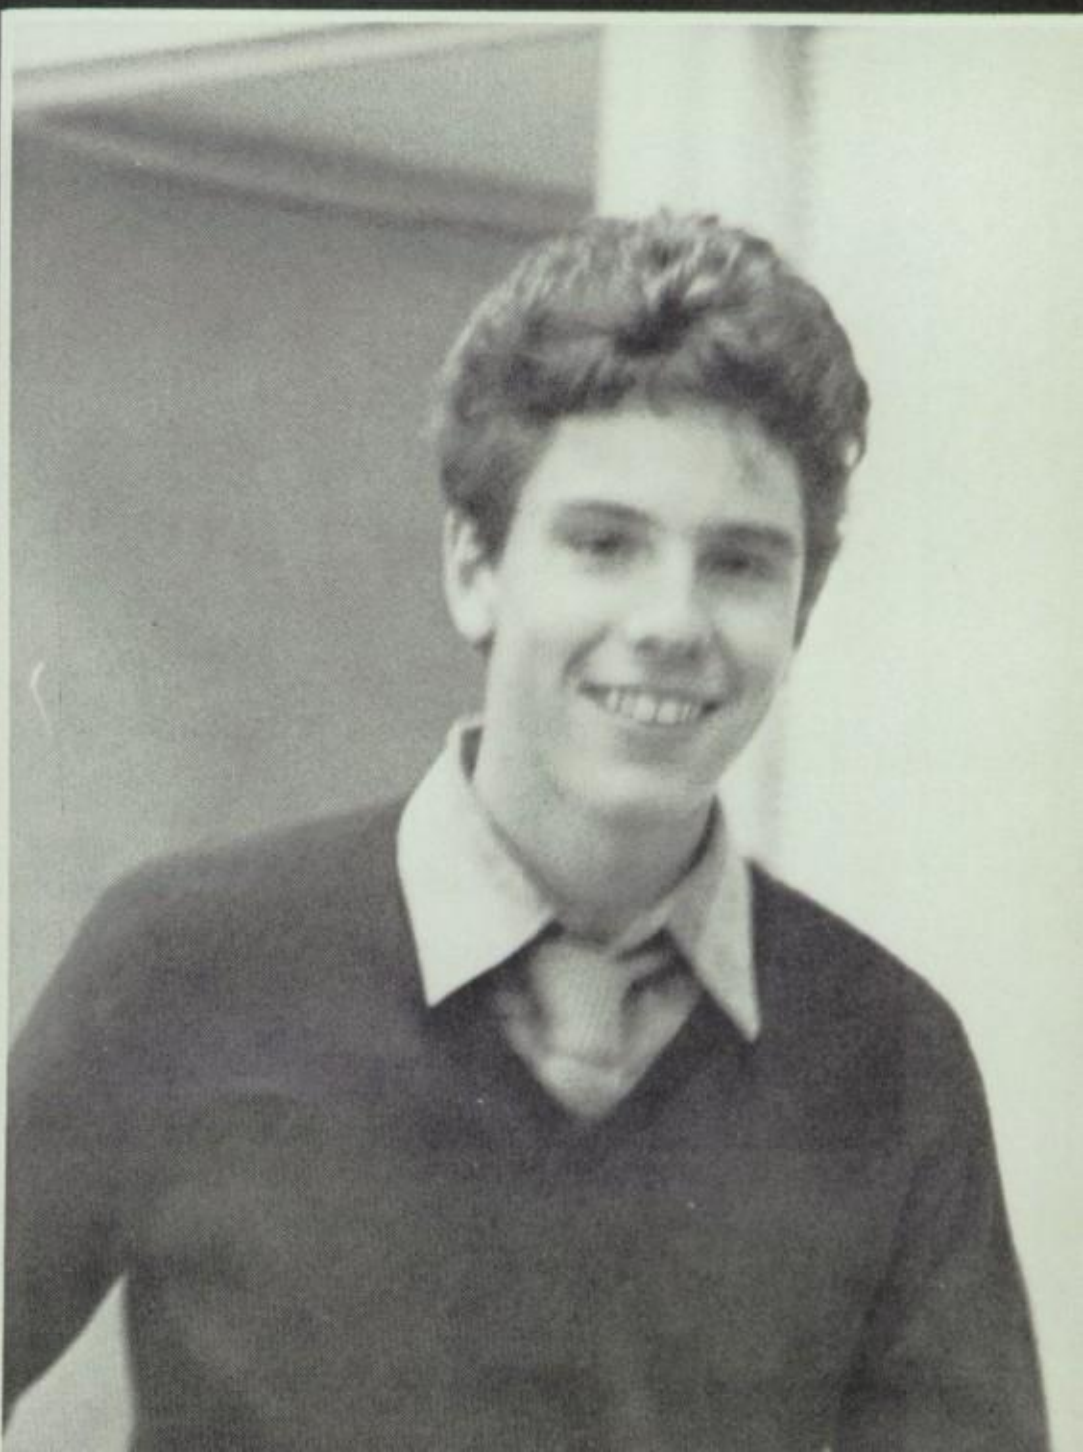

Attending a Catholic school and playing sports, one learns about God and His ways and a certain discipline. One achieves higher plateaus, a better look on life, and a better thirst for academic and athletic perfection.

Michael Hoch

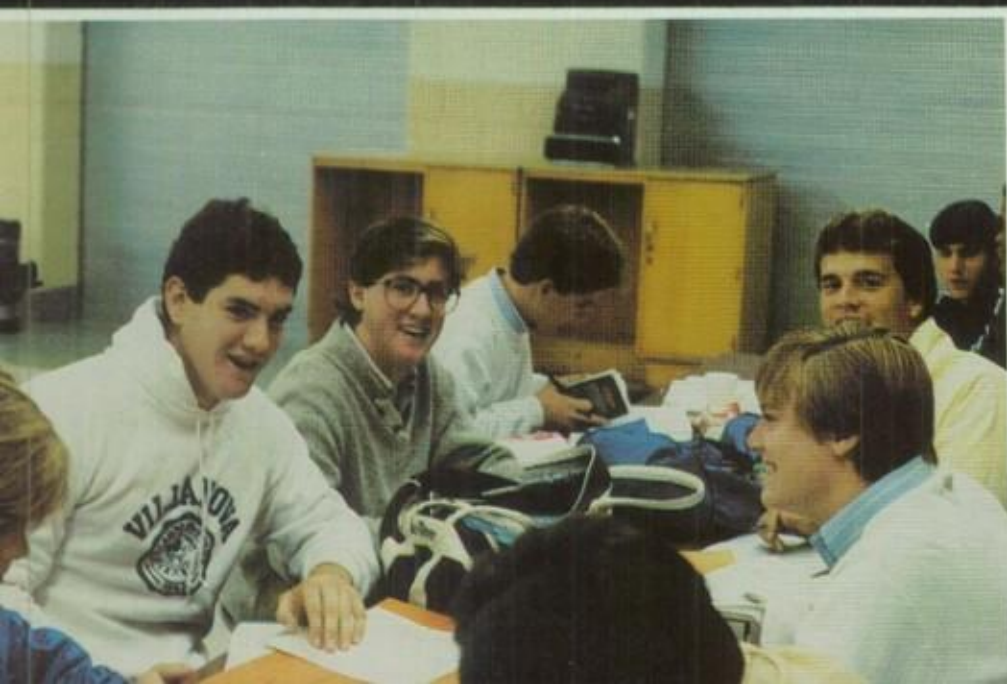

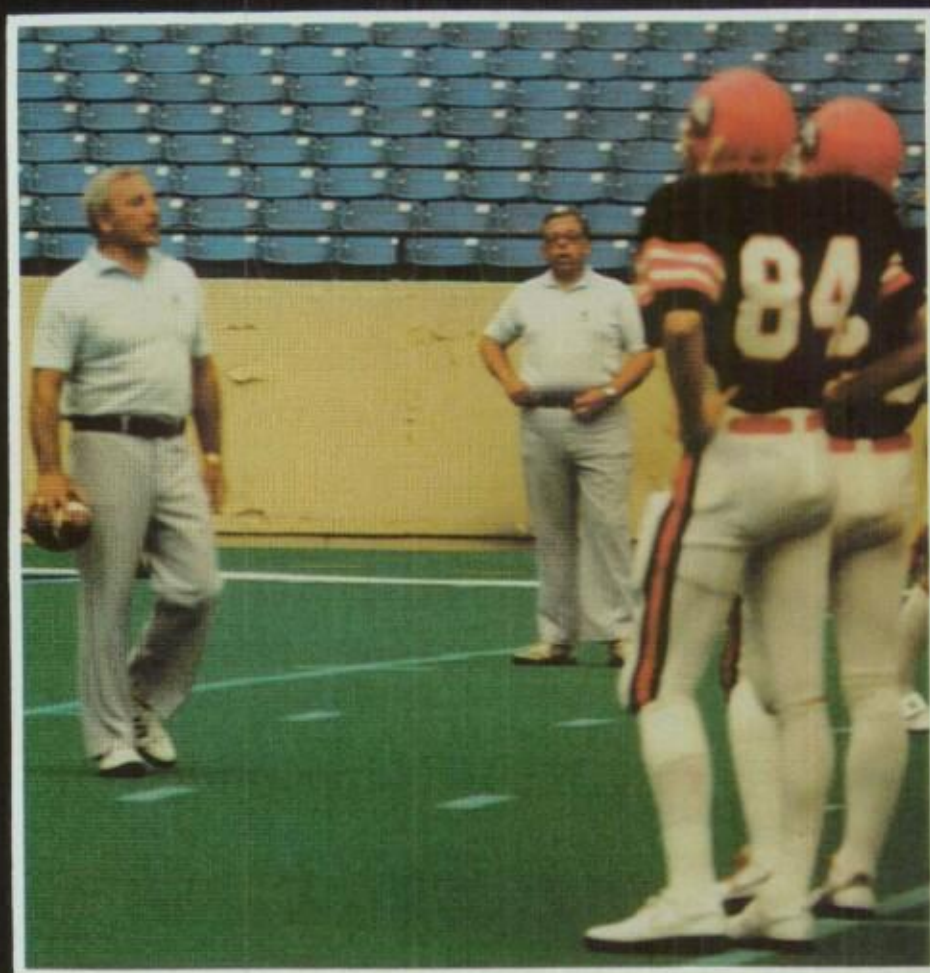

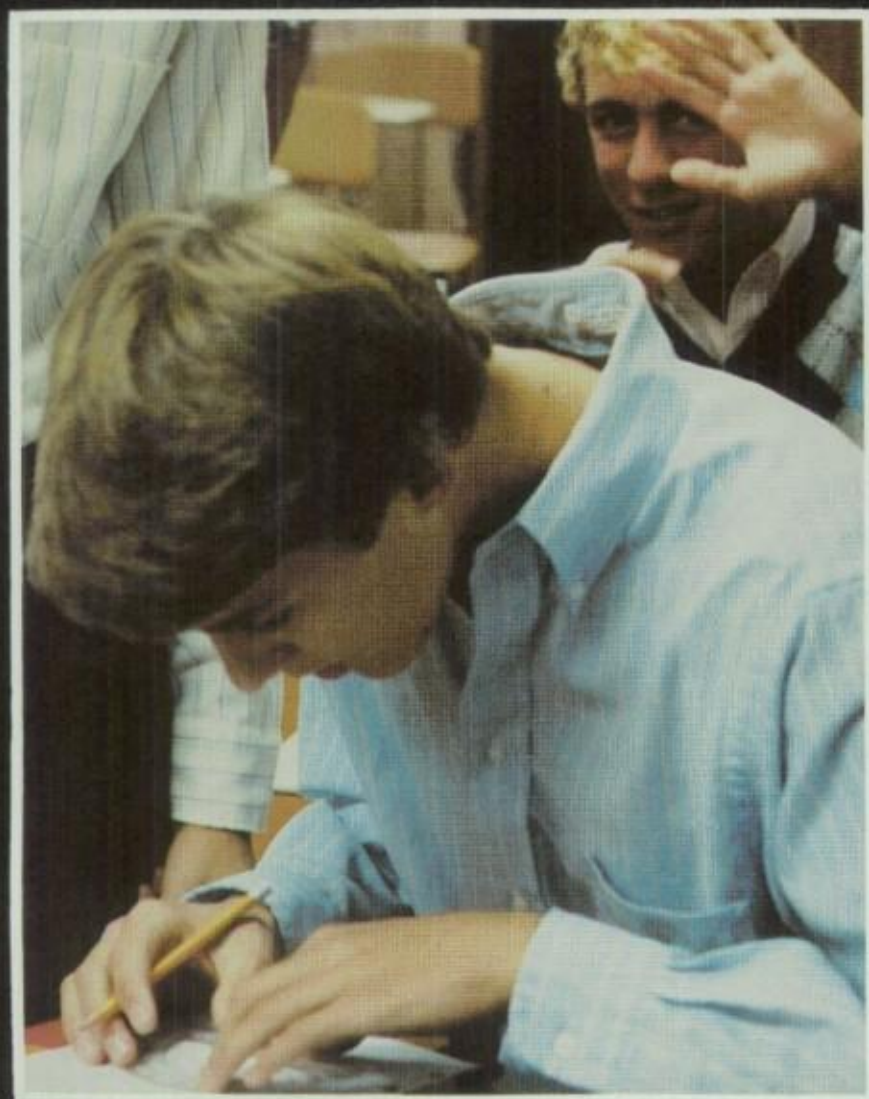

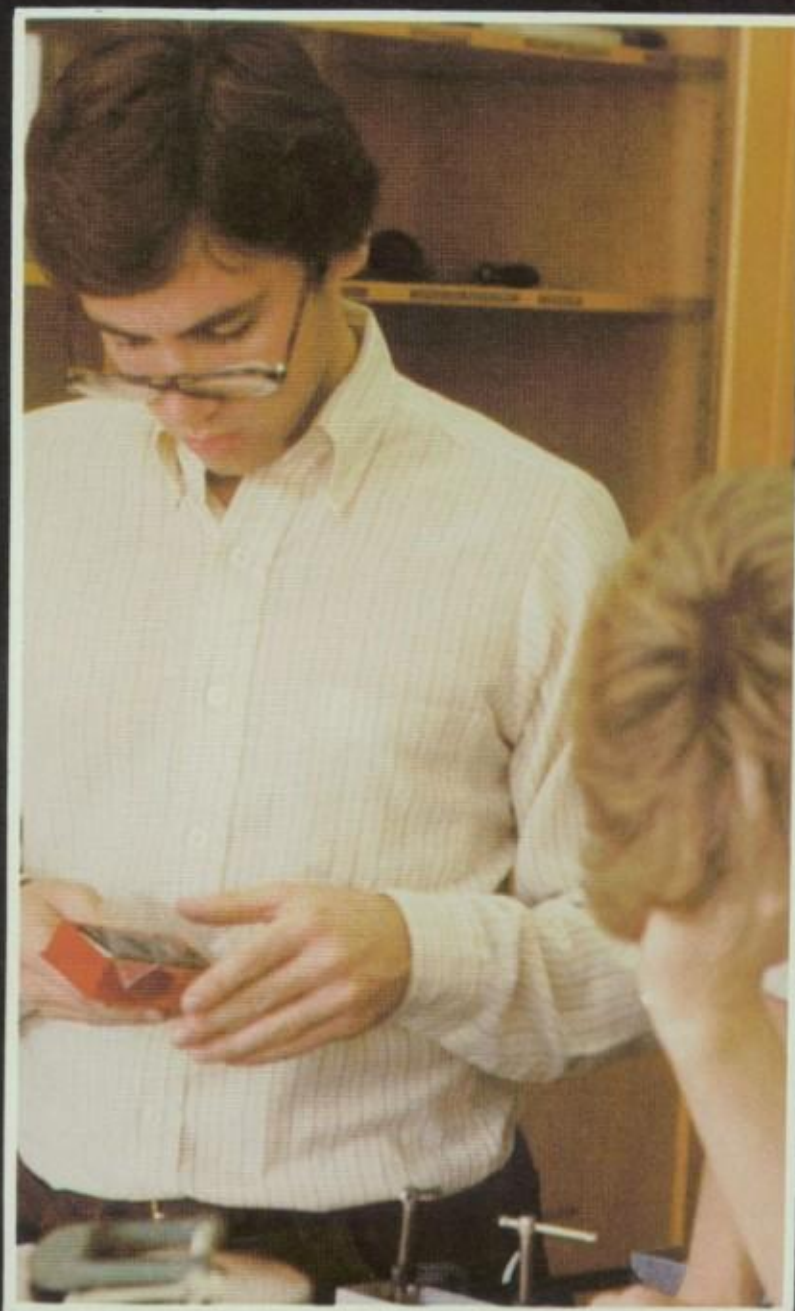

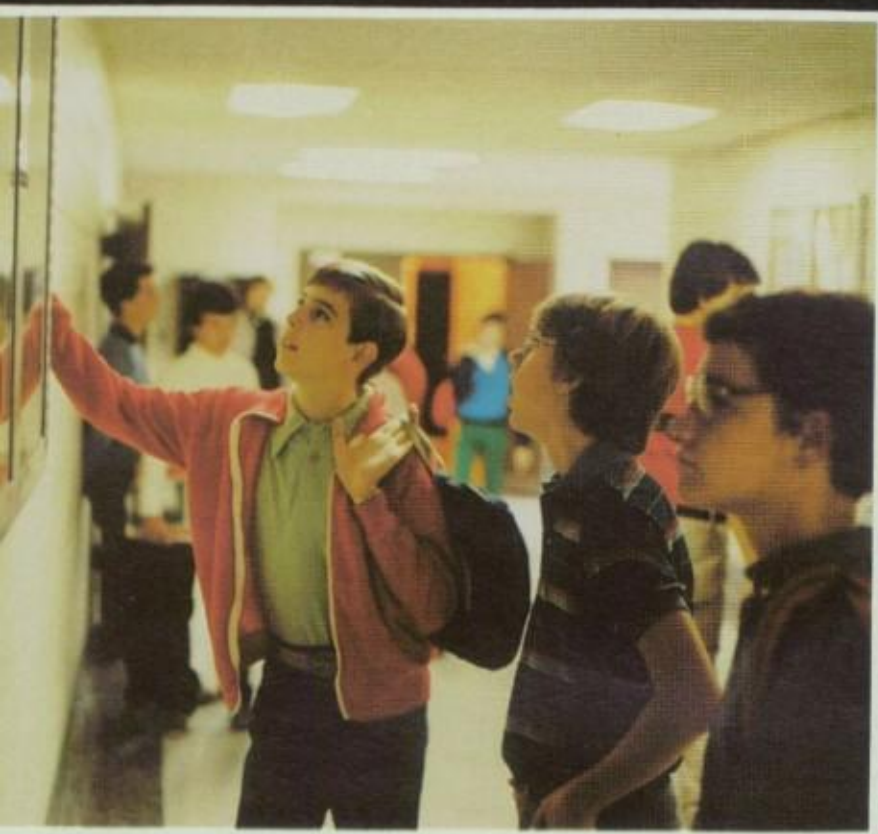

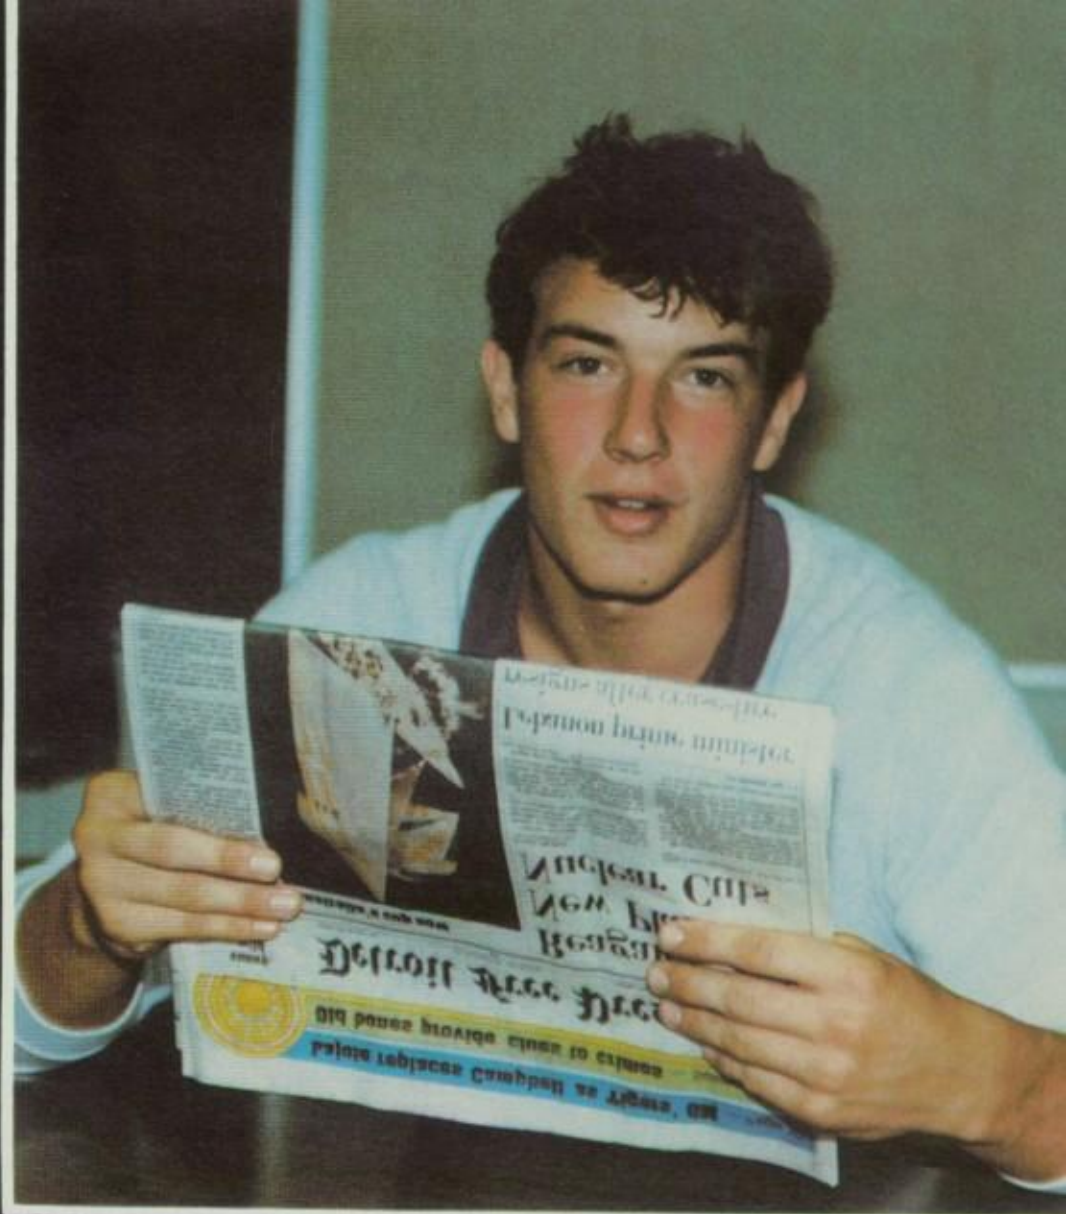

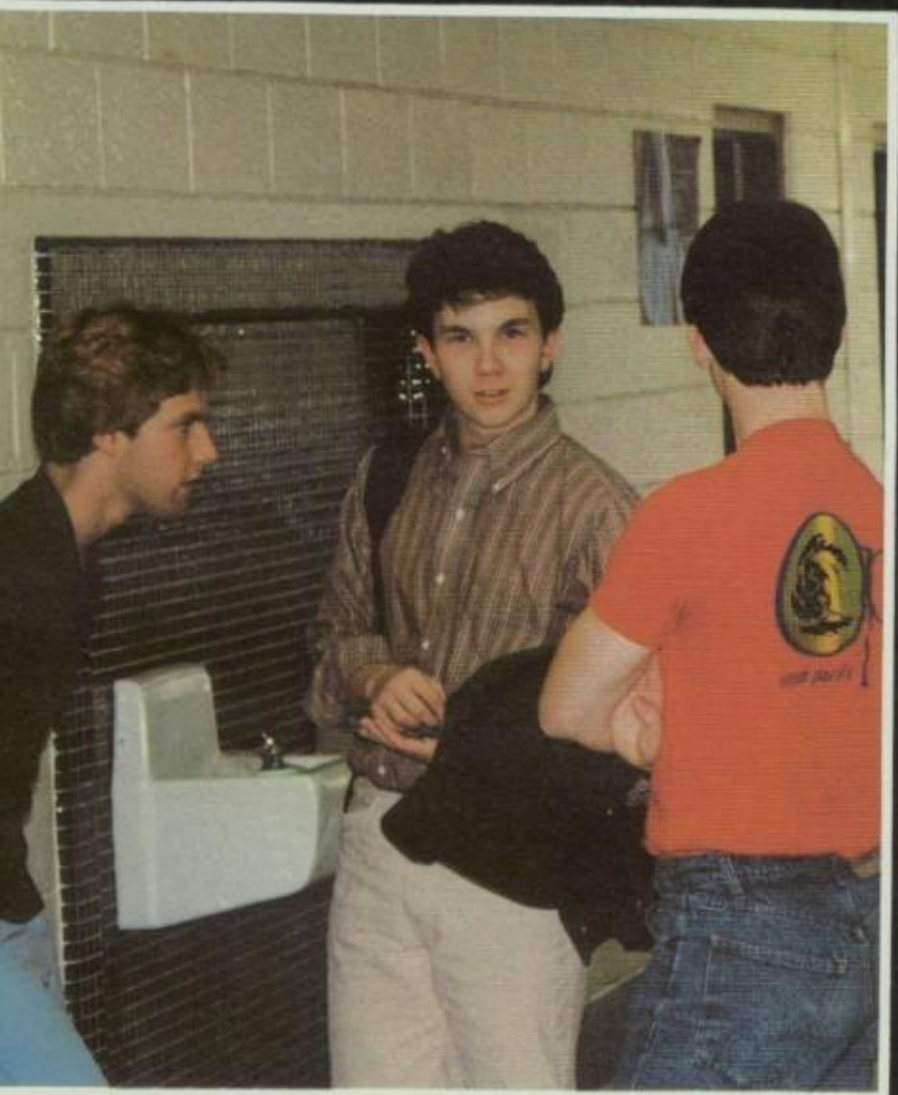

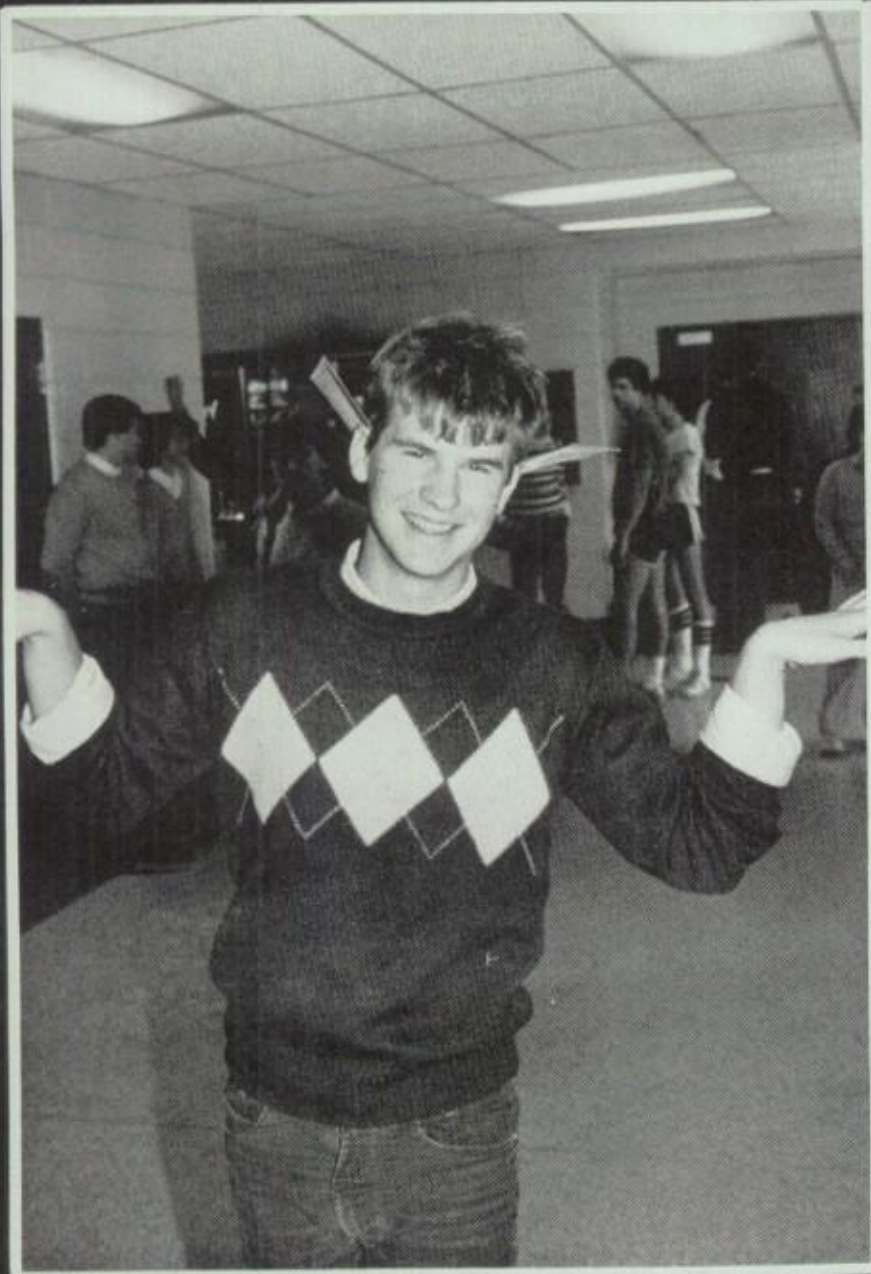

At Brother Rice holiness comes from more than just learning, holiness comes from the being together at school. Working together as a team and looking out for each other all help make holiness in our school. At Brother Rice we have a lot of good things: a good teaching staff, good sports equipment, and good furnishings but none of this will make our school great unless we have respect. And out of this respect comes holiness.

Jim Vuylsteke

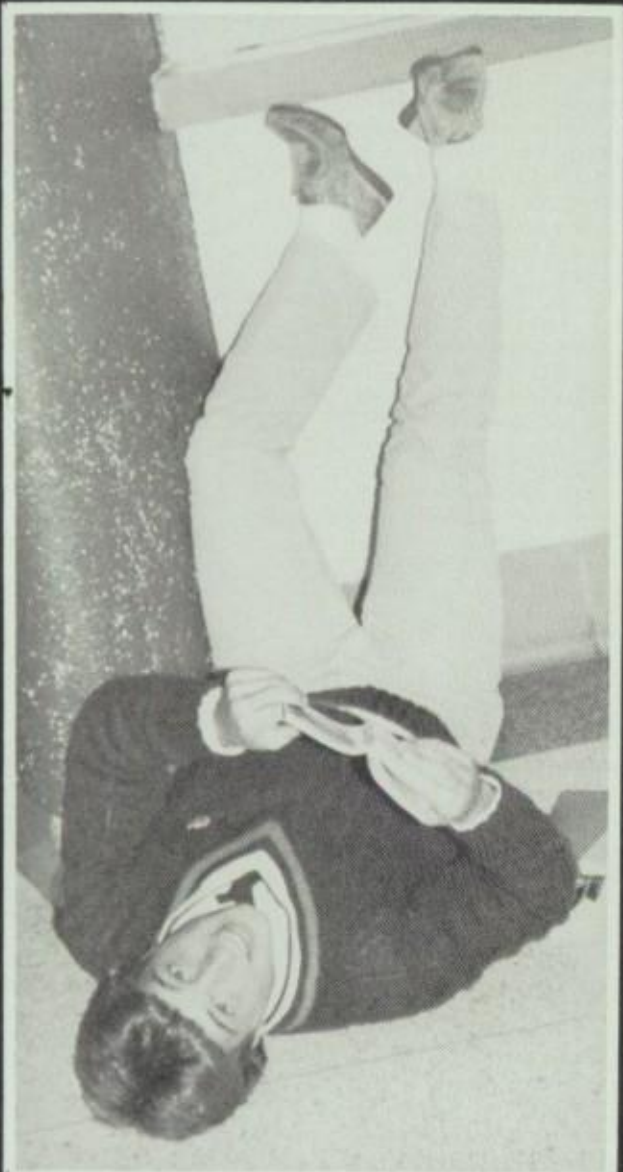

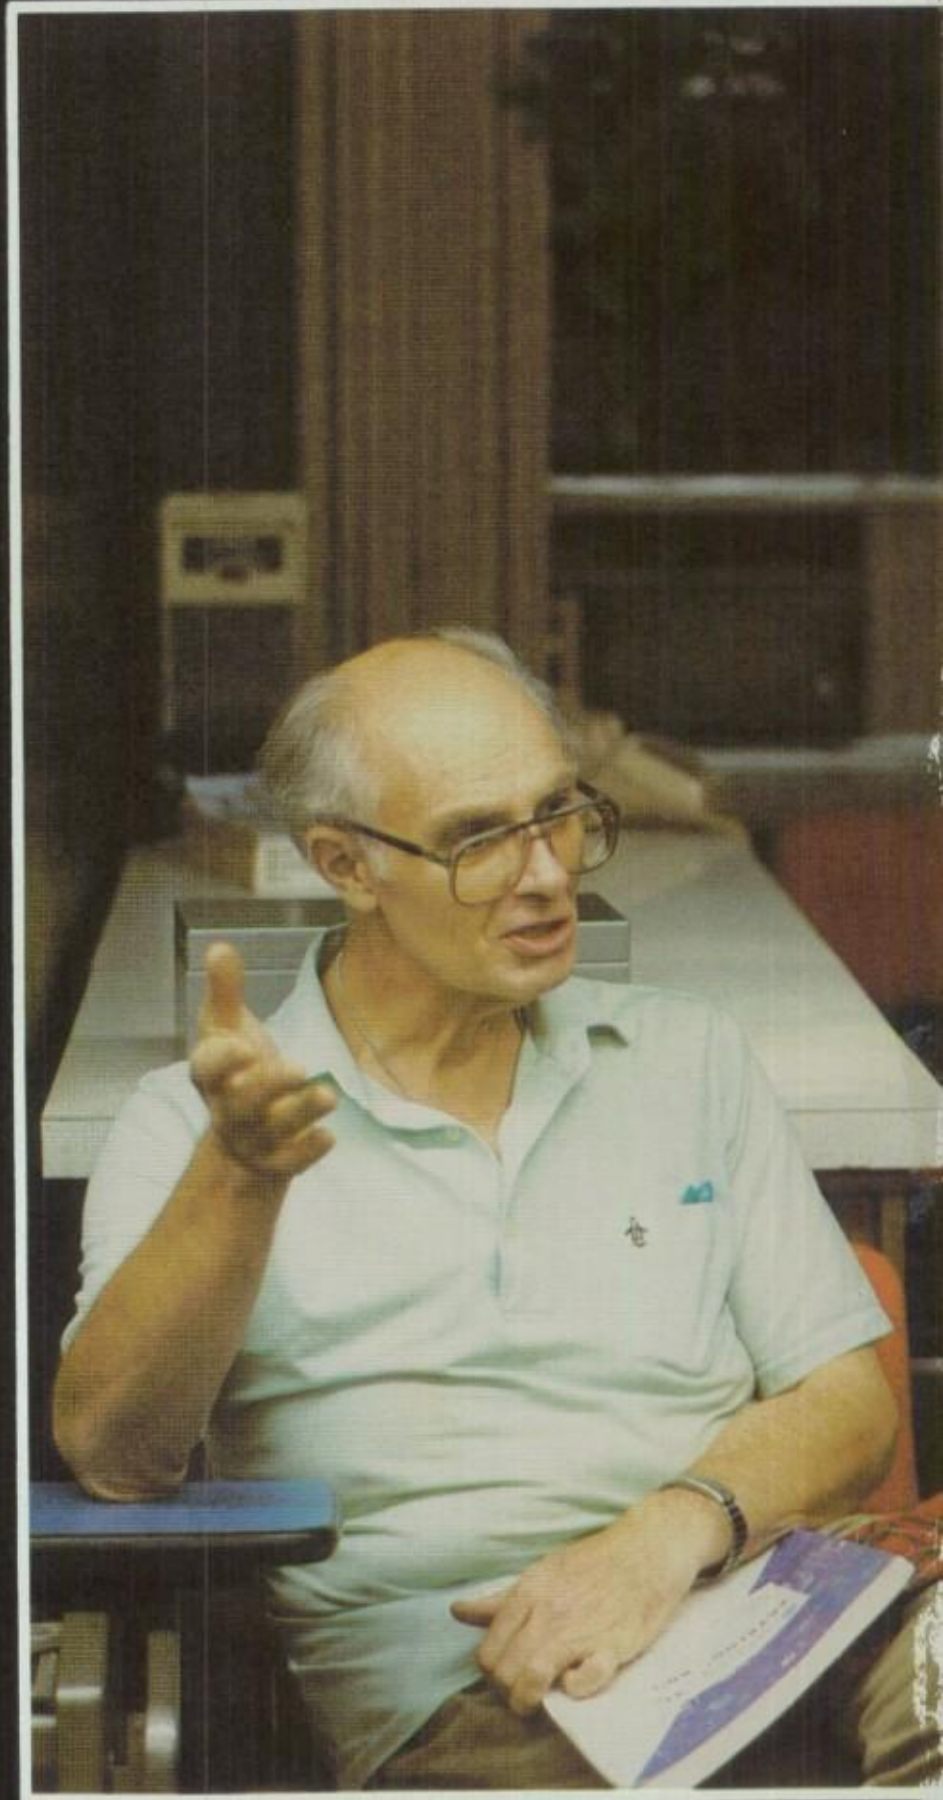

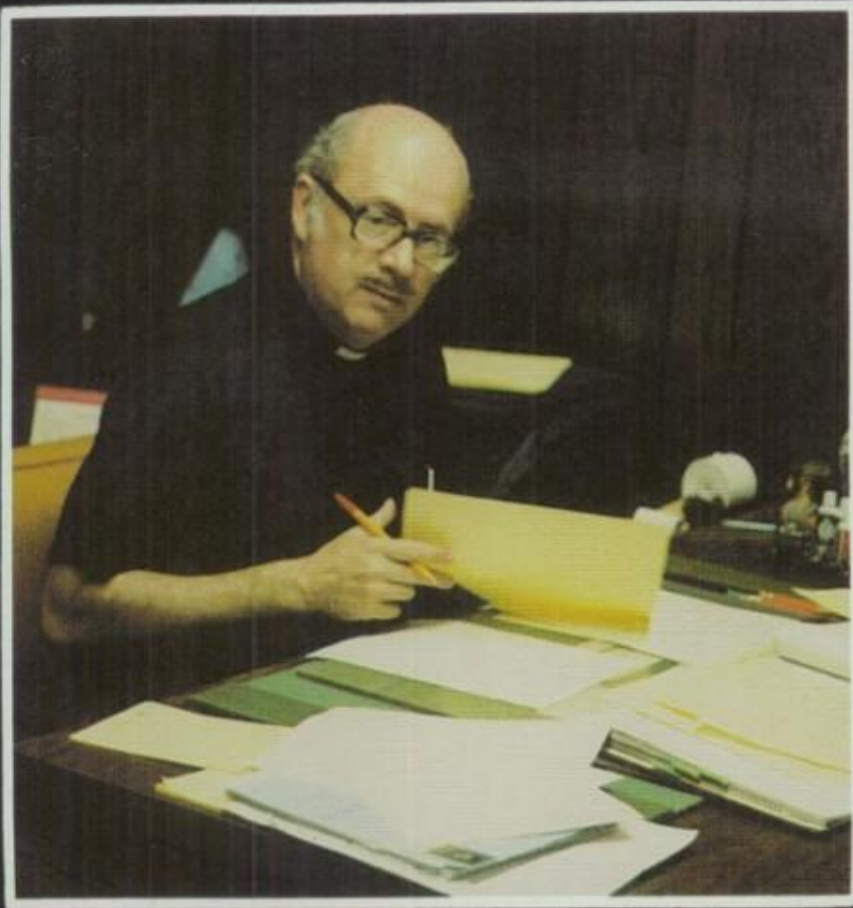

Holiness through learning is concerned with making the Lord an important aspect of our lives. Here at Br. Rice this means making the Lord a part of each and every class, not just Theology. This is shown through the offering of a prayer at the beginning of each class, or a moment of silence, or offering the whole class itself as a prayer. Through one, or all of these things, we make the Lord a part of our learning experience.

ART

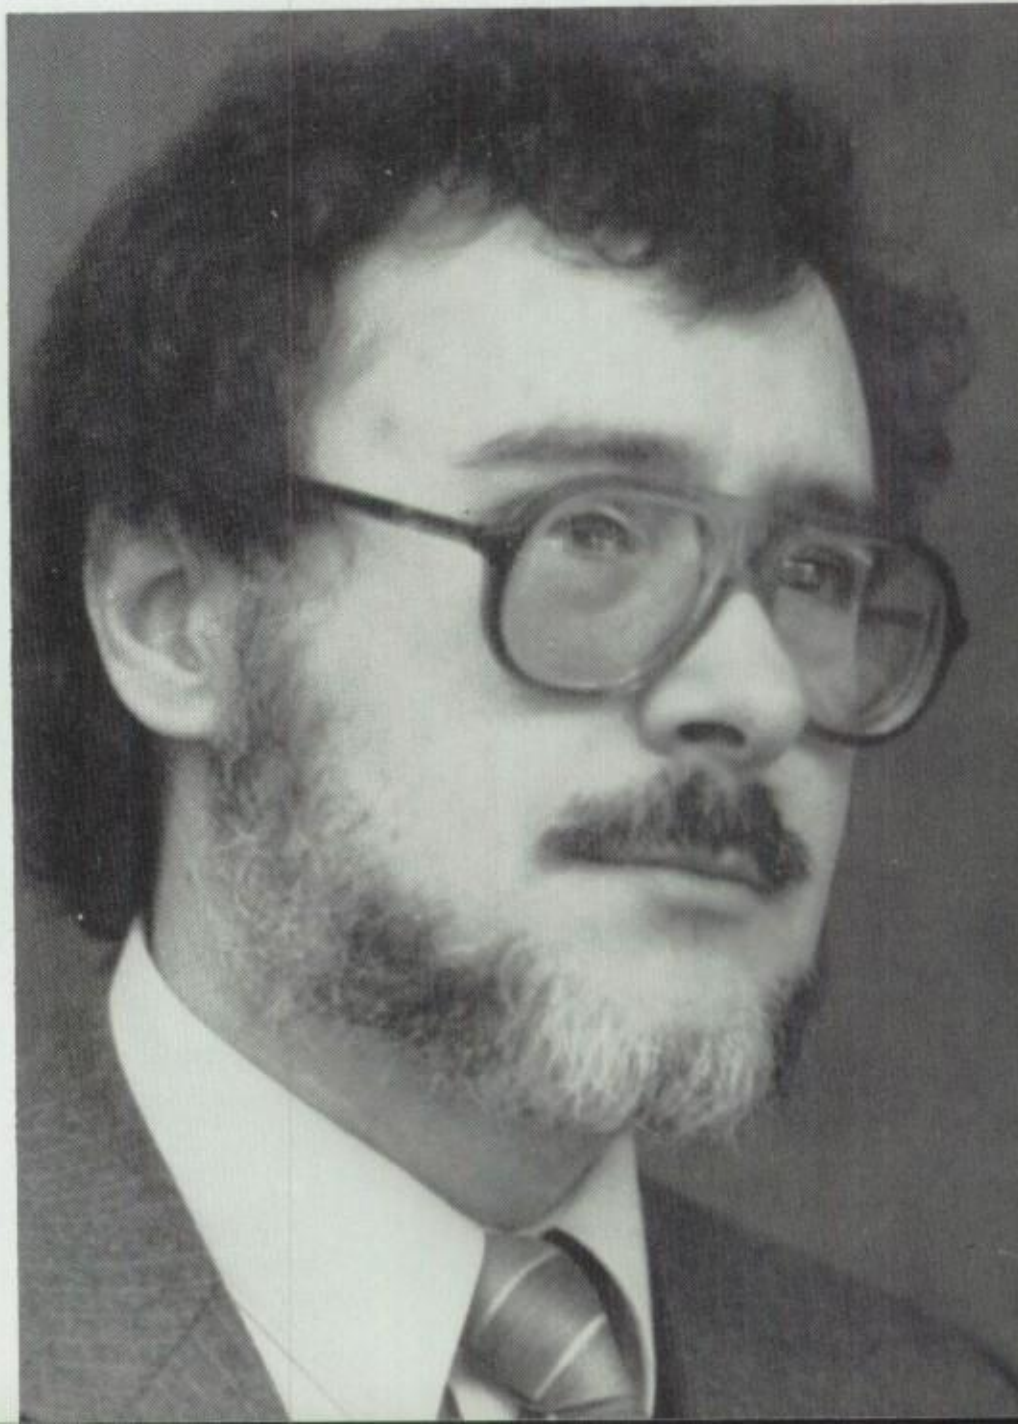

The function of the **Brother Rice Art Program** is to extend the experiences of our students by providing them with a means of expression that goes beyond ordinary speaking and writing. Through art, they can express intimate thoughts and feelings often more freely and easily than through oral or written expression. Through art, they can enrich their lives both by disciplined self-expression and by being sensitively and appreciatively responsive to the expressions of others. Through art, they can become better aware and more appreciative of the beauty of the world, of the people around them, happier and more sensitive human beings.

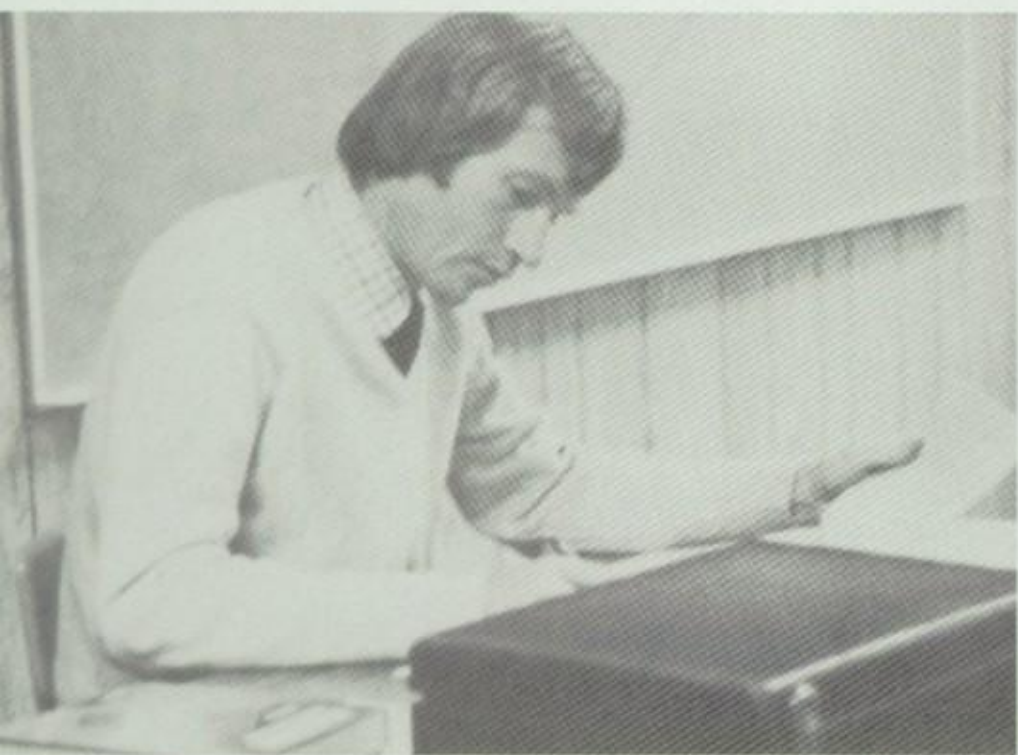

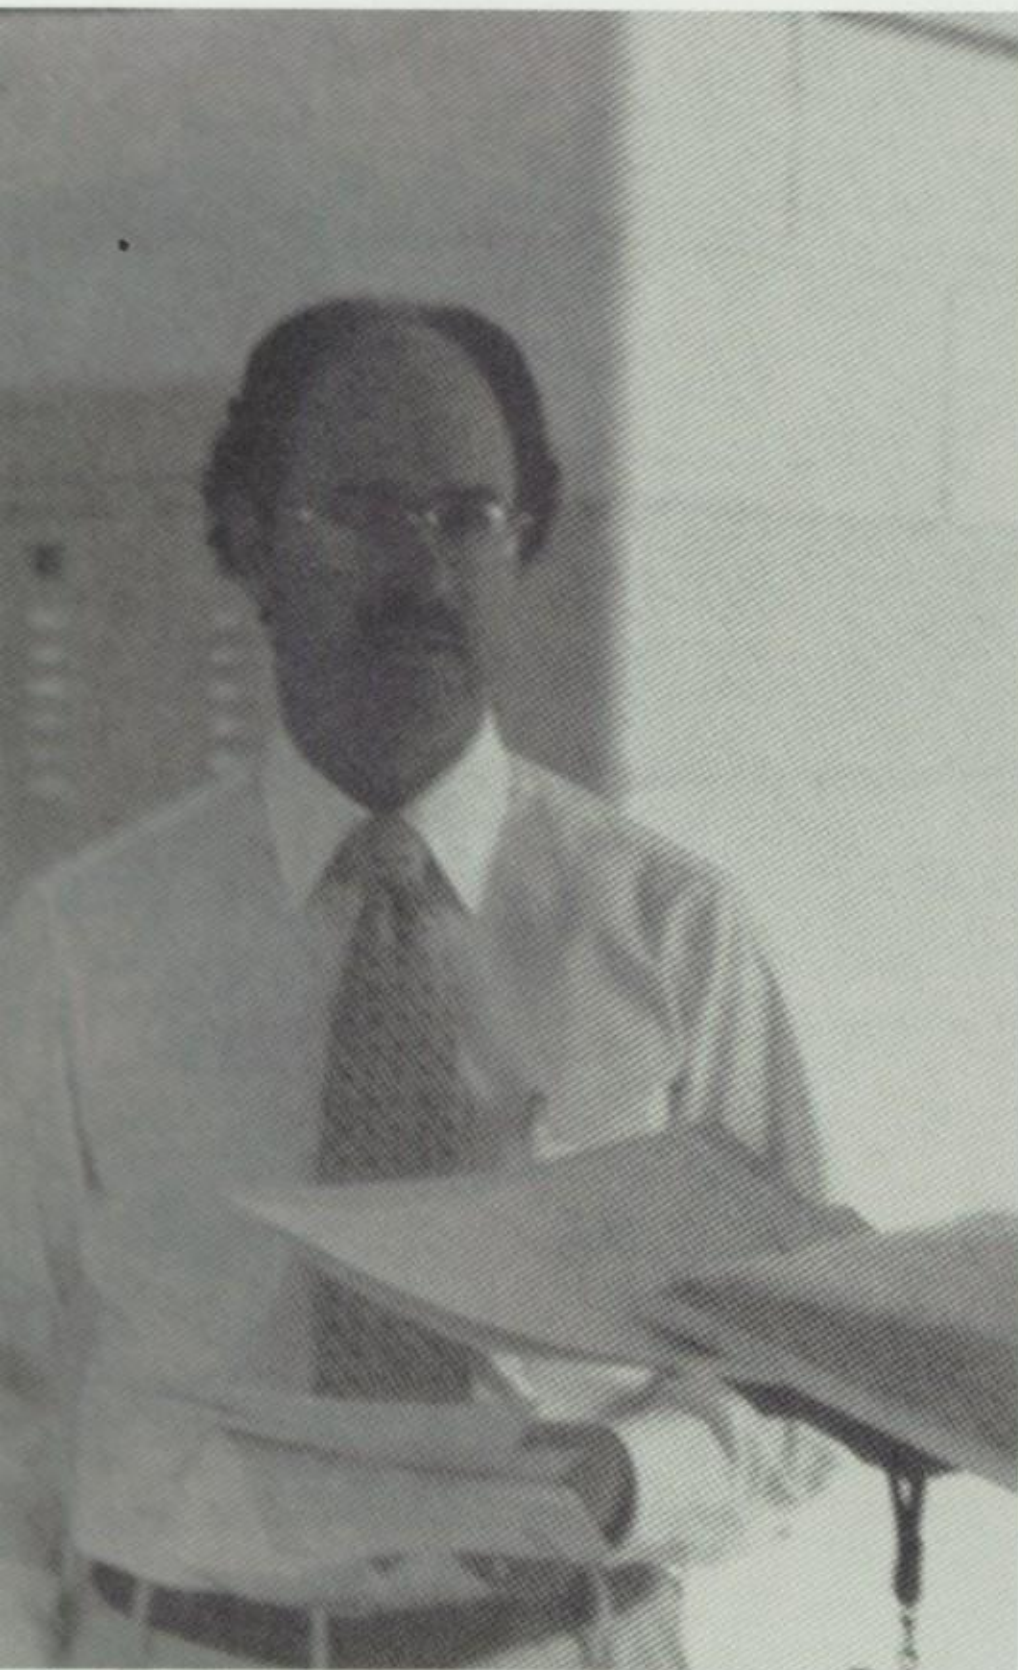

Brother Grimaldi moved the Art Department from a regular classroom to a home of its own in spacious quarters on the second floor of the Old Monastery Wing. **Sister Audrey Bushell**, chairperson of the Art Department, directed the construction of storage and working facilities for the room and equipped it so as to enable a dramatic expansion of the art department.

Together with **Mr. Marcel Gagnon**, **Sister Audrey** conducts a systematic and disciplining series of studies, to the basics of art. **Sister Audrey** also teaches the advanced classes for the remaining grade levels, providing her young artists with experiences in drawing, painting, and pottery.

Top: Sr. Audrey Bushell poses at the art museum
Above: Some of the pottery is displayed throughout the school
Right: Mr. Gagnon looks on at his art class

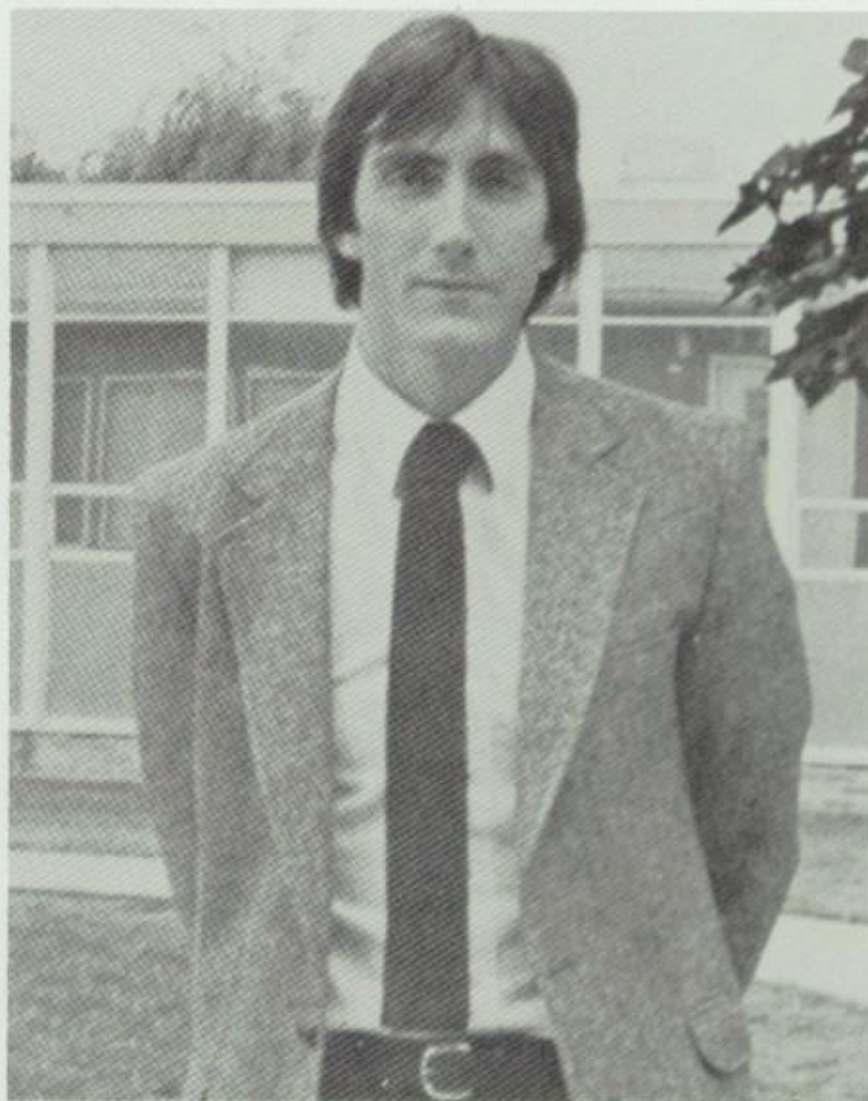

BUSINESS

The **Business Department** has many courses available for primarily upper class students, with two new additions starting this year. Typing is now a required course for Sophomores and a second year accounting is for Seniors. The **Business Department** has a fine staff of teachers who are highly qualified with business experience and most possessing, a Masters degree in business.

Mr. Murphy is back teaching accounting, **Mr. Hebold** along with disciplinarian functions helps in accounting, and **Mr. Carrico** teaches the second year accounting class.

Mr. Rademacher teaches one class of typing and personal finance. Another Brother Rice graduate is among us for the college bound, **Mr. Jamison**, who teaches Sophomore typing. **Mr. McKercher** is the department chairman and also teaches five different business courses.

Top: Mr. McKercher is the Business Department head.
Left: Mr. Carrico corrects some of his accounting class papers.
Above: Mr. Hebold has been a part of the business department for years.

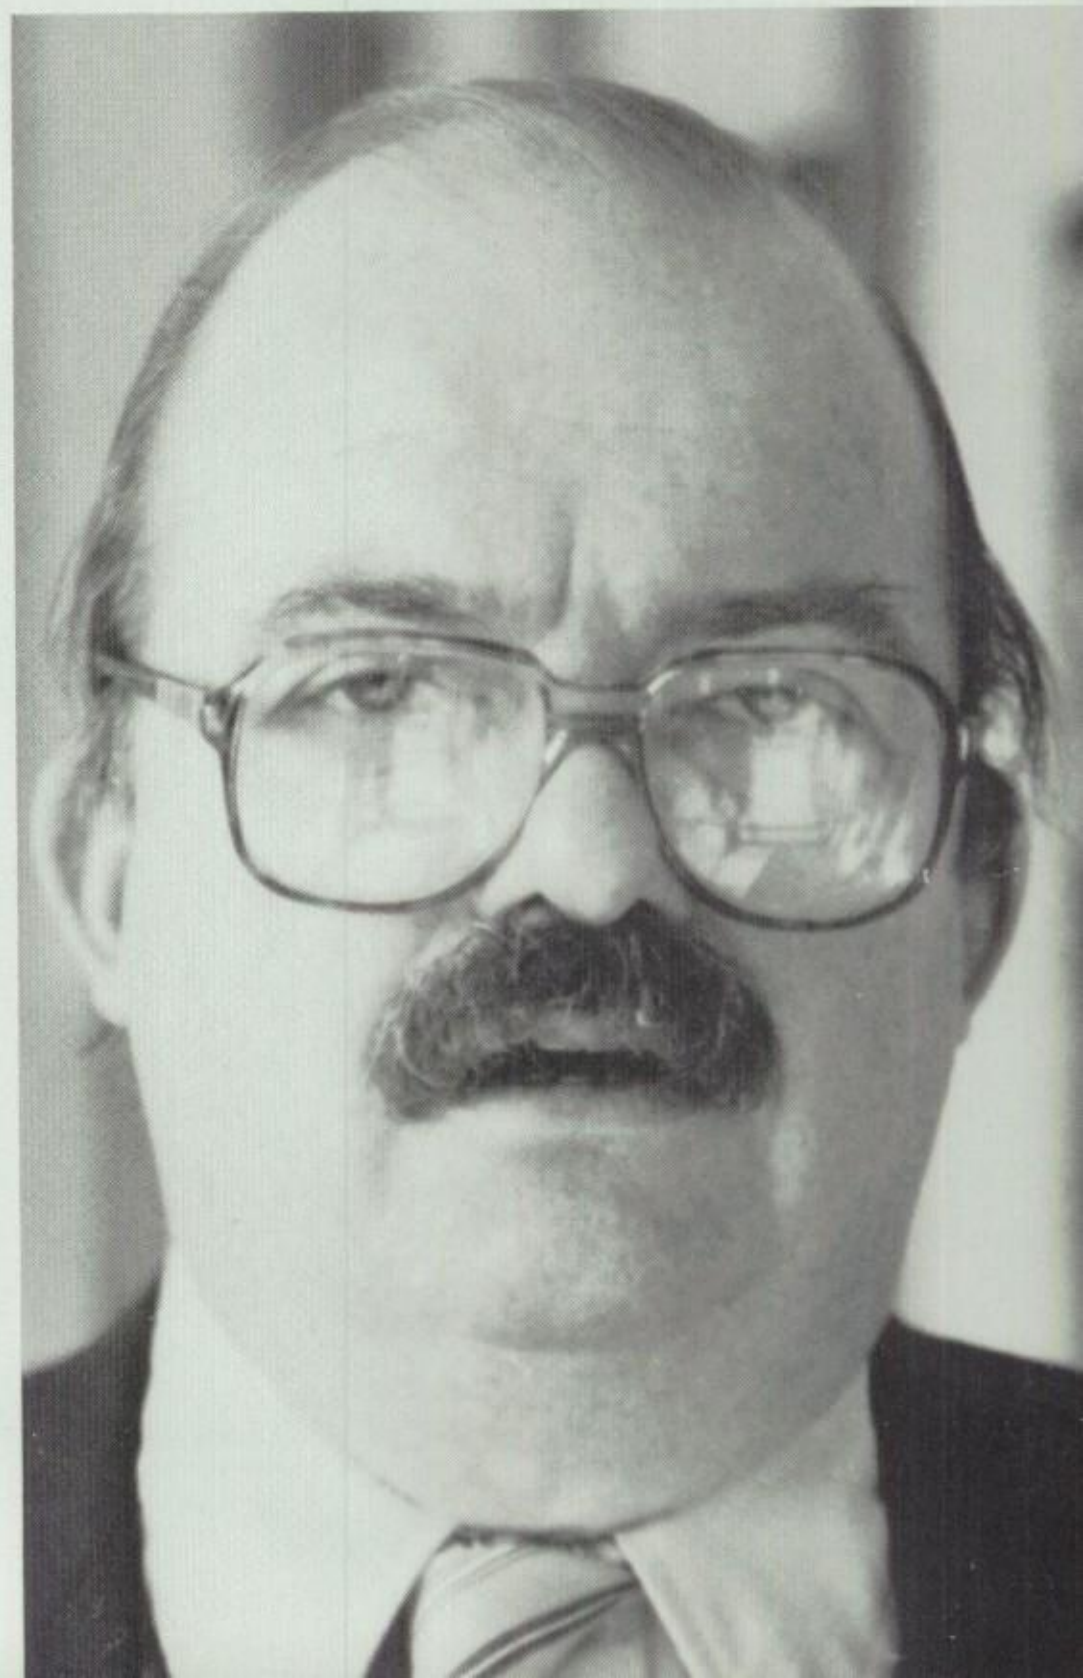

ENGLISH

The role of the **Brother Rice English Department** is to provide young men with an opportunity for competence and excellence in the arts and skills of the English language: reading, writing, speaking, and listening.

The goal: a deeper, more mature understanding and appreciation of English literature as well as greater proficiency in self-expression, oral and written.

Mr. Joseph Bartelotti, Mr. Marcell Gagnon, Mrs. Marlene Maniere, Mr. Guy Morel, and Mr. Charles Steltenkamp share in teaching our freshmen. Brother Robert Koppes, Mrs. Maniere, and Mr. Steltenkamp teach the sophomore English program. Sister Judine King, Mrs. Ann Kelly, Brother Donald McGovern, Mr. Tom Daniels, Brother William McInerney, and Mrs. Michalski assist the junior students, and on the senior level, Mr. Gagnon, Sister Judine, and Mr. Patrick McDunn each offer half-year programs in **Modern Literature** or **Philosophy and Literature**. The English Department is made up of thirteen teachers.

As chairman of the English Department, Mr. Gagnon is very grateful for the long hours, hard work, and impressive expertise that the members of his staff devote to the fulfillment of their professional responsibilities.

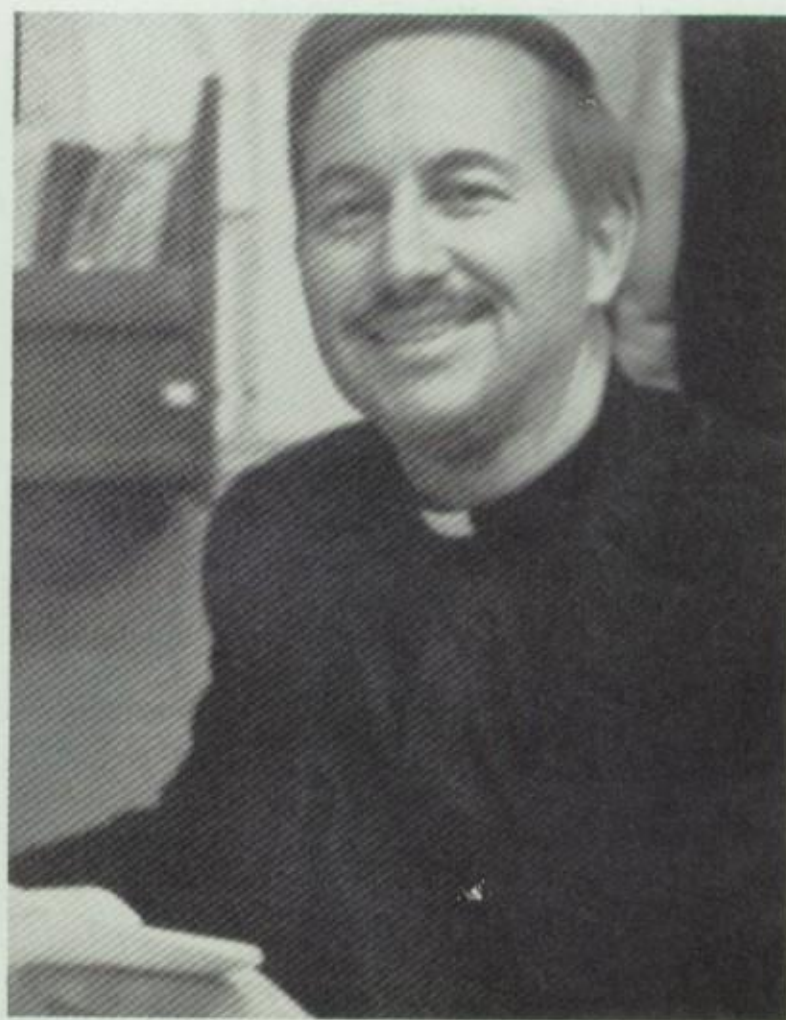

Top: Br. Robert Koppes teaches sophomore English.
Above: Sr. Judine King enjoys being an English teacher at Brother Rice.
Right: Mr. McDunn is a dominate teacher in senior English.

LANGUAGE

The Brother Rice Foreign Language Department provides a strong foundation for students not only in the area of grammar and speech, but in cultural aspects too such as poetry, novels, and the customs of the country. Our top notch staff includes **Mrs. Veronica Dewey** who teaches French II and French III as well as Spanish II and IV, **Mr. Andre Civil** assists the freshmen, sophomores and juniors in the Spanish department, **Mr. George O'Brien** teaches the freshman level in French, **Br. MacIntyre**, teaches French II, **Br. John McGowan** has two levels of Spanish, that of freshman and sophomore, and the Language Department chairman, **Br. Kenneth Wolf** teaches French I, French II and French IV.

All of our foreign language teachers do a superb job in instructing our students and we are most grateful for their time and expertise that they devote to Brother Rice.

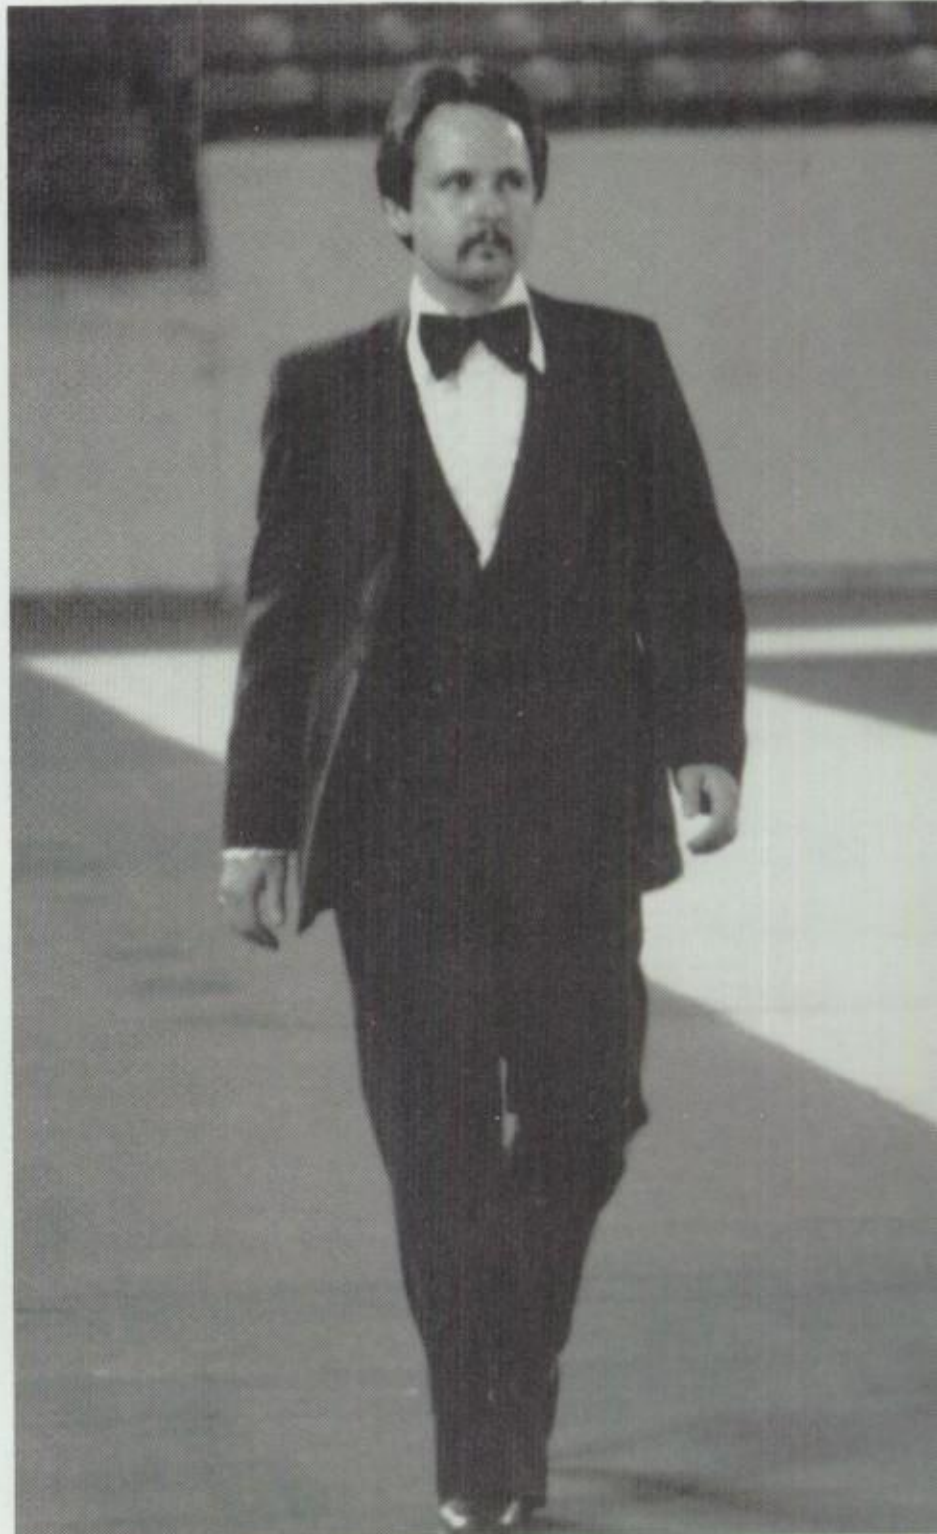

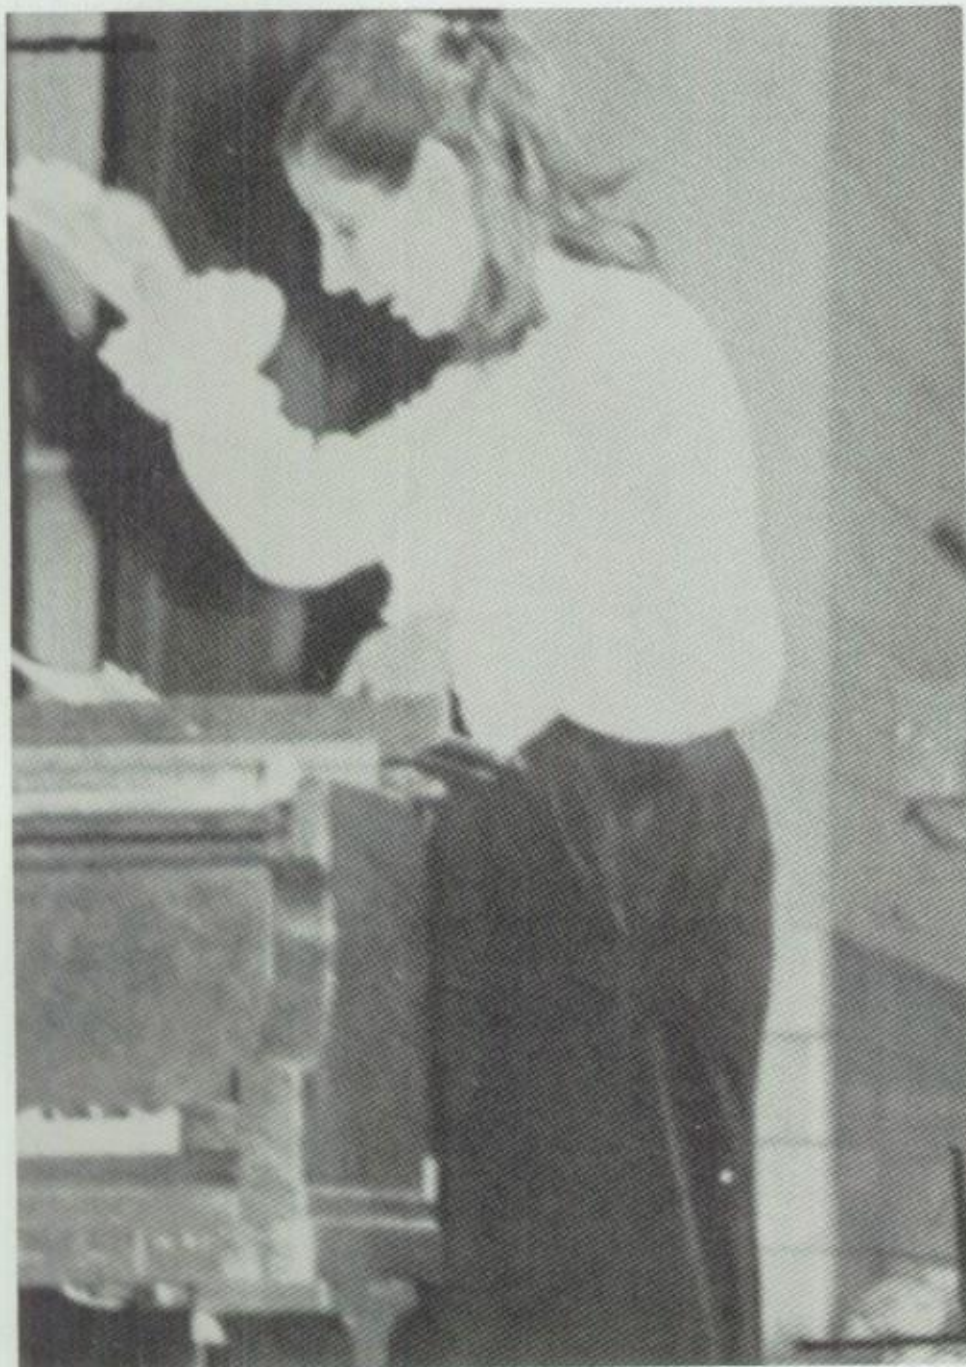

Top: Senor Civil poses for a picture after one of his many Spanish classes.

Left: Br. King has been teaching Latin at Brother Rice for over 20 years.

Above: Br. Wolf teaches French while being Language Department head.

MUSIC

The Brother Rice High School Music Department consists of many divisions: Concert Band, Marching Band, Pep Band, and a number of choral groups. The bands are all lead under the direction of **Mr. James Zarzycki** and the choral groups are conducted by **Sister Maria** (the singing nun) from Marian. Both the band and the choirs have performed outside of the school auditoriums.

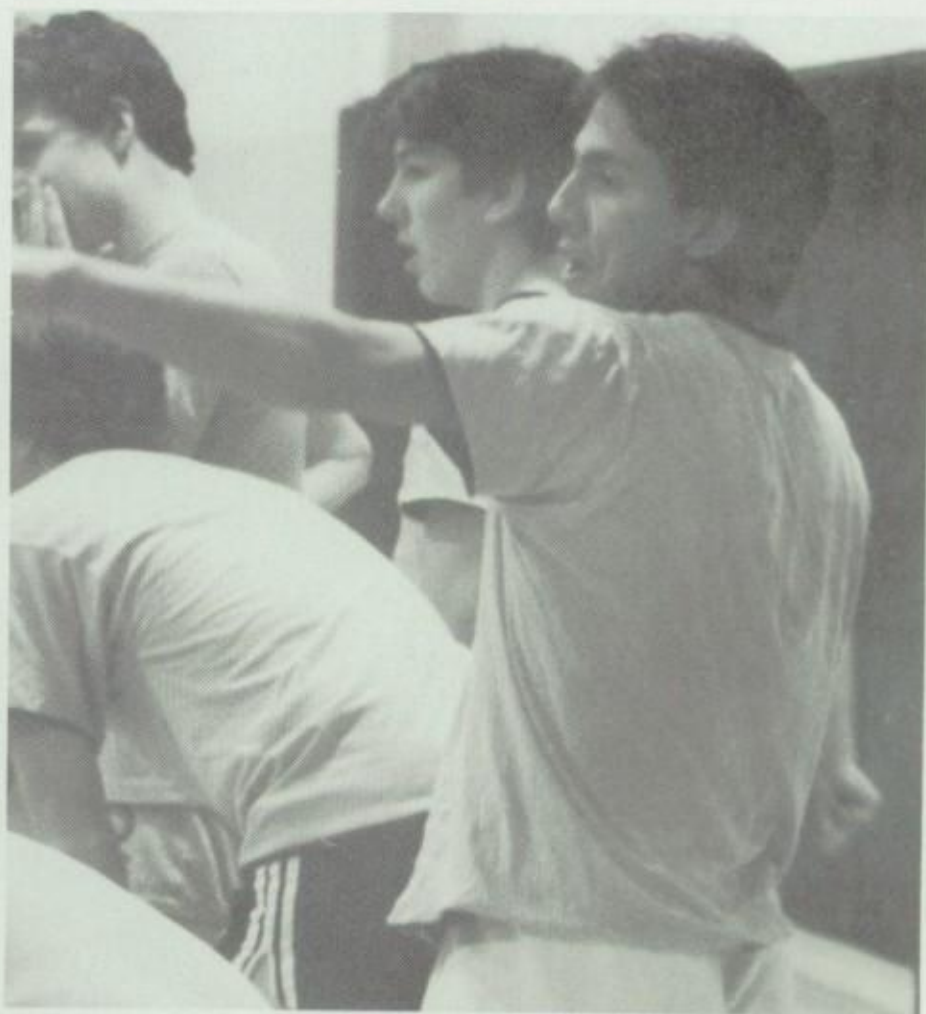

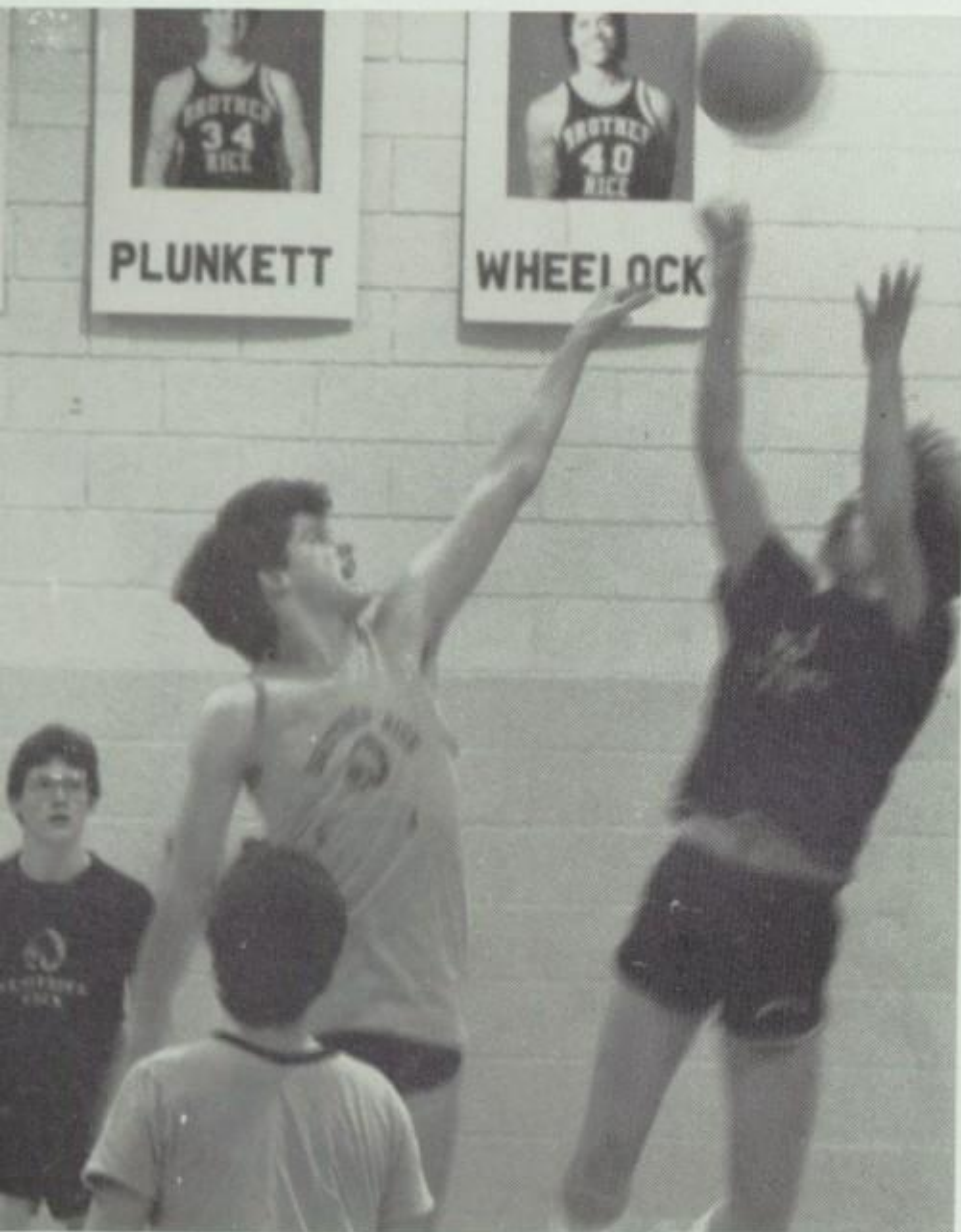

Top: One of the many students who take part in the music department.
Above: Sr. Maria directs the choir at one of the many choral concerts.
Right: Mr. Zarzycki directs the band at the Silverdome.

PHYSICAL EDUCATION

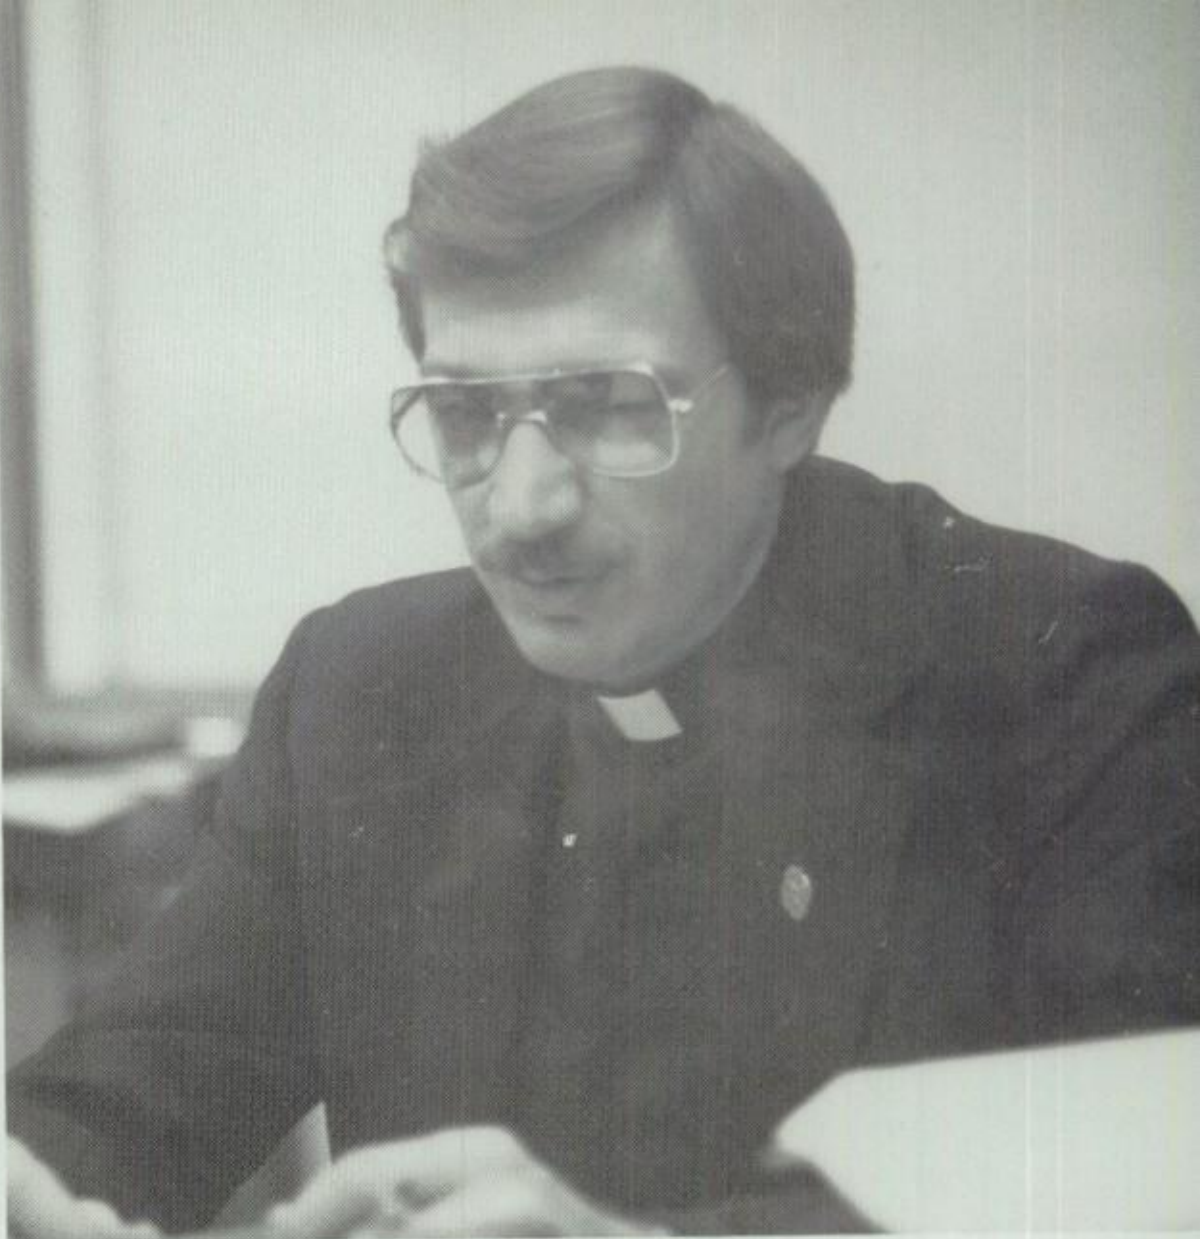

The Brother Rice Physical Education Department consists of Mr. Nick Conti, Mr. John Major, and Mr. Al Fracassa. Both freshmen and sophomores are required to participate in gym classes every other day. Some activities include basketball, volleyball, track and field activities, baseball, and best of all, smear the queer.

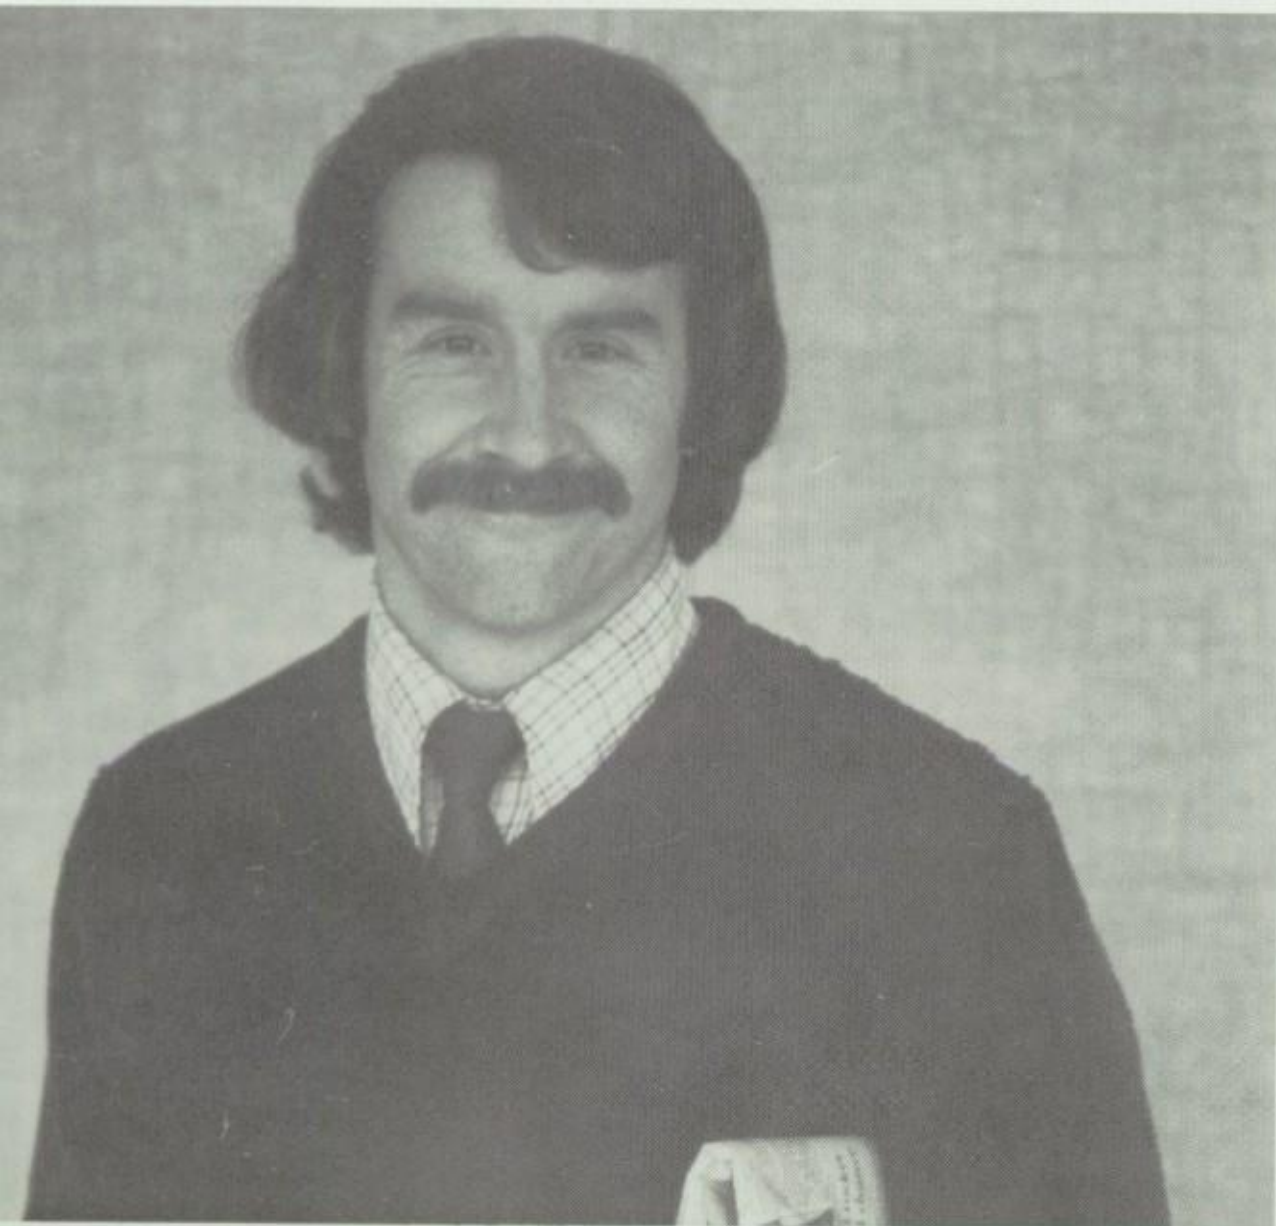

Top: Mr. Fracassa watches on as his gym class runs around the track.
Left: Dave Ditzel deflects the ball as his opponent reaches for the ball.
Above: Gym students take part in exercises.

SCIENCE

The Science Department has as its goals to acquaint students with the significance of the Sciences in their daily lives, to educate students to live successfully and competently and be leaders in the latter '80s and '90s; and to prepare students for careers in research, engineering, medicine, and dentistry.

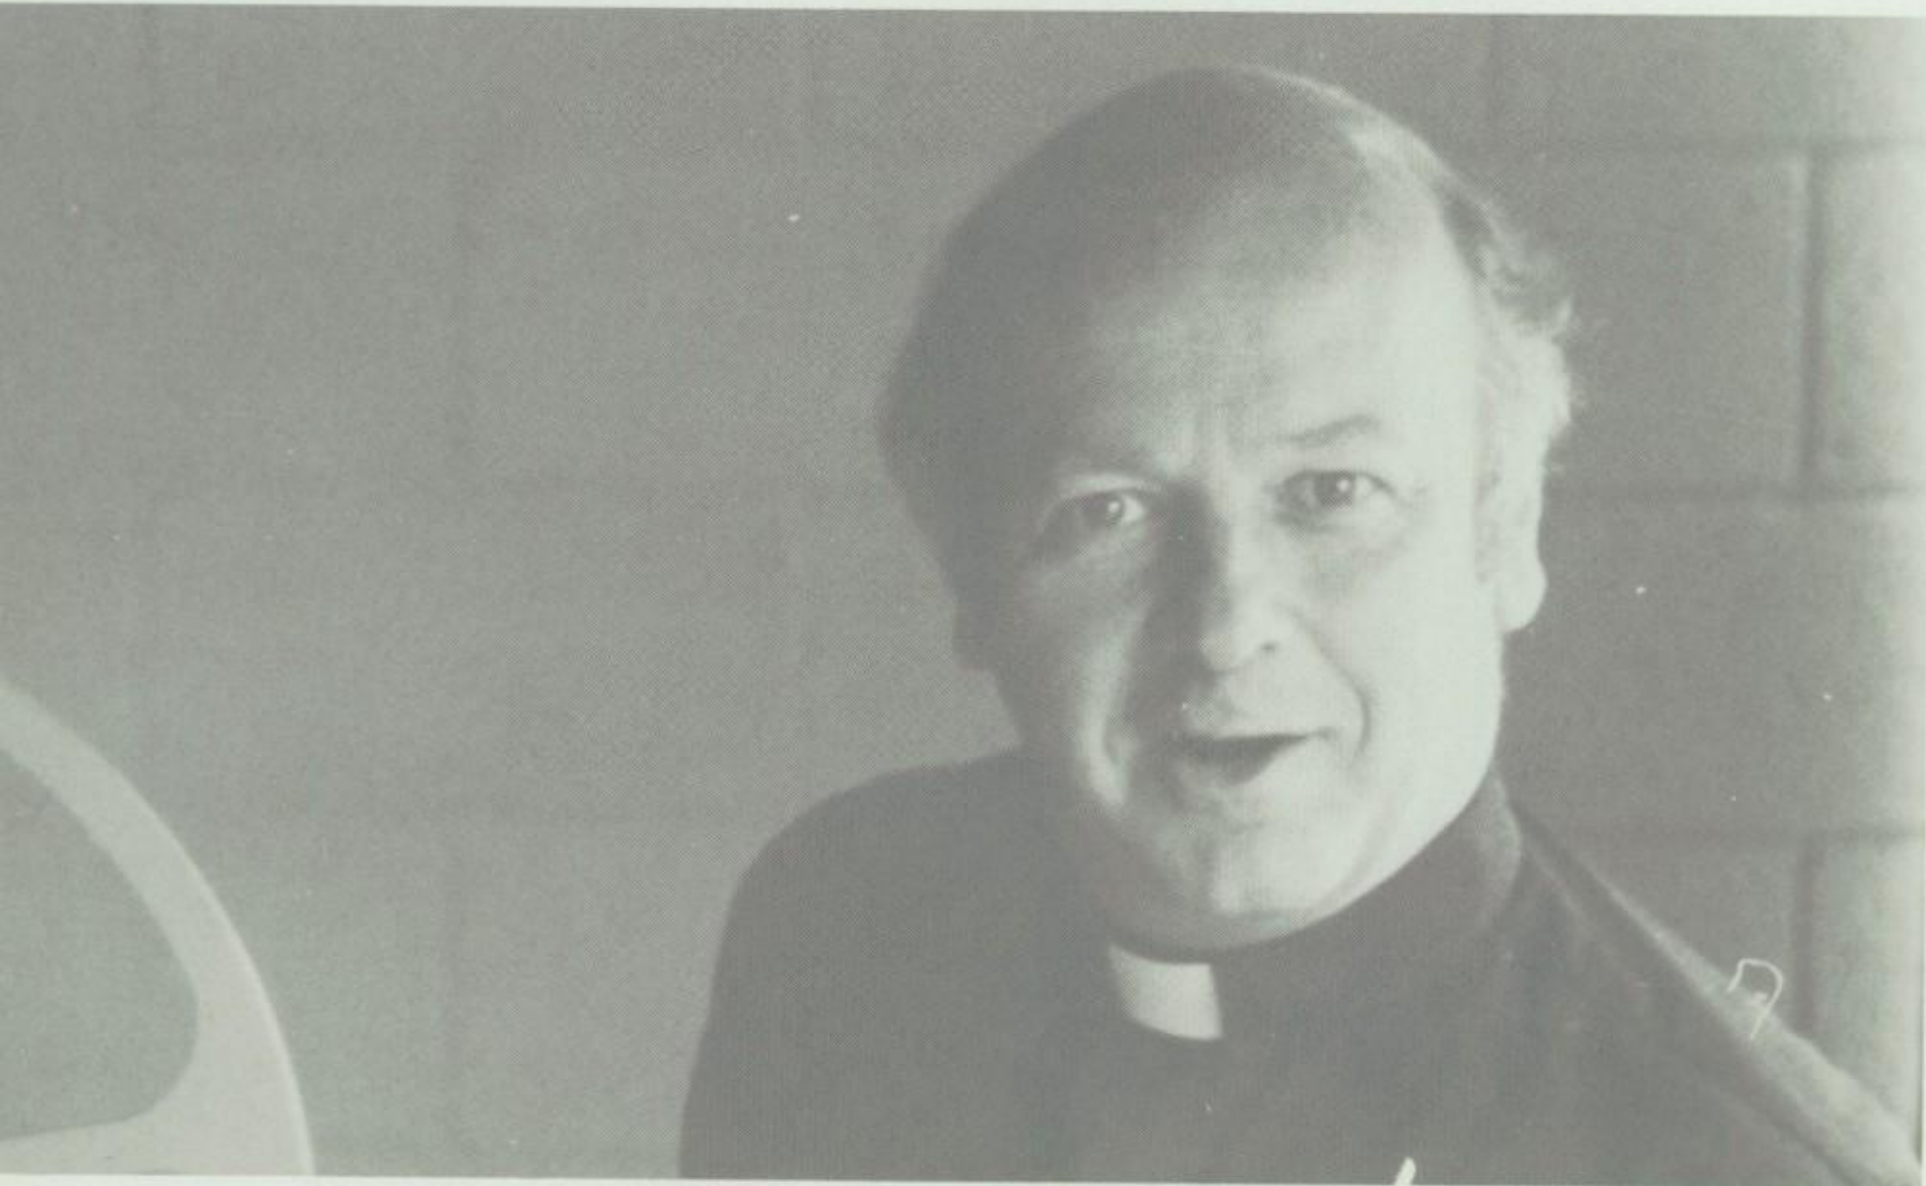

SOCIAL STUDIES

George Sanatyna once wrote, "Those who refuse to learn from the past are condemned to repeat the same mistakes in the future (sic)" To help avert the disasters of the past, the History department has worked to educate the inquiring students of Brother Rice.

Under the direction of **Brother Robert Brouillette**, the Department encourages the study of American and World history. All freshmen are required to take classes in Western Civilization. Juniors take American History to fulfill graduation requirements. Sophomores are offered a course in the World in the 20th Century while seniors have the opportunity to take American History from where the junior class ends to the present day.

While not the largest department, the History department is integral in the Brother Rice tradition of liberal education.

SPEECH

The speech department teachers are **Mrs. Gloria Michalski** and **Mr. Gerald Bluhm**. All freshmen are required to take a speech class. Speech is a skill that is in constant use and the above teachers help us to perfect it. The students learn to communicate better and their addressing skill are refined.

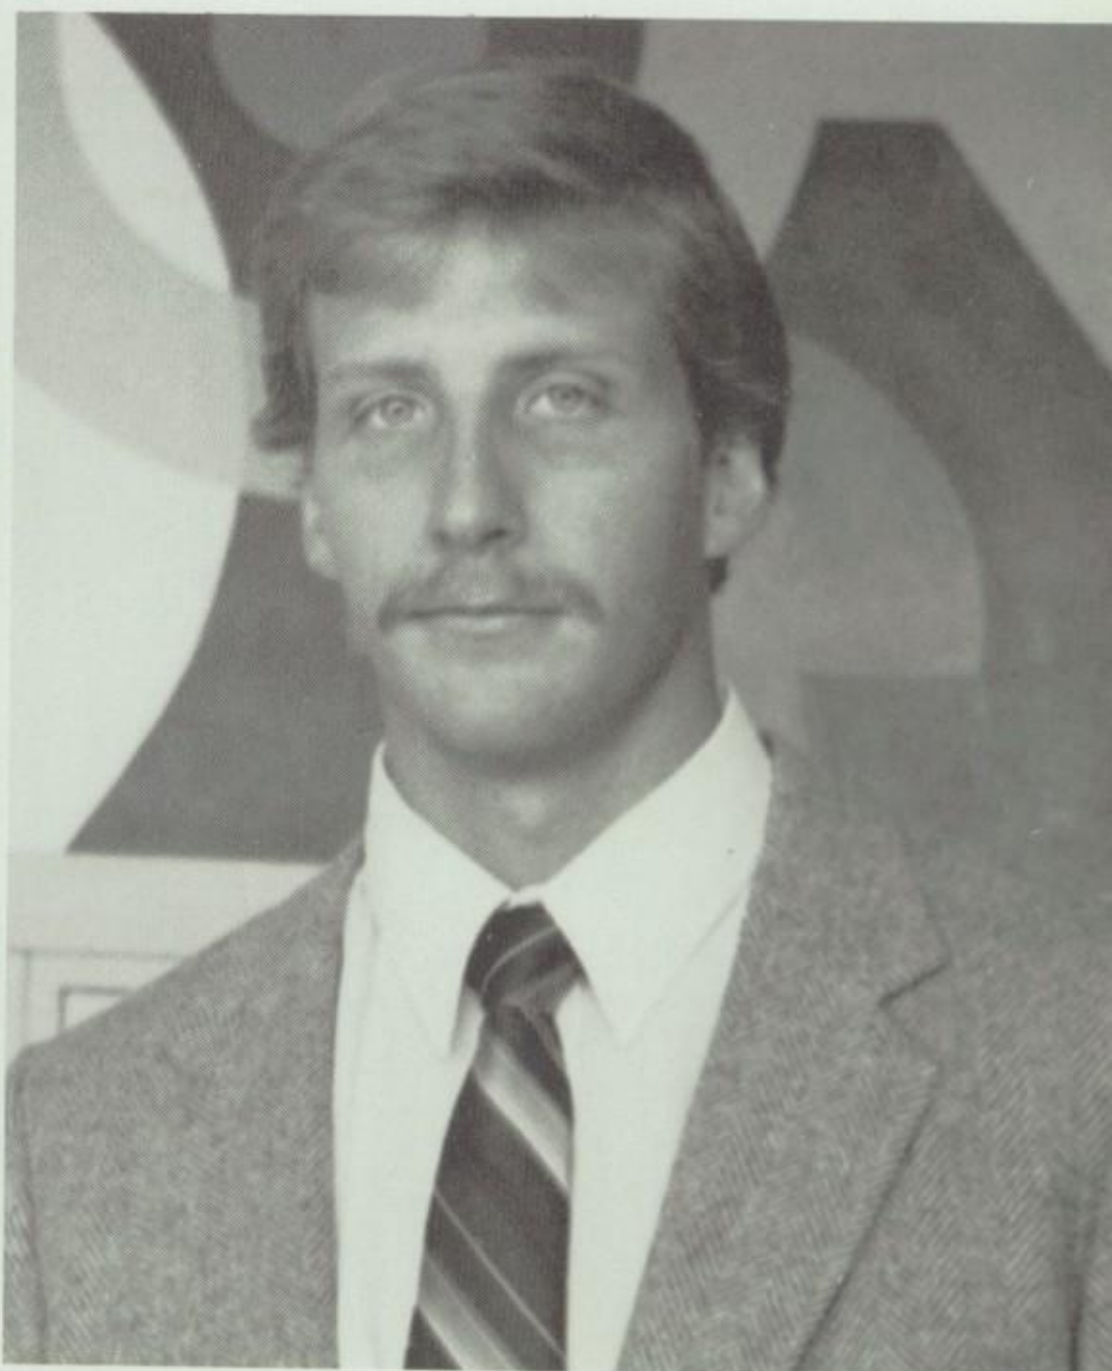

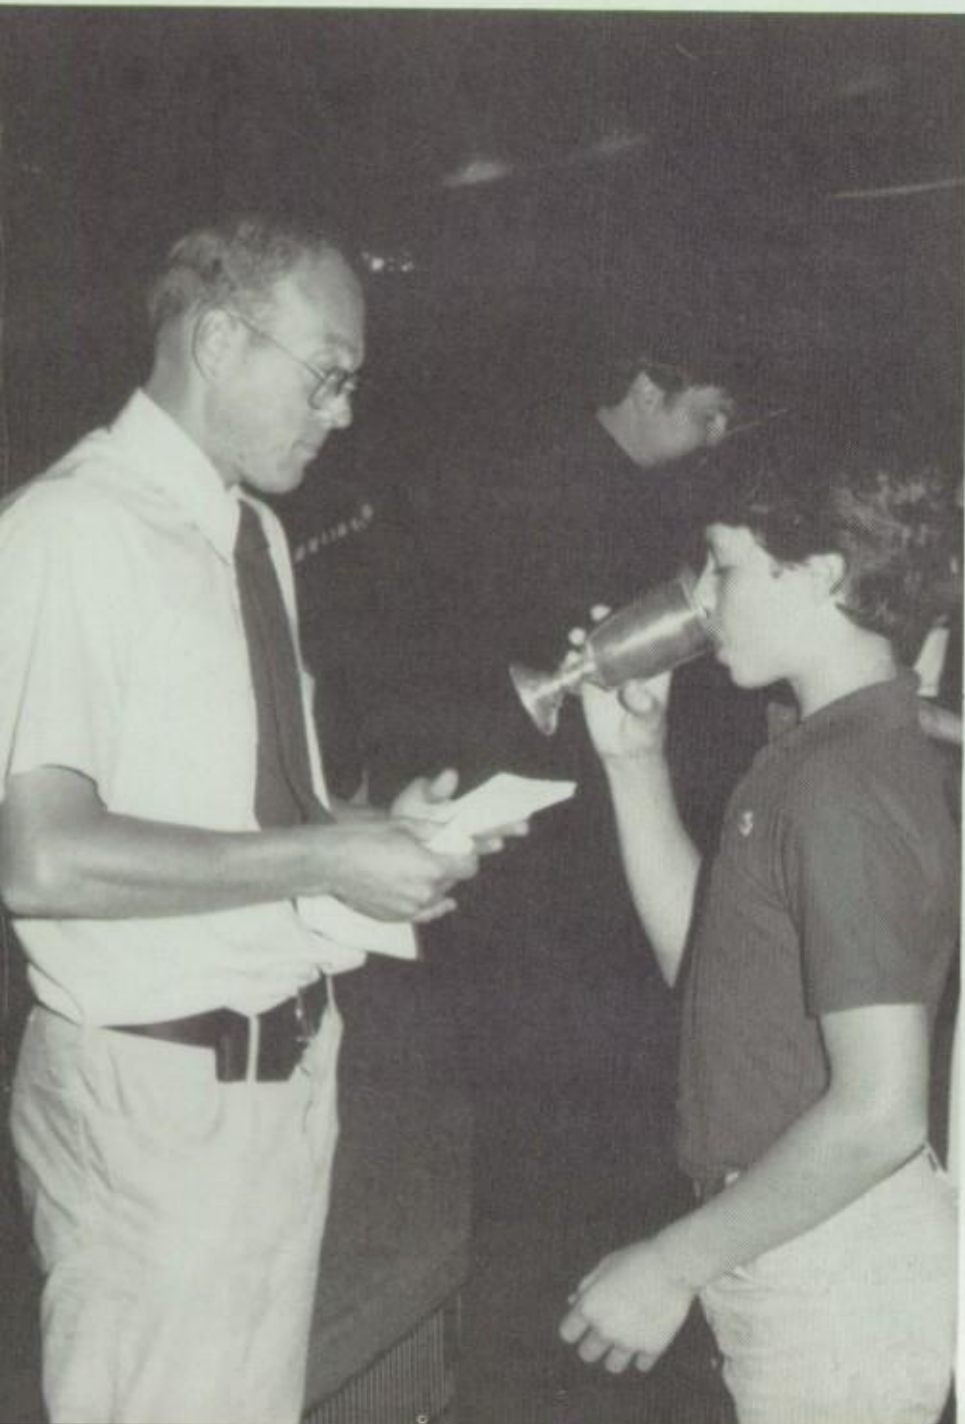

Top: Mrs. Michalski enjoys taking part in the speech department.
Above: Mr. Gerald Bluhm acts as the Speech Department head.

THEOLOGY

The Theology Department has **Brother William McInerney** as its department head. The sacristan for Brother Rice is **Mr. Joseph Bartelotti**. All students are required to take four years of theology, ranging from Church history to moral problems and marriage. Some seniors opt to take a semester of Christian Service where students go to Wing Lake Developmental Center to aid the instructors. **Fr. Lawrence Gomez** is our chaplain and he offers a mass daily for all students.

The personnel involved in cafeteria and maintenance play an important role in the way this school functions. Outside classrooms, the people involved in maintenance are those who work over time to keep the school clean at all times. They also have extra duties when after school activities are held, such as basketball games, dances, open houses etc. The work involved for those on the cafeteria staff is different but by no means easier. Their day starts bright and early, long before students arrive, and continues until the end of the school day. They are responsible for preparing the food and answering to the demands of over a thousand hungry students, which is not an easy task. The staff members in both areas do a superb job and should be commended.

Library - A Good Source

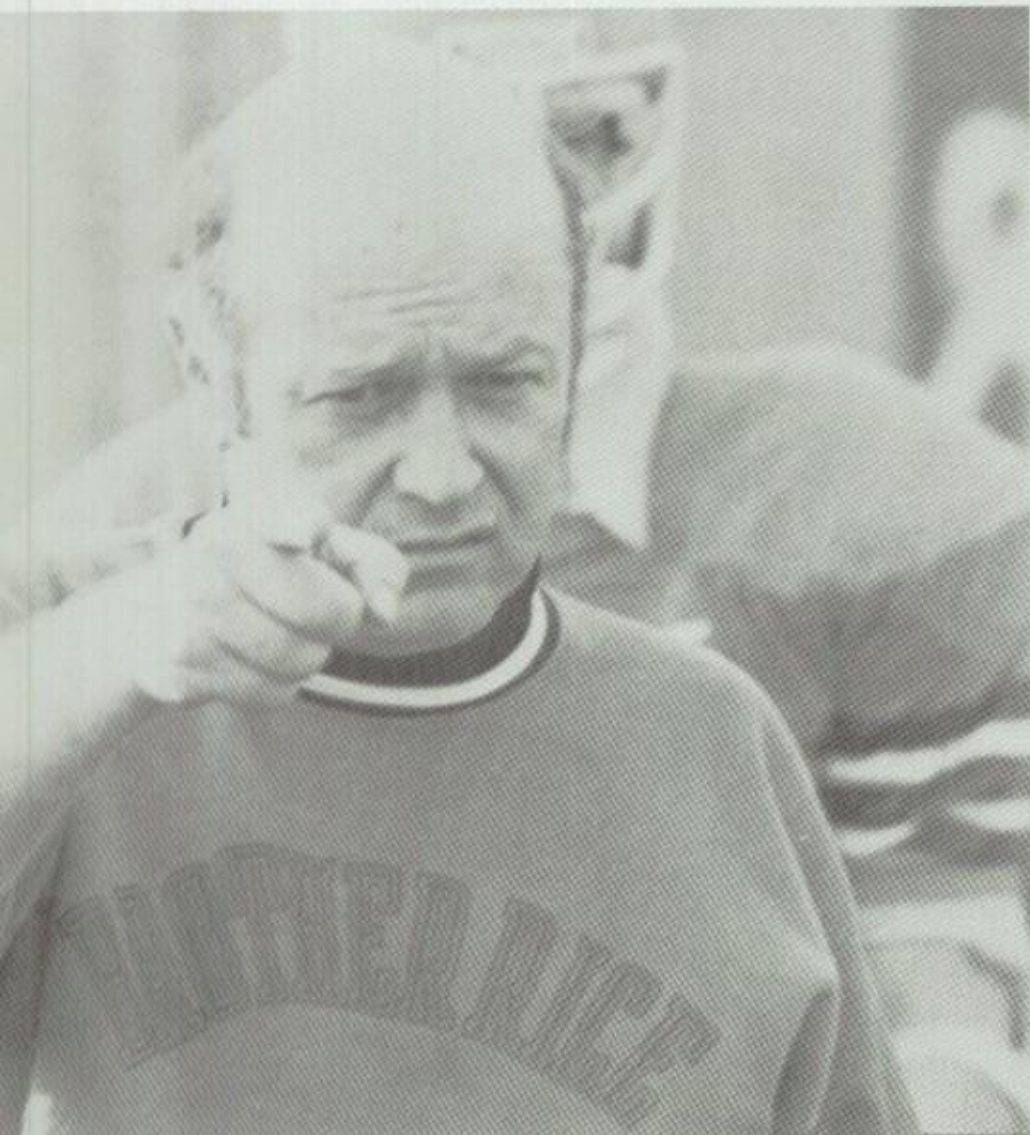

The Library, as every one knows, is an instrumental part of a student's academic life. The Brother Rice Library is not the best library, in fact it lacks a number of useful facilities, but it does accomplish its most important asset. That is, it provides a student with a quiet place to study during the school day. Thanks to Mrs. Zielesh, Mrs. Ginzler, Mrs. Maben, and Br. Oehrle, the library is an indispensable part of the Brother Rice student's life.

A Typical Day At Rice

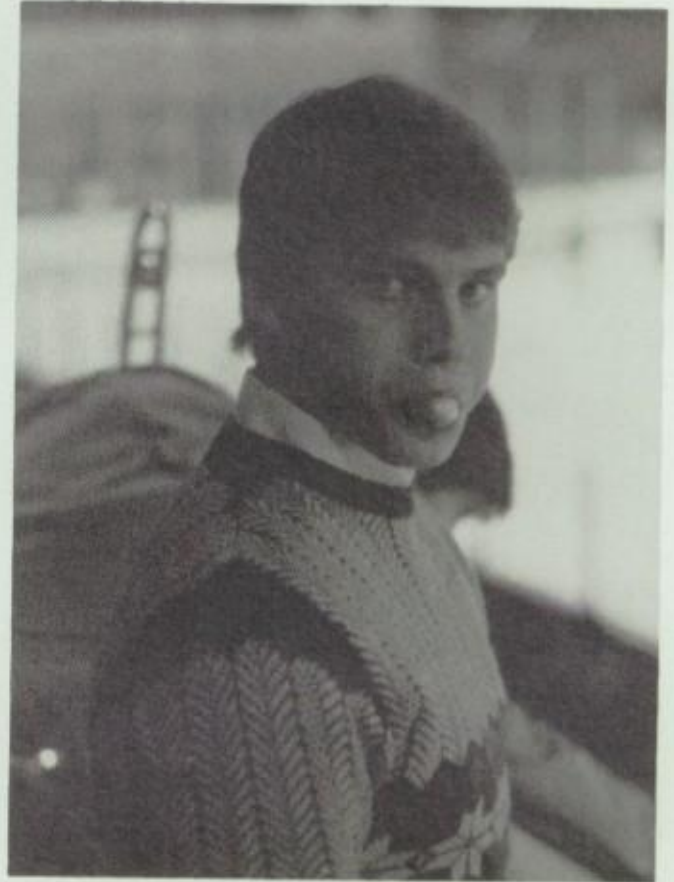

1983 The Year Of The Champions'

1983 proved to be the year of the champions at Brother Rice. In June, the Varsity B tennis team after a long, hard struggle won the Michigan state championship. In November after a challenging season the Varsity football pulled off a tremendous game at the Silverdome to win the state championship.

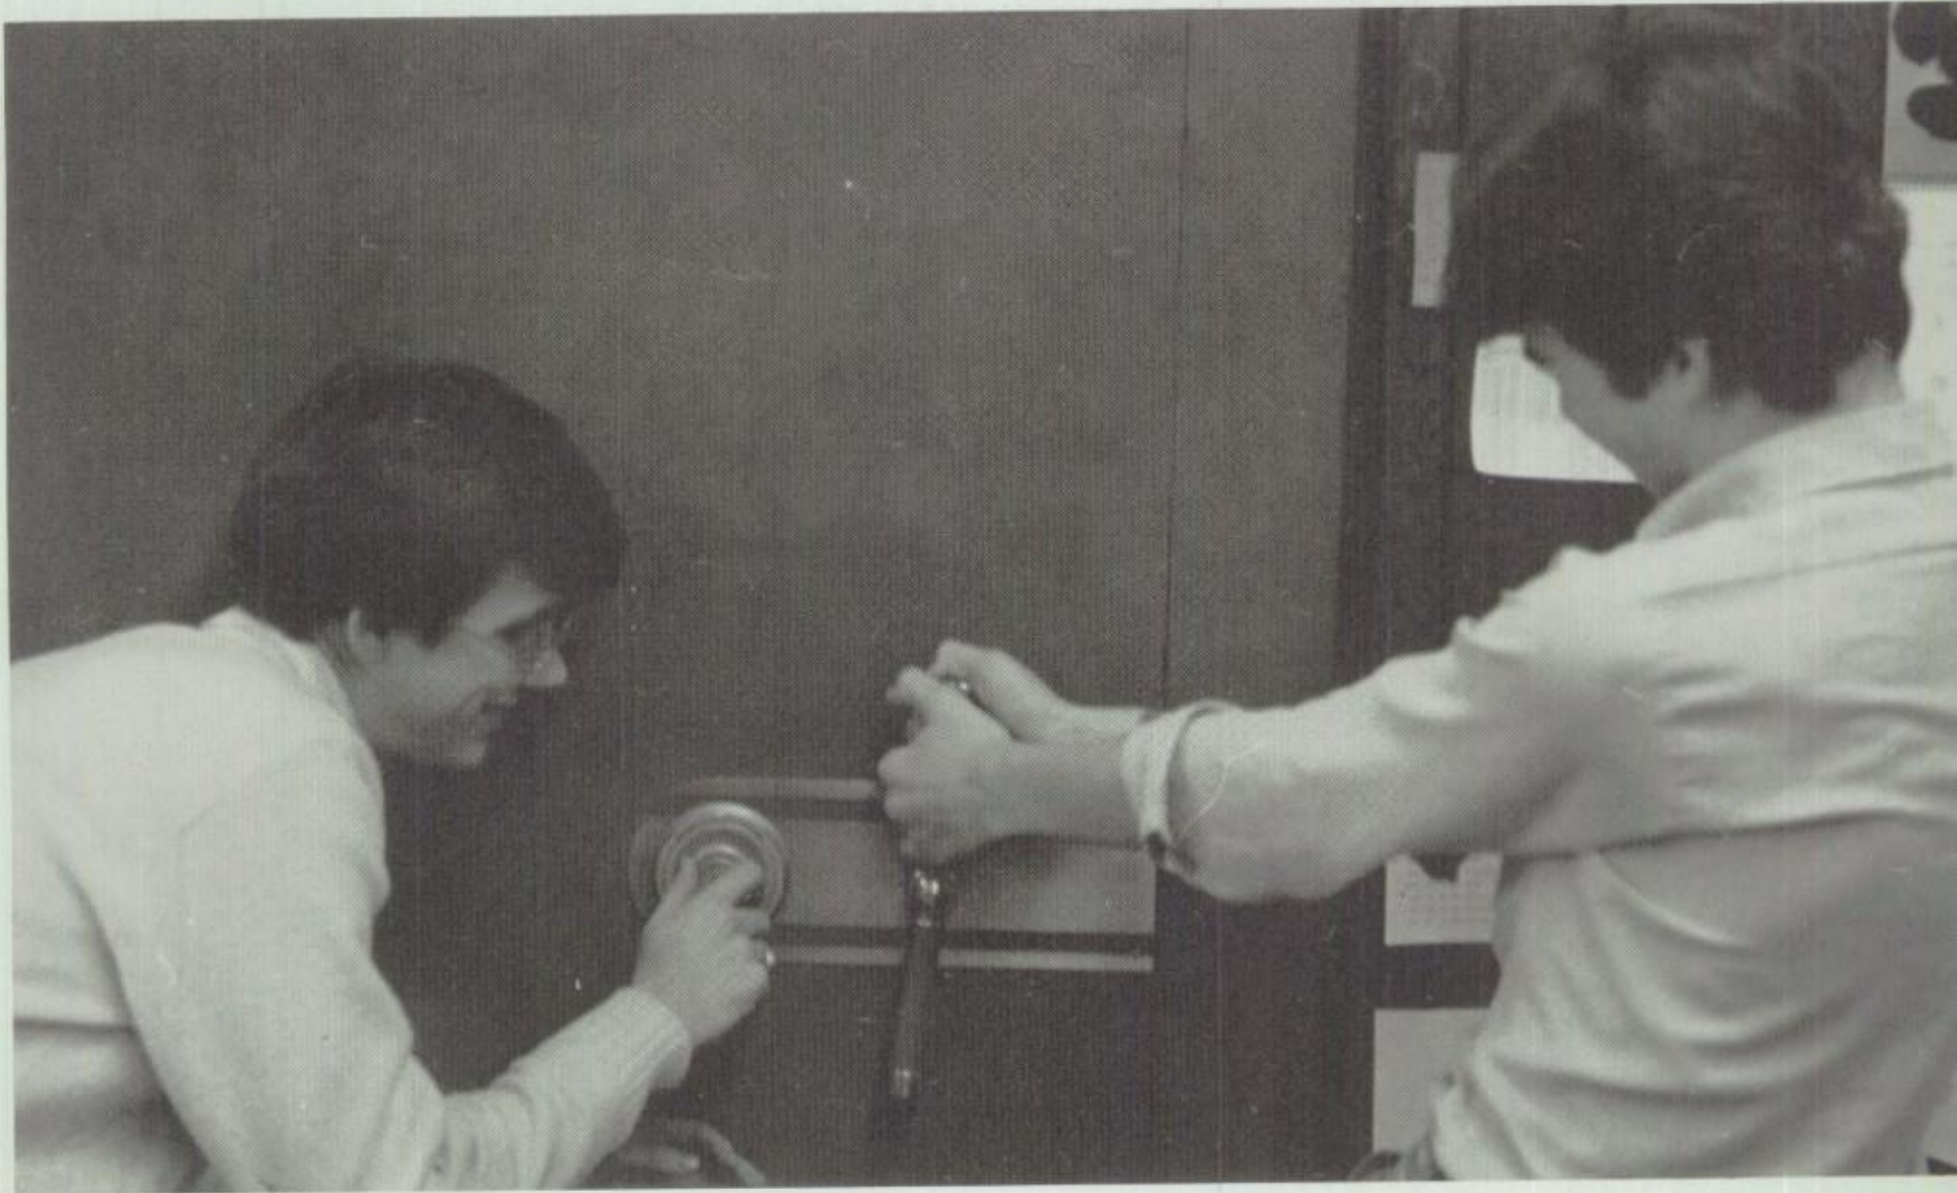

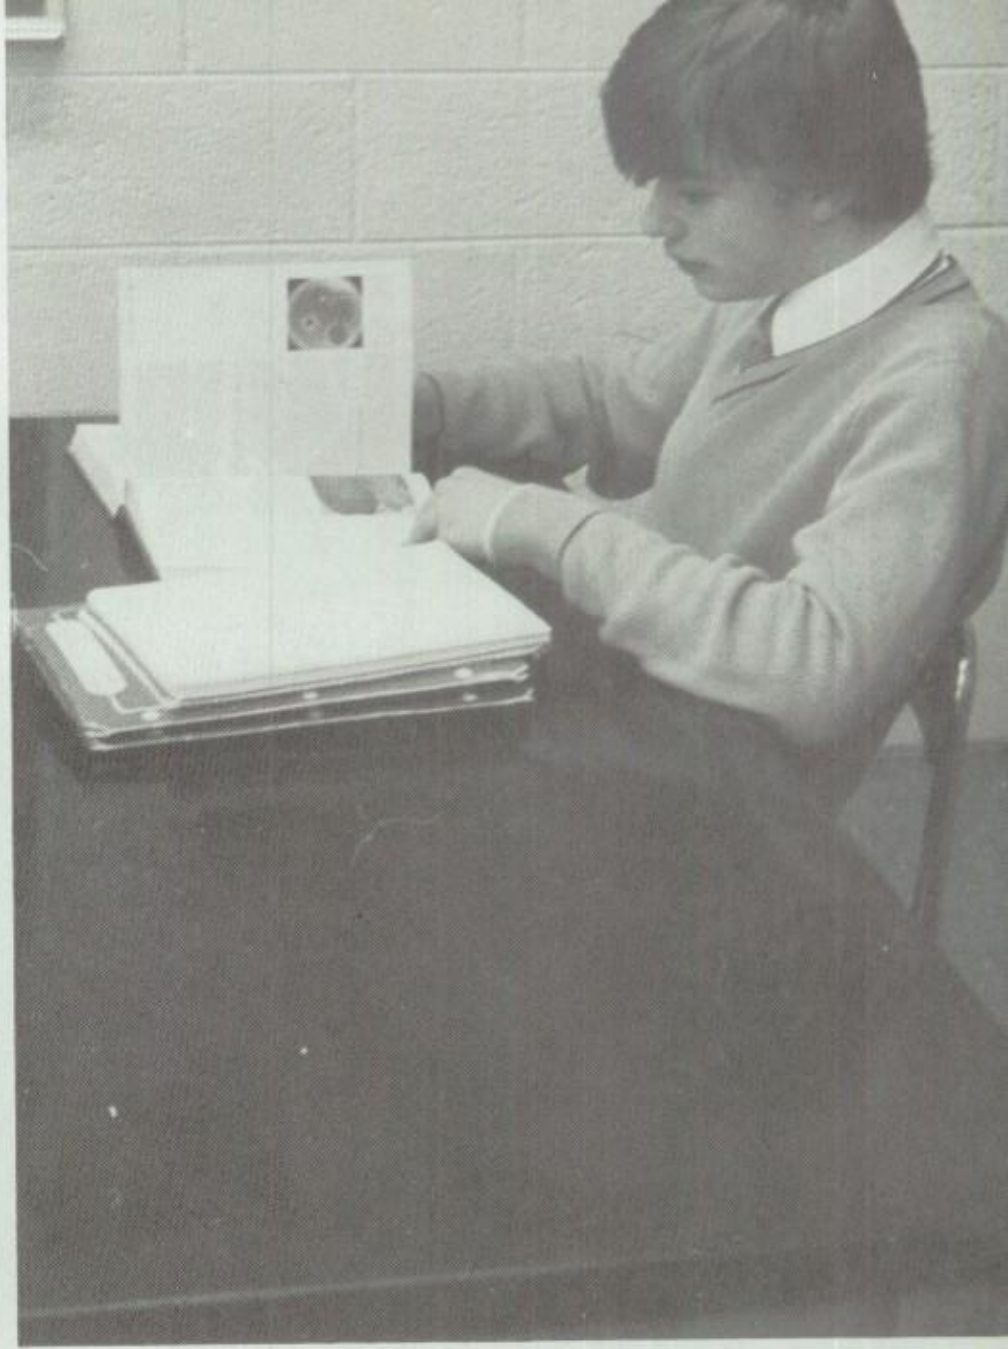

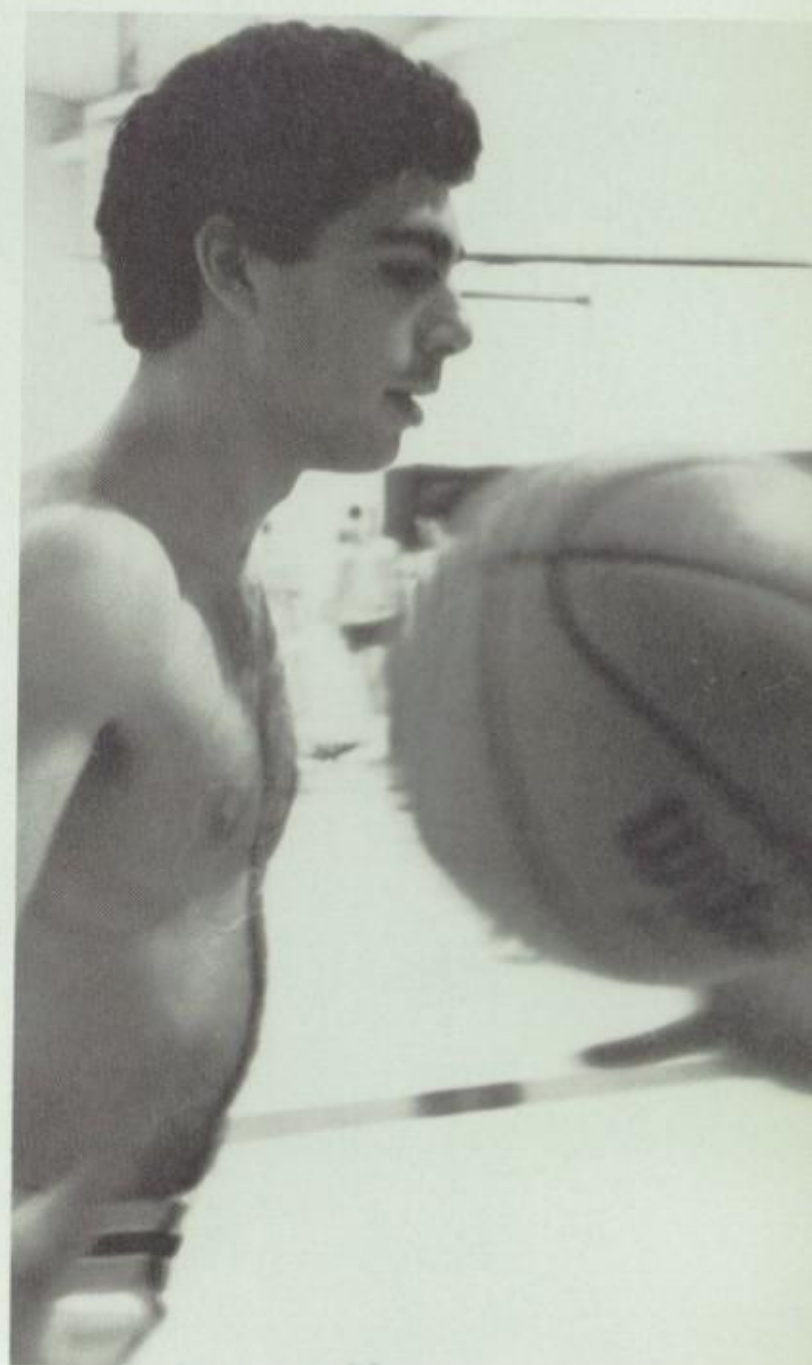

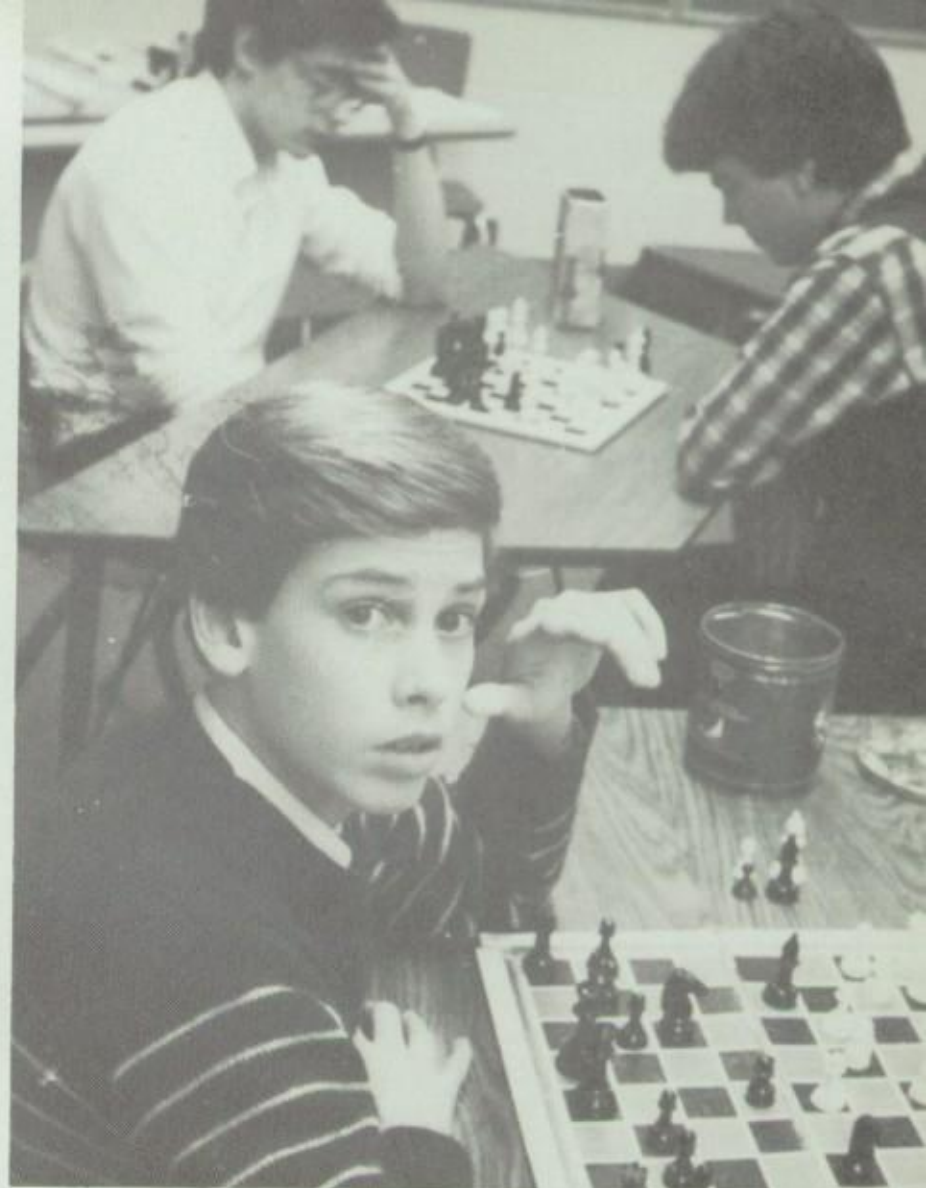

Just An Average Day At Rice

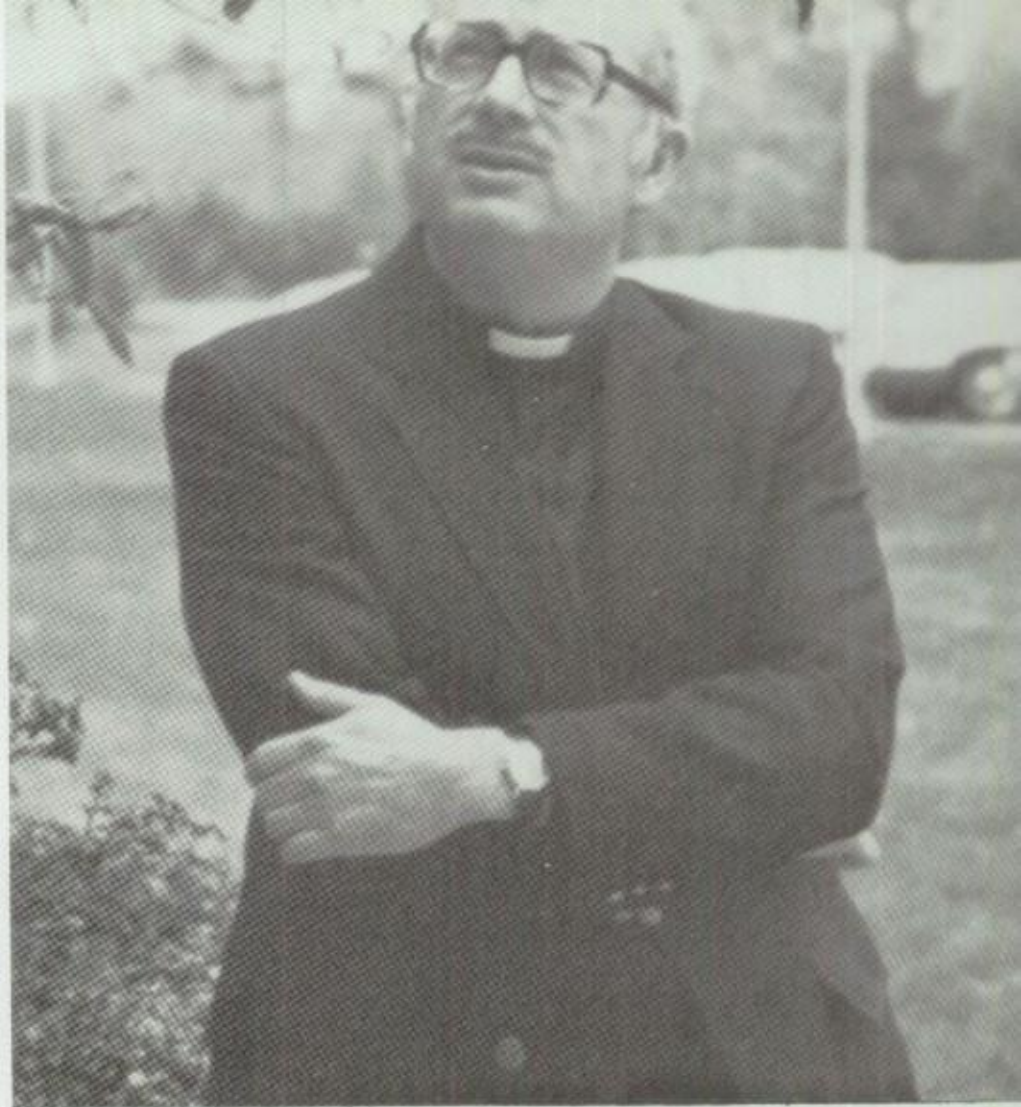

People Make It Happen

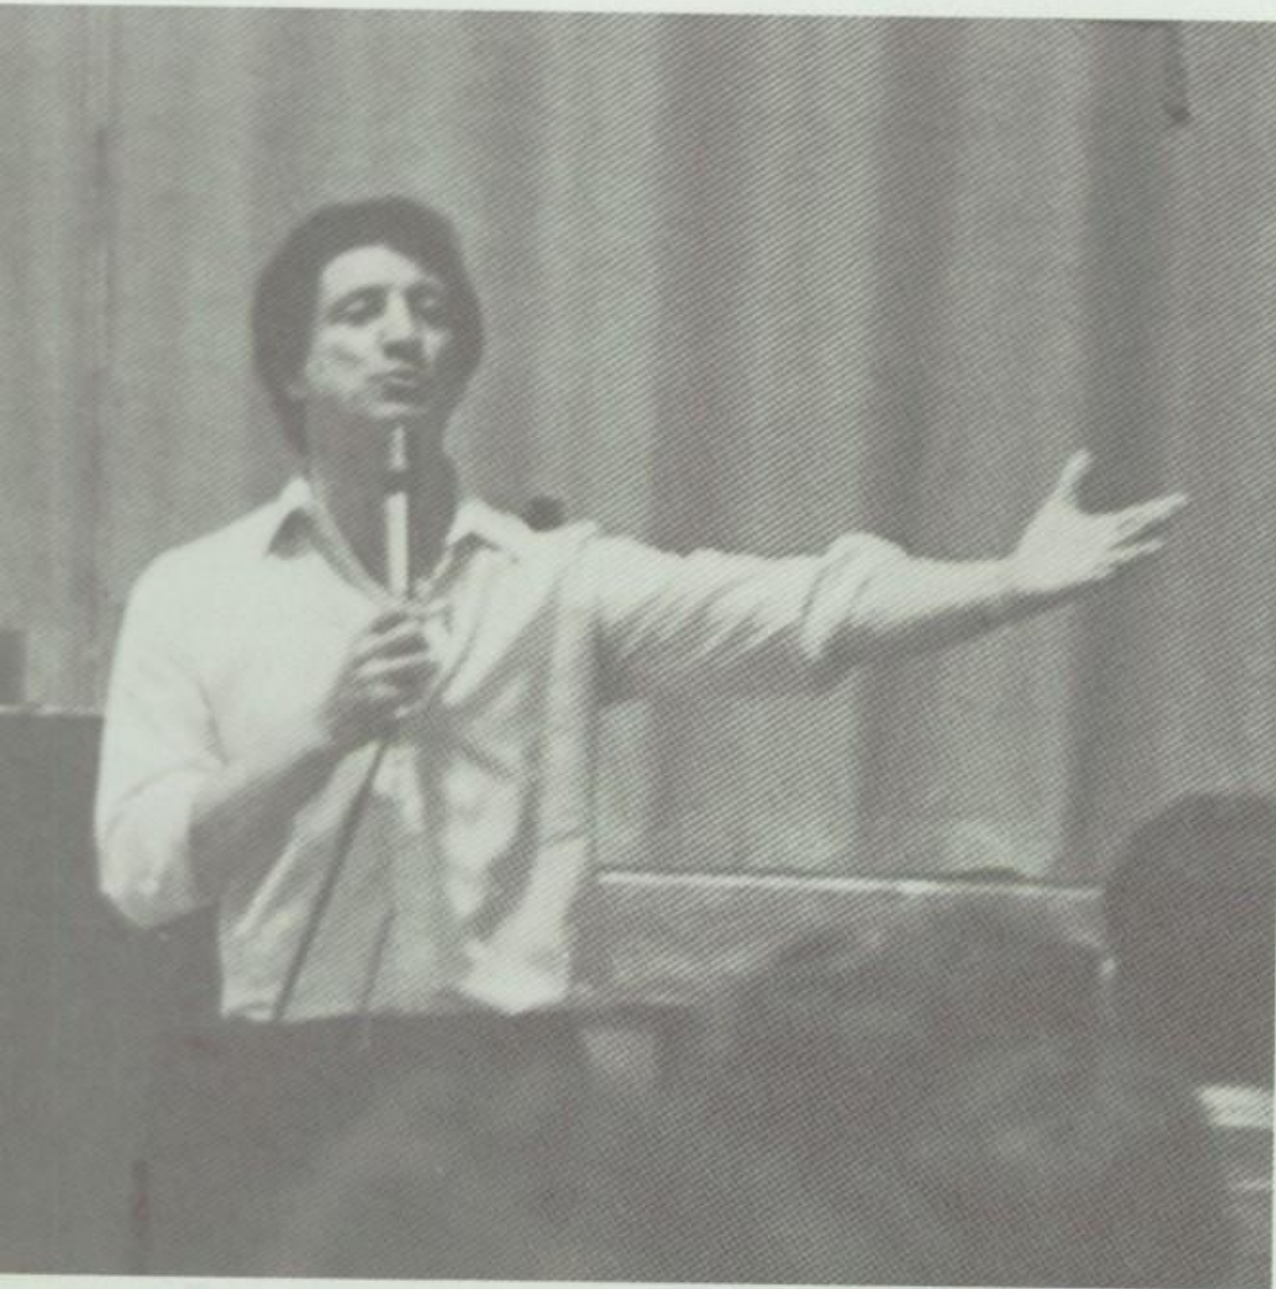

Four Brothers Celebrate Jubilee

This was a great spiritual year for four of our brothers here at Rice . . . These four brothers celebrated their silver jubilee. This jubilee marked twenty-five years of loyal and devoted work to the brotherhood. The four brothers, Br. McNerny, Br. McIntyre, Br. Wolf, Br. Gimaldi, have been beneficial assets to the community of Brother Rice. We would like to thank these brothers and complement them on their success an we hope the other brothers are as successful as these honorable four.

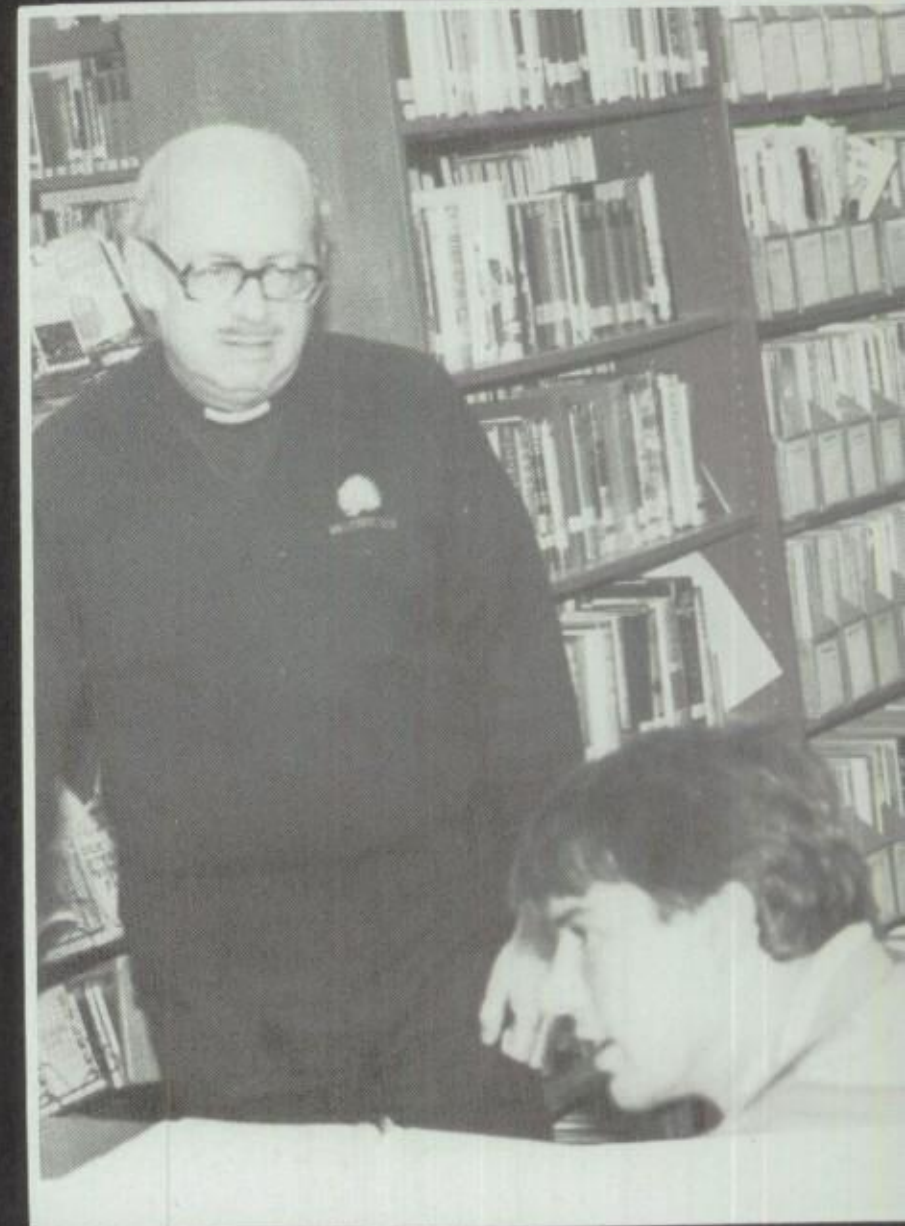

Toma

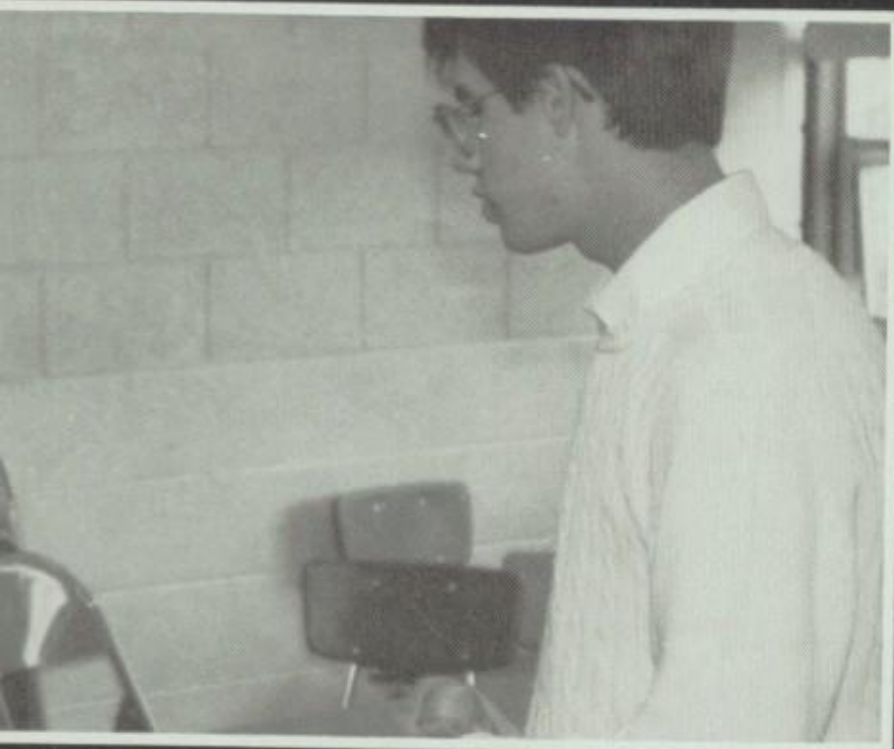

Toma tells it straight. David Toma is an ex-cop who has moved his war against drugs and alcohol from the streets to the schools. He travels around the nation telling kids about the dangers of substance abuse. This year, Brother Rice and Marian were fortunate enough to have Toma visit. It was a truly stunning and effective program. Toma riveted the attention of the Rice-Marian student body for over two hours. The day after he came back and offered counseling to the students. Toma makes miracles. He spoke to our student body, not at them, as many other programs fail to do.

ORGANIZATIONS

THE CHIEFTAIN

BROTHER RICE HIGH SCHOOL

BIRMINGHAM, MICHIGAN

The **Chieftain**, a cruising barge, was dispatched by Director-/Moderator **Marcel Gagnon** to sail down the river of information and wisdom. This decree came down on an auspicious spring day as bright as lemon fresh Joy.

The first action of that brilliant director was to appoint **Al Knapp** as manager/ editor-in-chief. Al had been working as a member of the crew for the previous two years. He increased the number of issues that were produced. The efficiency and organization of the paper were greatly improved, as was the quality. Exciting lay-out concepts were integrated with new literary ideas. Al kept the ship well oiled and cruising smoothly down the river of journalistic adventure.

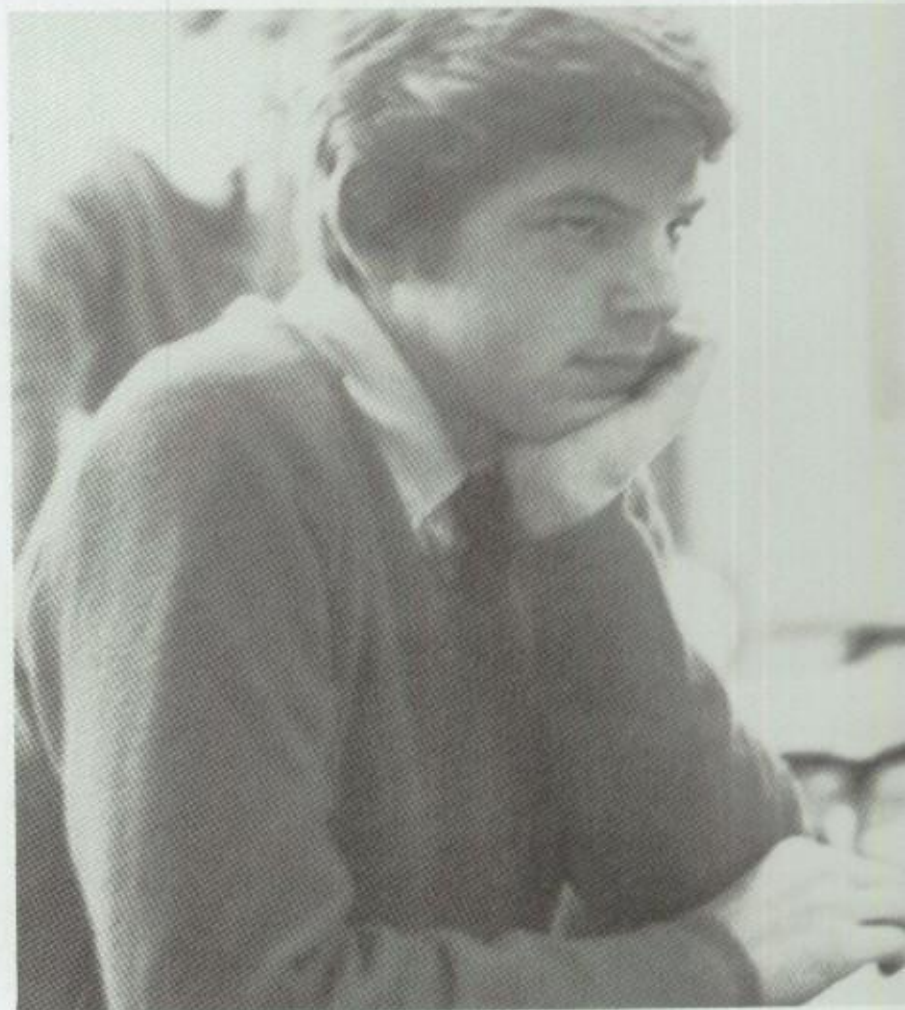

To aid Al in his tiresome journey, Al selected a top-notch crew from the local scum inhabiting the port. Since it was a Sunday when he arrived, he hurried to Church where he encountered **Bernie Lourim**. Bernie's "nose for news" netted him the esteemed position as purser/news editor. After Church, Al journeyed to the local tavern. He found the local philosopher, **P.G. Spicer**, surrounded by attentive students from the local public university. Monsieur Spicer signed on as bartender/opinion editor to help stimulate the thoughts of all who encountered the **Chieftain**.

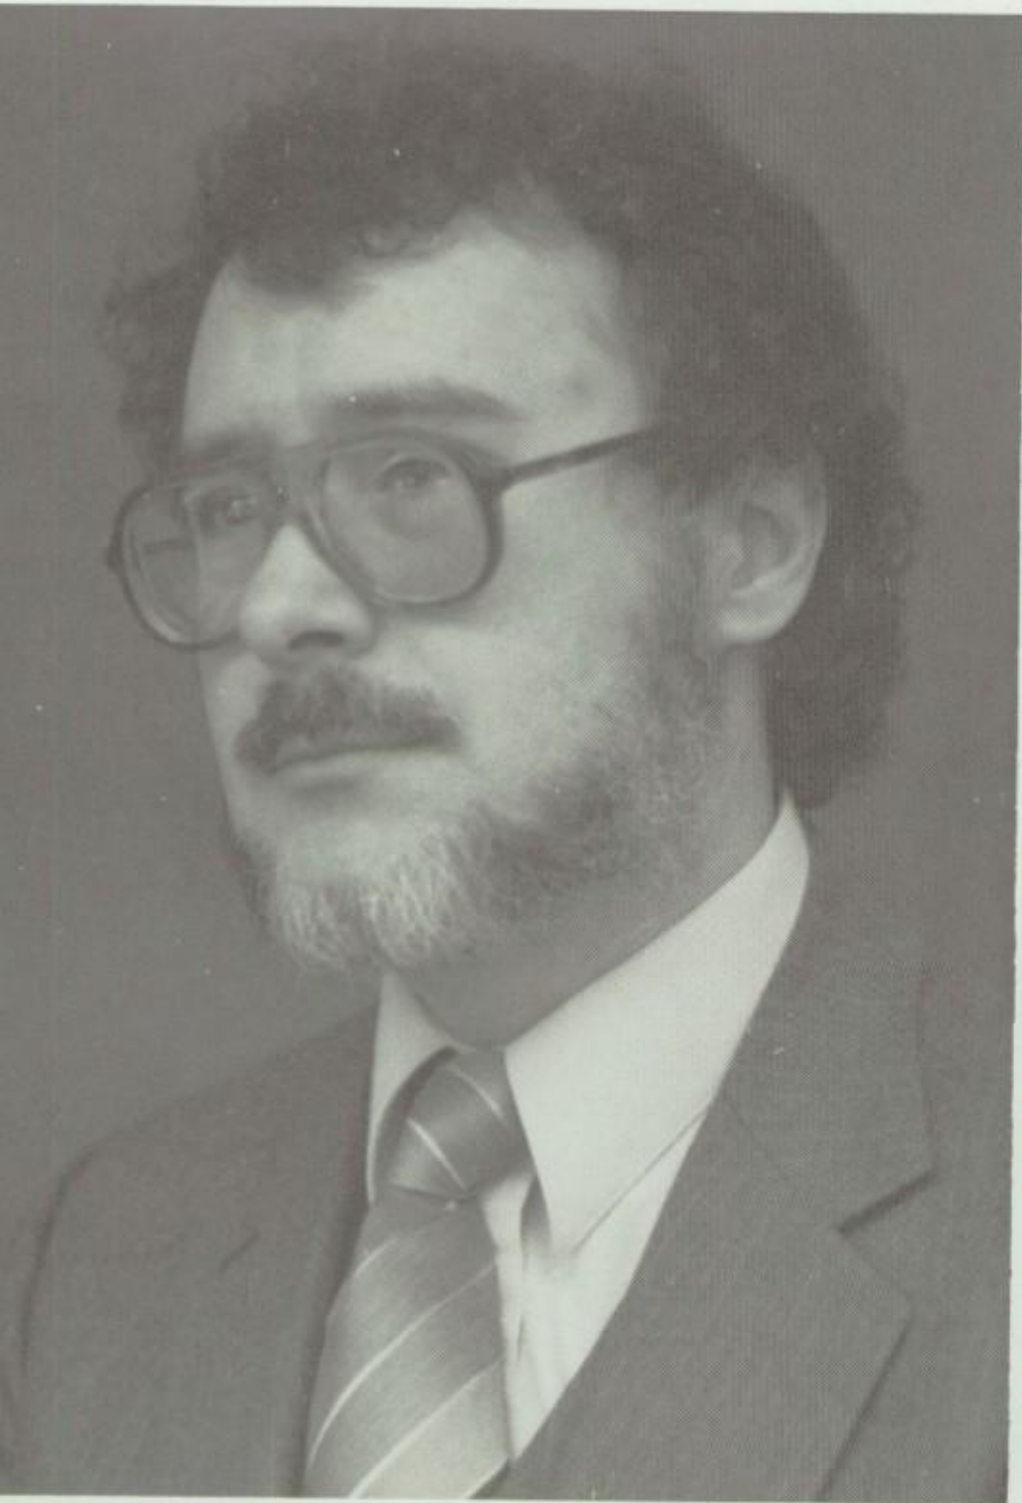

As the day progressed, Al took in several of the city's activities. He first observed a comedy with many unique persons as participants. Among the cast, Al discovered **Mike Nolan** and **Dan Cahill**. Though difficult to control at times because of their rambunctious nature, Mike and Dan were interesting cruise directors/feature editors. The final member of the literary staff was found at a local hockey rink. His expertise with the pen, and the puck, impressed Al immensely. **Justin Doherty** thus became athletic adviser/sports editor. At times, **Bill Bowen** came aboard to draw lovely maps as navigator/graphics editor.

Menial duties on the **Chieftain** were delegated to a staff of competent writers. **Mike Wiater**, **Jim Ryan**, **John Konno**, and **Art Lewis** were a few of the above deck writers who covered the news. **Fil Sapienza** and **Andy Brownfield** worked below deck to compose interesting articles. Sports writers included **Paul De Porre**, **Skip Dessert**, and **Joe Schwartz**. This general staff kept the **Chieftain** afloat.

A major physical improvement in the **Chieftain** was the new office it received in Old Monastery Hall. This allowed the staff to function more smoothly. Mr. Gagnon had worked on the room during the summer to guarantee its completion.

The 1983-84 **Chieftain** cruise was an exciting tract that led its voyagers into the heart of the truth.

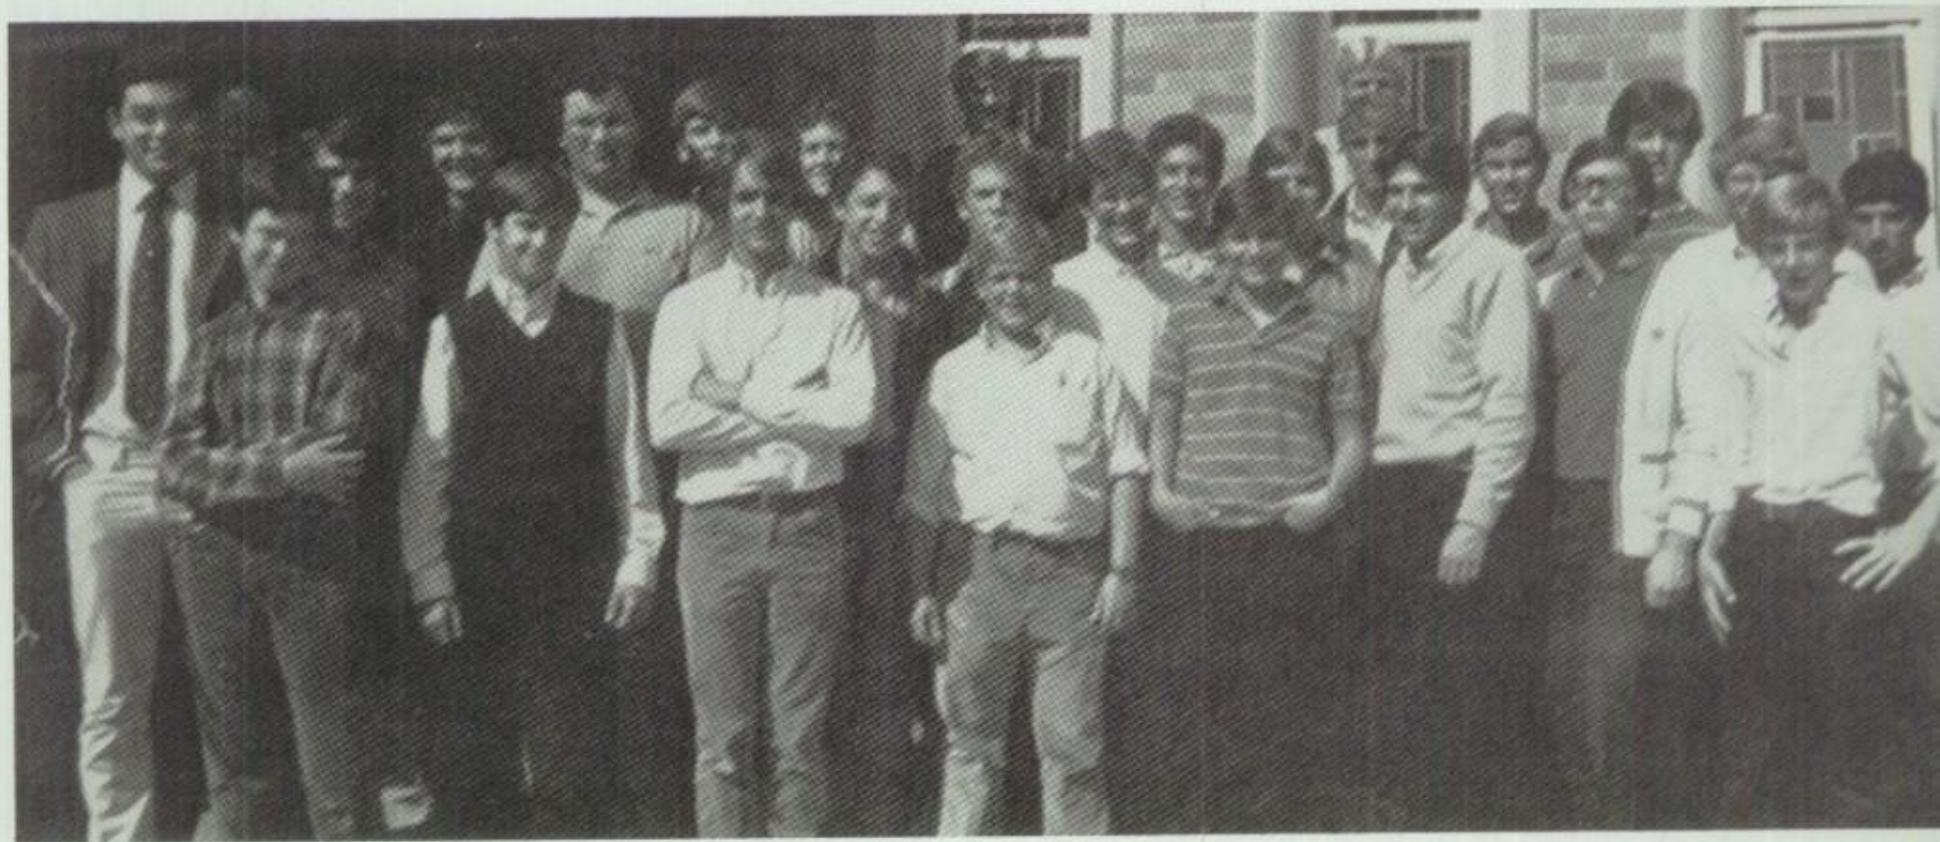

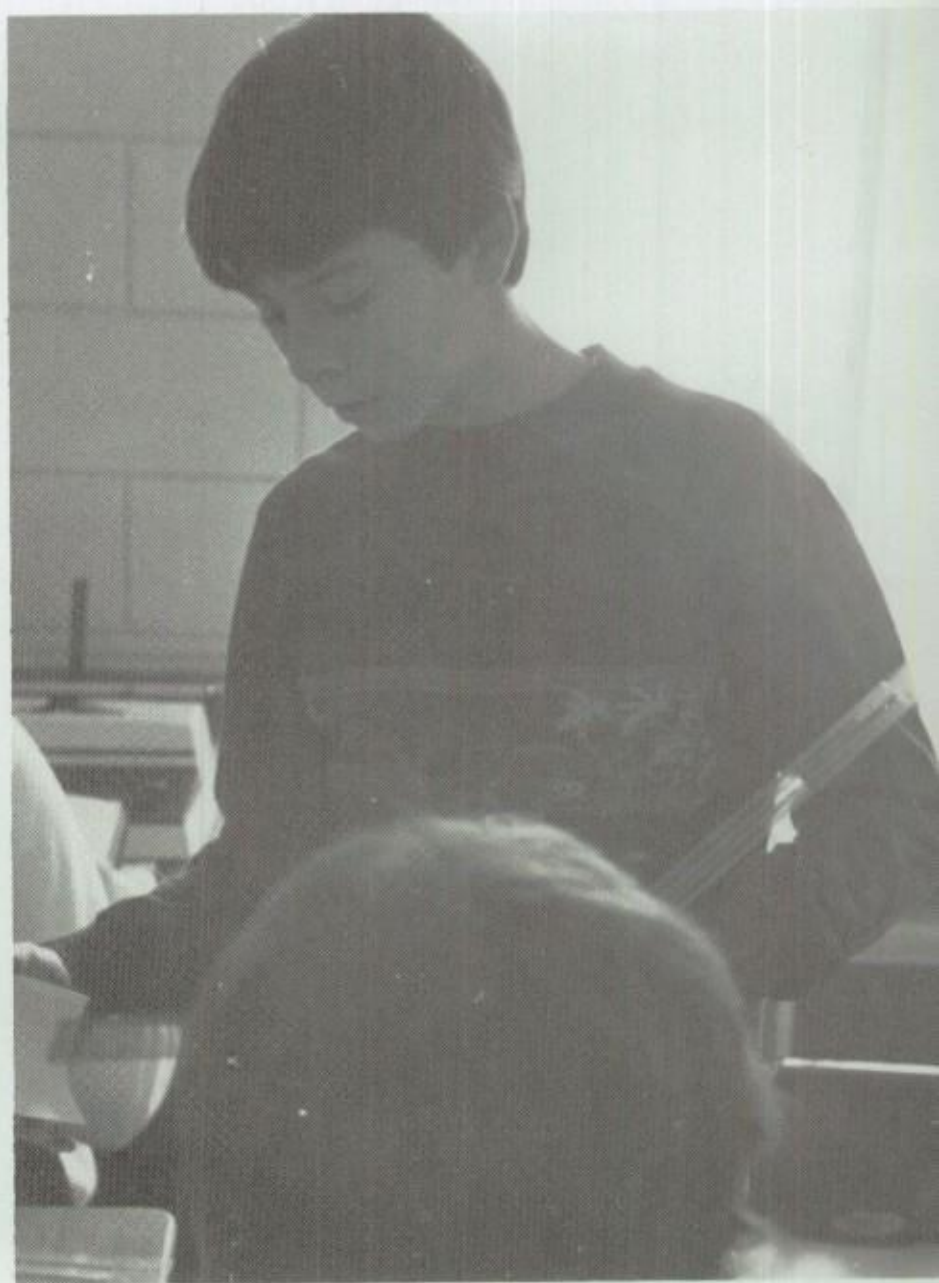

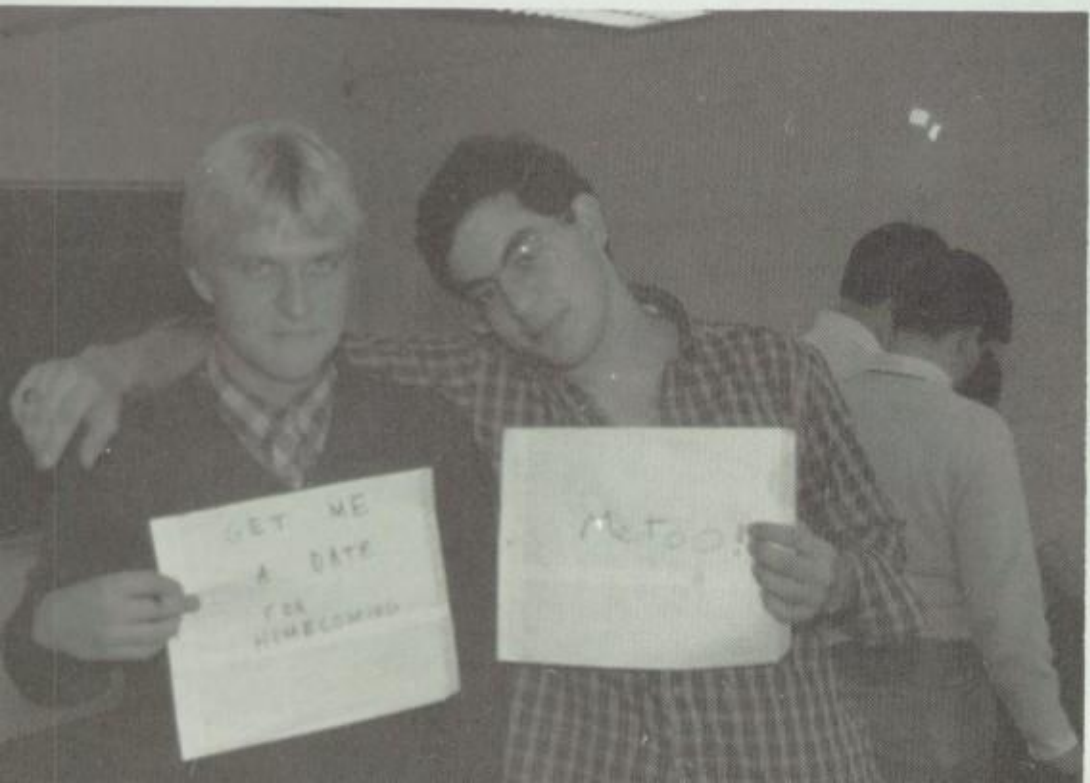

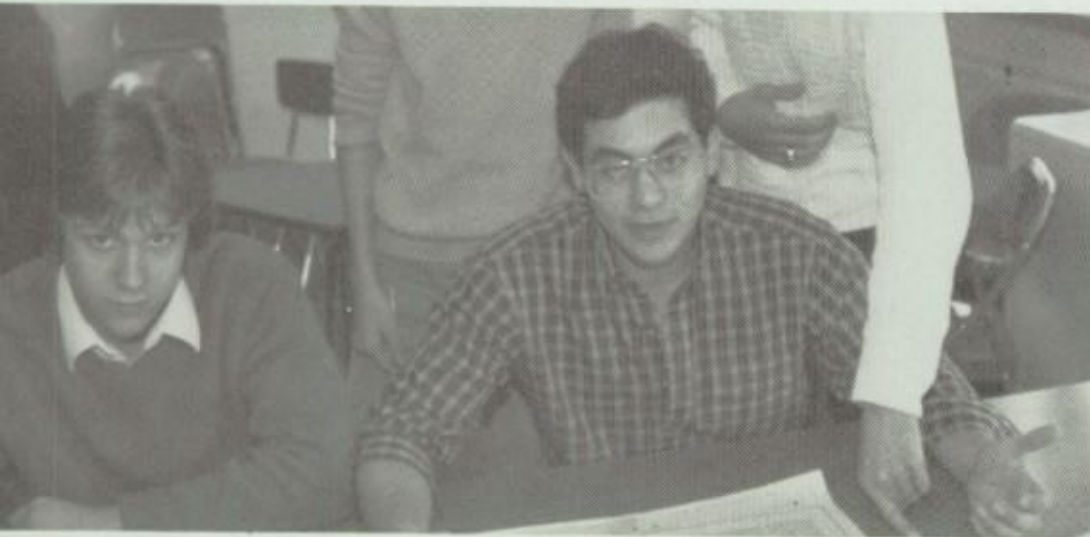

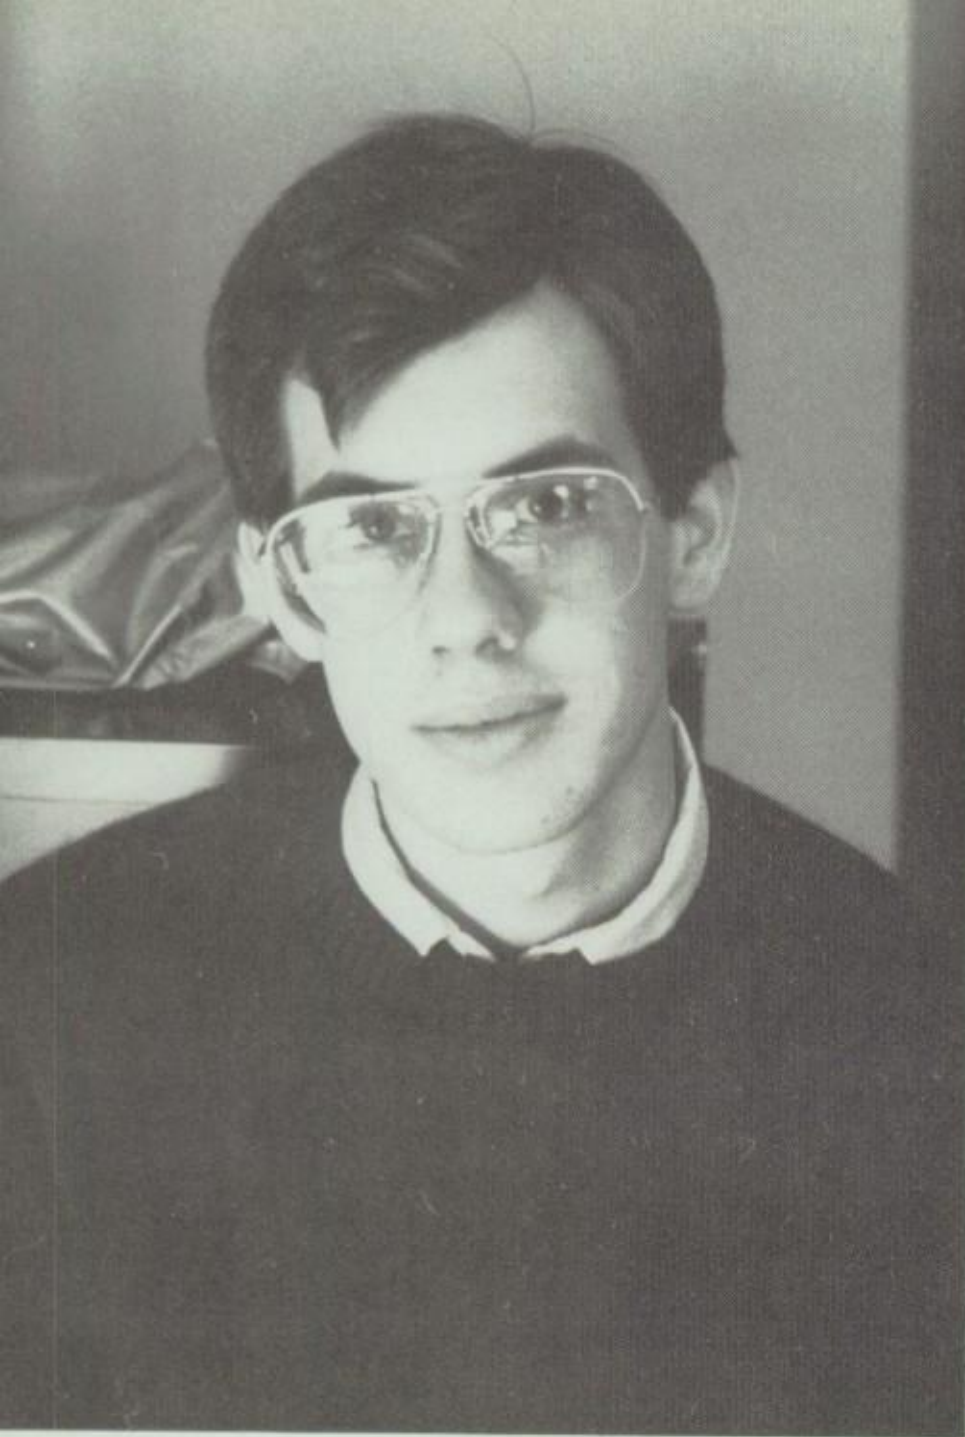

The Quest

Once again, the yearbook staff started working on volume twenty of the Quest in early September. With the help of the new moderator, Br. McGovern, the staff was well on its way to completing the yearbook on time by early November.

With the diligent work of Editors-in-Chief Tom Desmond and John Wickett, the fifteen member staff put together one of the best editions of the Quest yet. With the experience of such veterans as Joe O'Brian, Chris Steffen, Rob Iorio, Bernie Gburek as well the fresh ideas of rookie Mike Sommerfeld, the staff has assembled a book to be proud of.

Debaters Fare Well

The 1983-1984 Brother Rice Debate team had a great season this year. They participated in competitions interstate and as far as North Carolina.

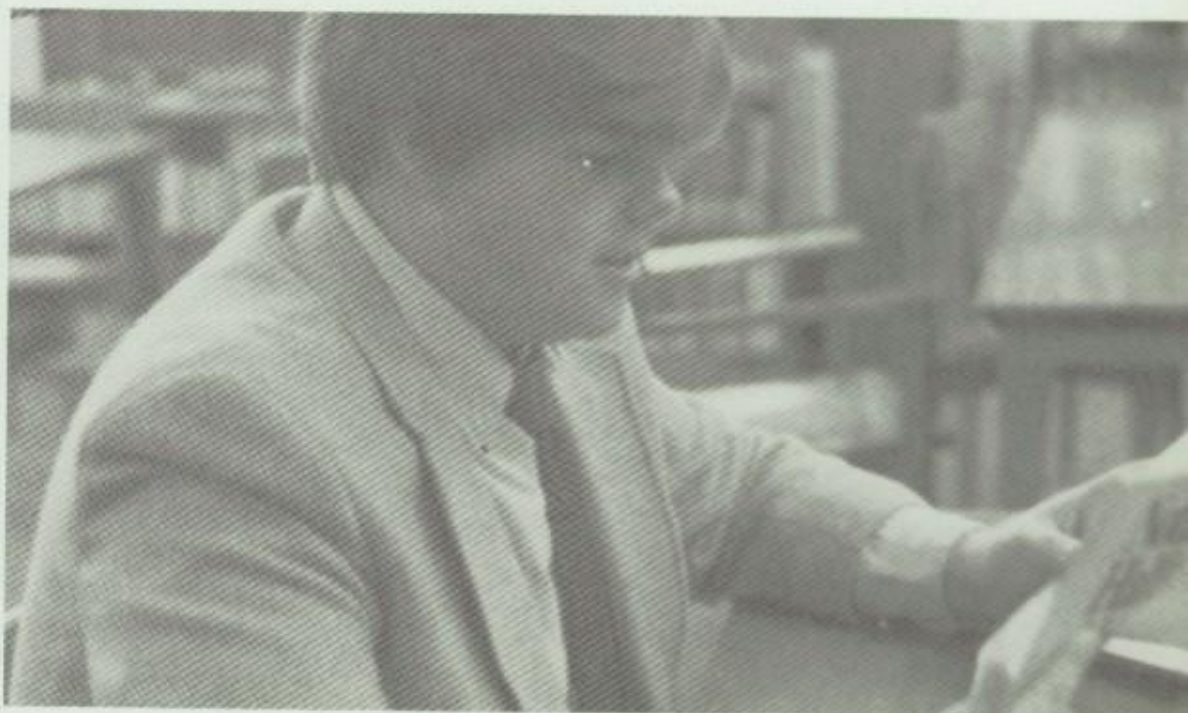

The team was lead by coach Mr. Gerald Bluhm and its dominating team members were Al Knapp, Paul Spicer, Bernie Lourim and Skip Weber. These students will be greatly missed next year after they all graduate.

Forensics Meet With Success

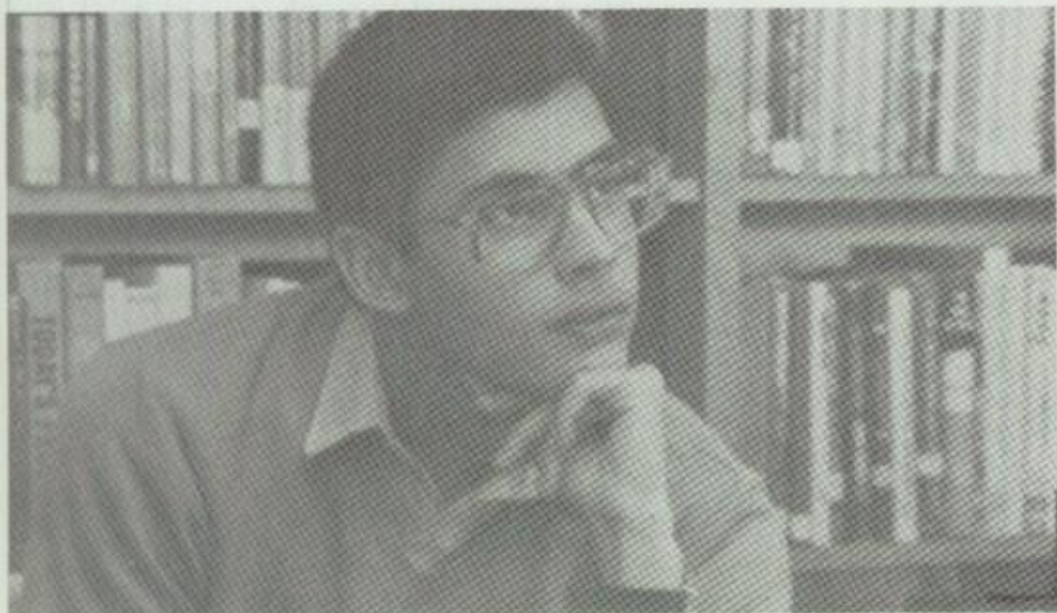

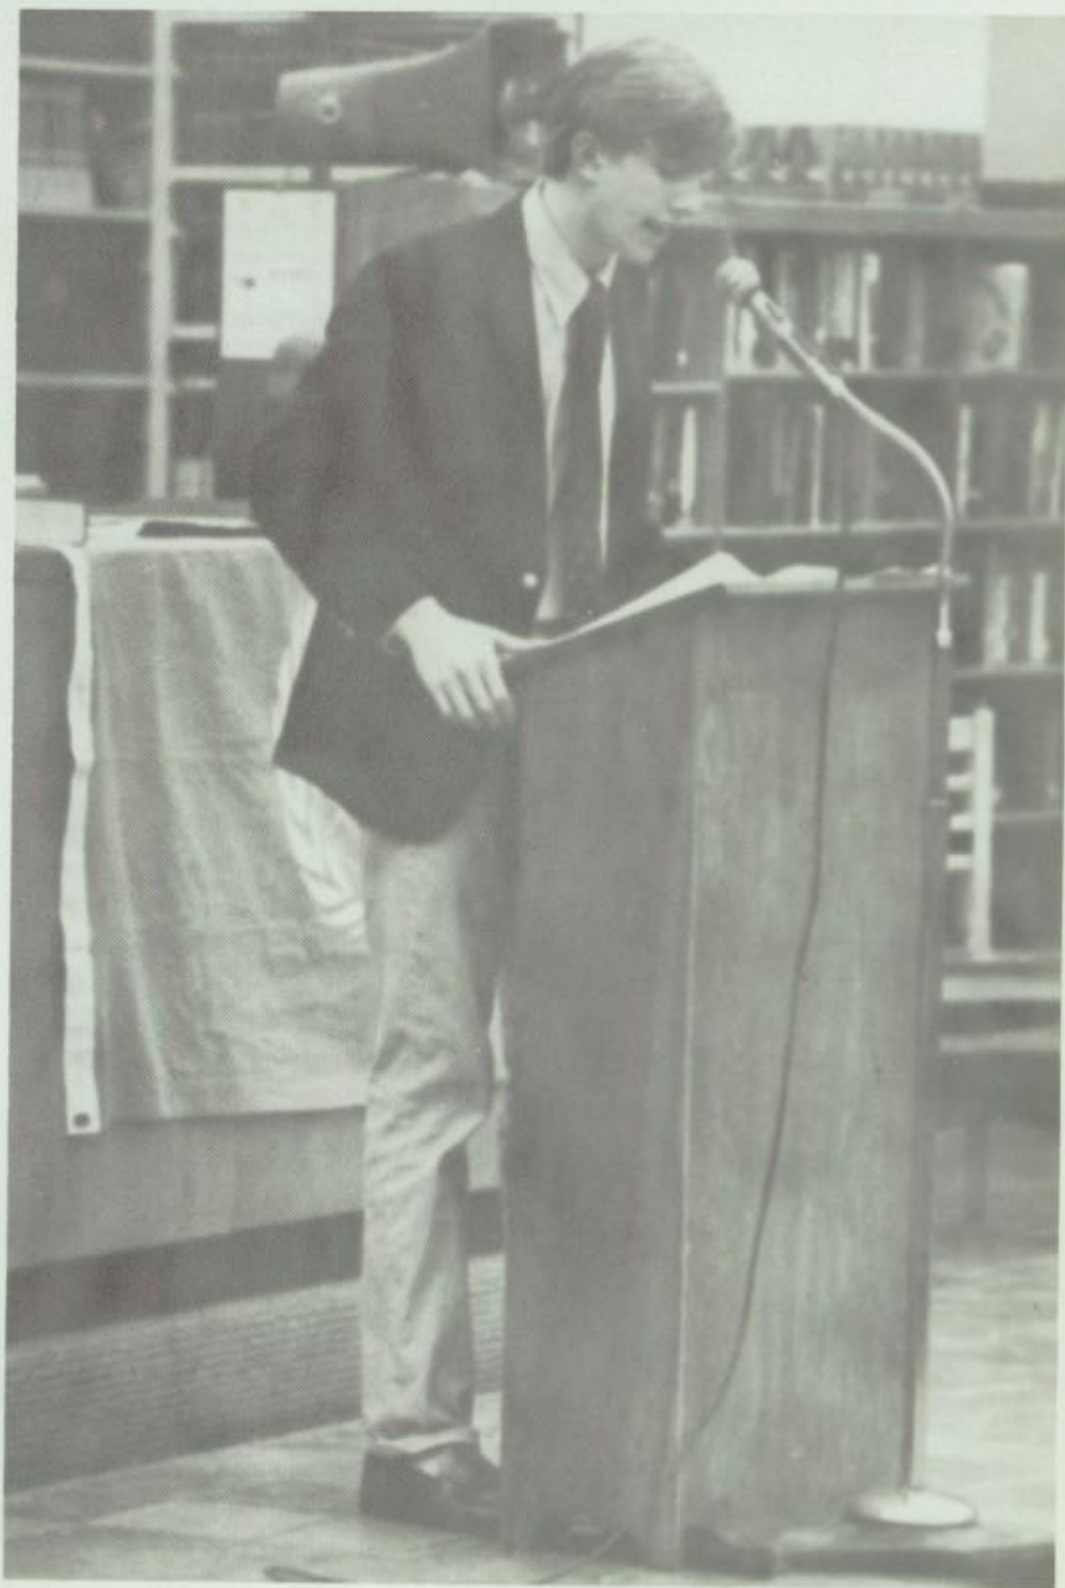

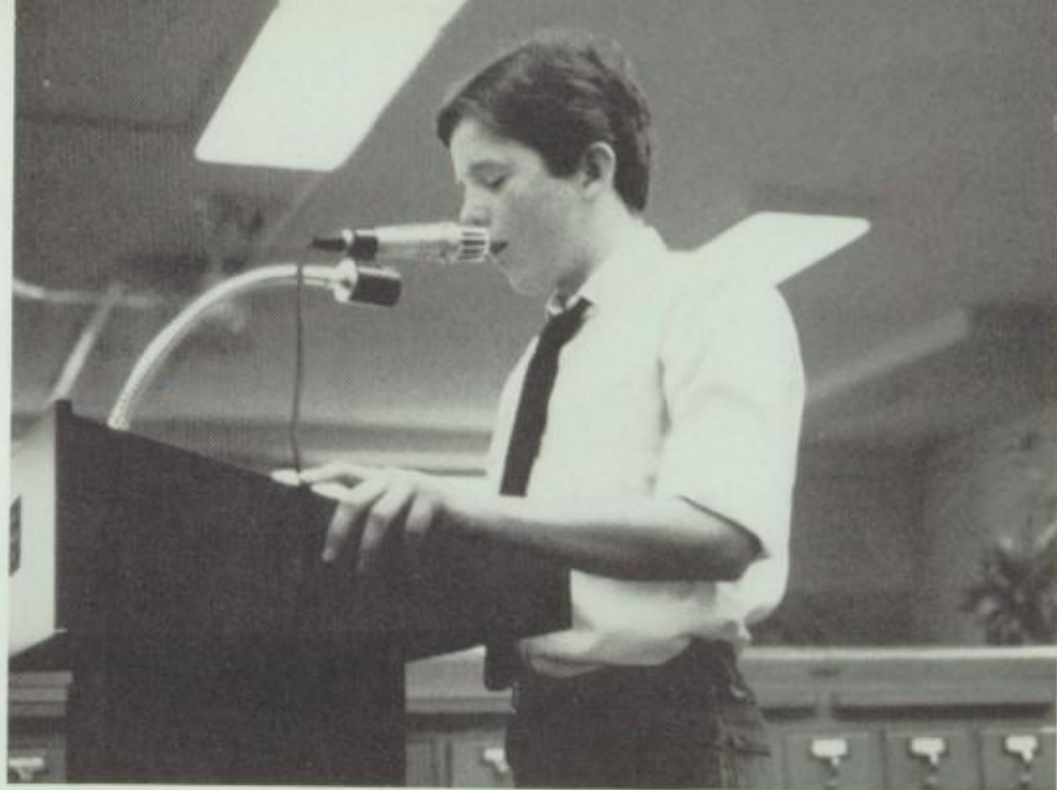

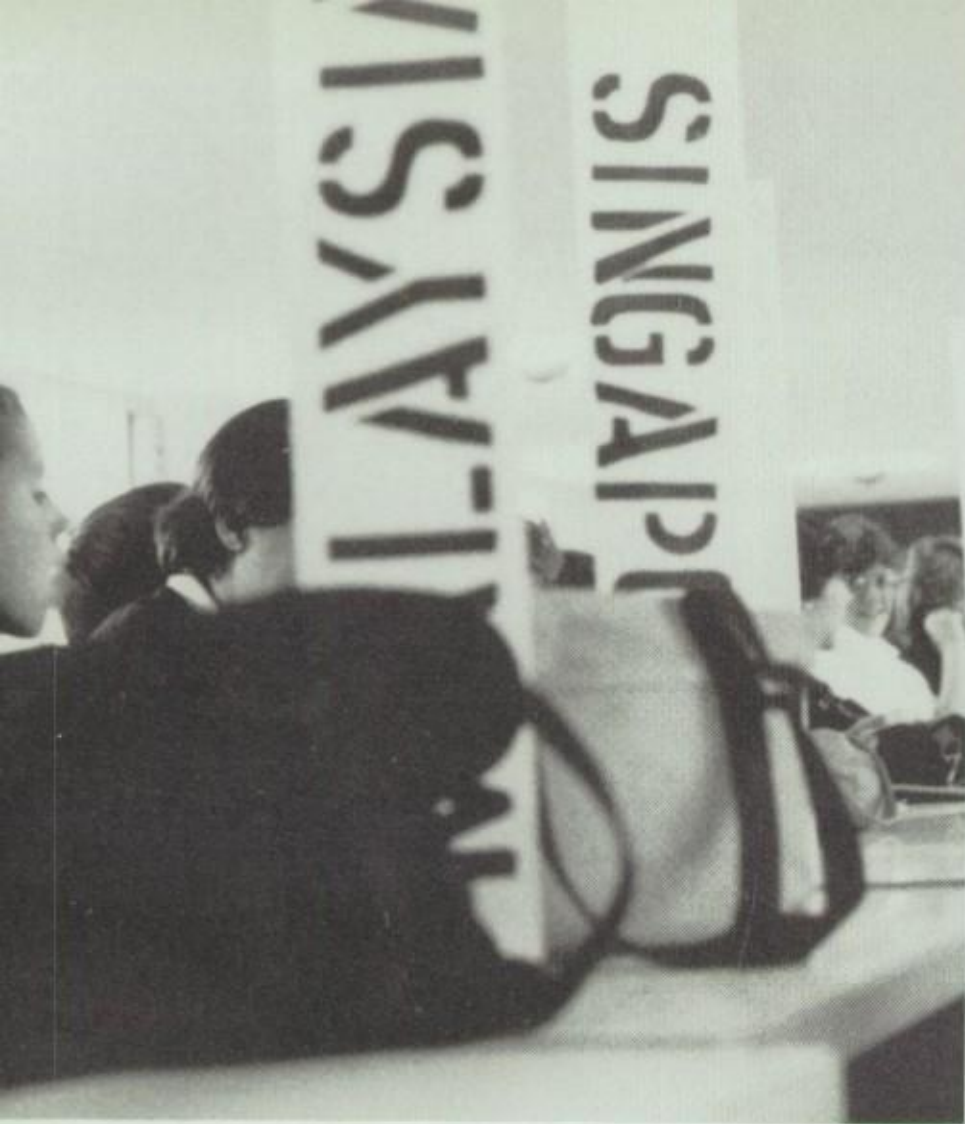

Brother Rice had a strong year in Forensics. Most of the members of the Debate team doubled as members of the Forensics team. Impromptu speaking and interpretative events were just some of the activities that the Forensics team was involved in this year. Like the Debaters, many seniors will be leaving the Forensics squad although the underclassmen involved play major parts in the Forensics team.

M.U.N. Solves World Problems

Once again the Marian Model United Senate proved to be a tremendous success. The Rice delegates managed to represent effectively their assigned nation and to deliver prepared speeches. Three committees were used this year - Political & Military, Economic, and Social & Humanitarian. Because of their fine output in Michigan, certain MUNers went to Washington D.C. in February to display their skills.

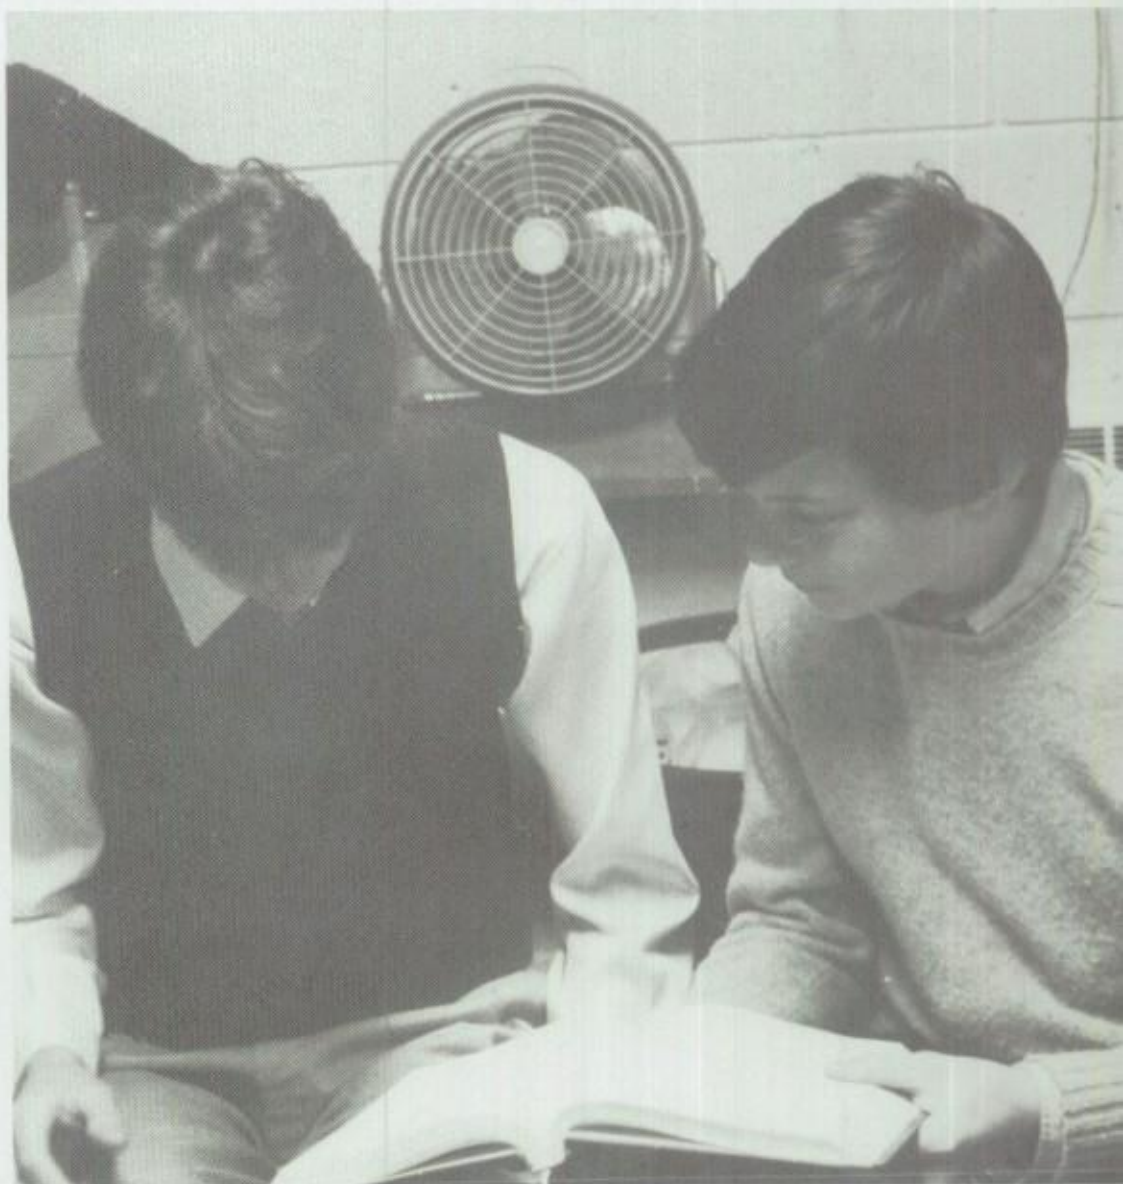

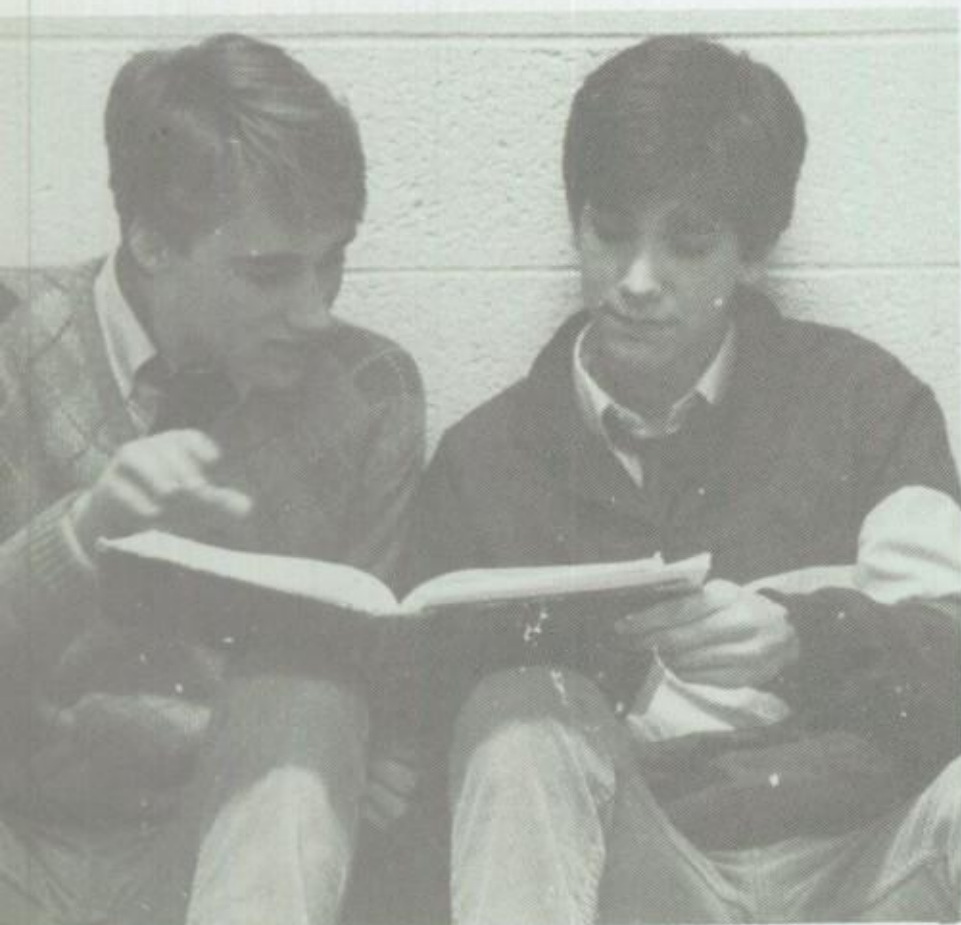

N.H.S., A Foundation Of Leadership

The Aquinas Chapter of the National Honor Society at Brother Rice High School started the school year with 65 Junior and Senior Members. The officers for the 1983-84 school year are: President: David Cowden, Vice-President: Peter Abowd, Senior Member-at-Large: Dan Cahill, Junior Member-at-Large: Chris Plunkett. The NHS is a service organization whose members qualify on the basis of scholarship, service, leadership, and character. Members must have a cumulative grade point average of 3.2+ in order to qualify for membership. Their average cannot fall below that during the duration of their membership or they forfeit membership. Prospective new members are sent a letter in the fall of the year informing them of their eligibility. They must write a letter of acceptance telling of their desire to belong and the activities they participate in at school, church or community. These students are voted upon by the faculty and staff. An Induction Ceremony is held in November for new members.

The major job of the members is to tutor and provide assistance to students having difficulties in any subject. They also serve at the Mother's Club Hospitality Tea, Open House, the 8th grade placement test, Irish Night and other school functions. The National Honor Society's function is to serve in whatever capacity it is called upon.

The moderator of the National Honor Society is Mr. Michael J. Hoch.

Student Council Offers Charismatic Leadership

The 1984 Student Council jumped off to a good start by arranging and expanding field day. President Greg Barron, Treasurer Dan Cahill, and Secretary Joe Schwartz led the loose array of members exceedingly well.

Guided by the experienced moderator, Brother David (Duke) MacIntyre, the Student Council proved to be both energetic and competent. These characteristics were displayed in their meetings as well as their sponsored events. The 1984 Student Council, once again, set out and accomplished its main objective, to lead and unite the Brother Rice student body with pride and charisma.

Pep Club Cheers Rice To Victory

Again this year, the Brother Rice Pep Club tried their best to get fans to cheer on their favorite Rice teams, especially the awesome Varsity football team. This year, the Pep Club included seasoned veteran Dixon Kane, and senior rookies; Pat Schafer, Murph Callahan, Doug Reilly, and Pat Brooks, as the warrior. The group united fast, and sounded as if they had been practicing for years. They mastered all the Rice cheers, including the famed "Boom-Boom-Chug-a-Lug", which became a favorite of the fine boys on the opposite page. As the warrior, Pat Brooks performed the "Rain Dance" with an ultimate level of perfection, but added flips and various other gymnastic maneuvers, that any competent Rice fan would never think of doing. The Pep Club of 83-84, can always be proud of their truly magnificent cheering. Boom-Boom ...

Who, what, where, when, and how is the Brother Rice Pep Band, was finally answered this year as the mighty Sinatra powered BRPB after three years of hard work, unveiled the awesome power they have always wanted to unleash. Under the loving and watchfull eye of senior Robert Iorio, the pep band flourished into the mature legitimate group they have always prayed to become. Many thanks must go to pep band evangelist Jason Pak, who spread the word of the BRPB to various medical journals and religious affiliations.

The 83-84 pep band will never forget their trip to the Cleveland-like city of Muskegon, Mi, or their award winning personalized imitation radiation suits. Overall it was a crazy successful year, that was not muted by the slight lack of perfection that pervaded every performance. Confidently, years from now, the 19 member Brother Rice Pep Band of 83-84 can say with pride, "We did it our way with 'My Way' and don't you forget it"

Strong And Healthy, The Band Plays On

The Brother Rice Marching Warriors of 1983-84 helped get Mr. Zarzycki one step closer to the ultimate level of perfection he has always strove for in his past five years of teaching at Rice. An influx of freshman boosted the band's size and sound. The latter being evident when the band cranked out such hits as Beat It and Maneater which were directed by Drum Majors Mr. Steve Girouard and Ms. Jane Lewis. Mrs. Donna Frendo took the vacant job of drill team moderator. With the help of drill team captain Kelly Fitzgibbons, and choreographers Karen Juroff and Sue Levarsky, she coached the drill team through another year of intricate flag and dance routines. Overall it was a year for all to be proud of.

The Halls Are Alive With The Sound Of Music

The Rice-Marian vocal department, headed by Sr. Maria Theresa Magrie, I.H.M., enables every student at Rice to find a facet of music to satisfy his need for expression in this field.

Advanced Choral and Choral 1 are taught during school while K-Choral, Chamber, Madrigals and three show choirs are taught after school. Public performances result from months of class work and practice. A Christmas and spring concert is given each year along with numerous public performances outside school. Singing at malls, convalescent homes, luncheons, the Silverdome and the open house for in-coming 8th graders is a constant reminder to the community that "The halls are alive with the sound of music."

Also, private lessons in piano and in voice meet the needs of potential musicians.

Rice-Marian Players Create A Purley Professional Atmosphere

This Fall the 1983-84 Rice-Marian Players performed the play "You Can't Take It With You." This talented troupe of actors included Seniors Pat Brooks, Bill Roberts, and Paul Hewitt from Rice and Seniors Patty Schramm and Laurie Shea and Junior Katie Northrup from Marian. The basic storyline theme to the play was the reconciliation of the fact that two people from completely two different backgrounds are capable of leading a perfectly normal and healthy relationship for the rest of their lives.

Computers, The Trend Of The 80's

The computer club is a beneficial organization that allows computer enthusiasts to tone their cognitive skills. Moderators Tony Sincic and Paul Gray mold their computer students into sharp, rational minded young men. With their leadership, members of this highly intellectual contingent devise mind-boggling programs that enable users to accomplish many different goals. This club does not just supplement the voracious appetite of hungry computer styl-ists, but it allows one to get acquainted with the "mode of the future."

Chess Team Check Mate Adverseries

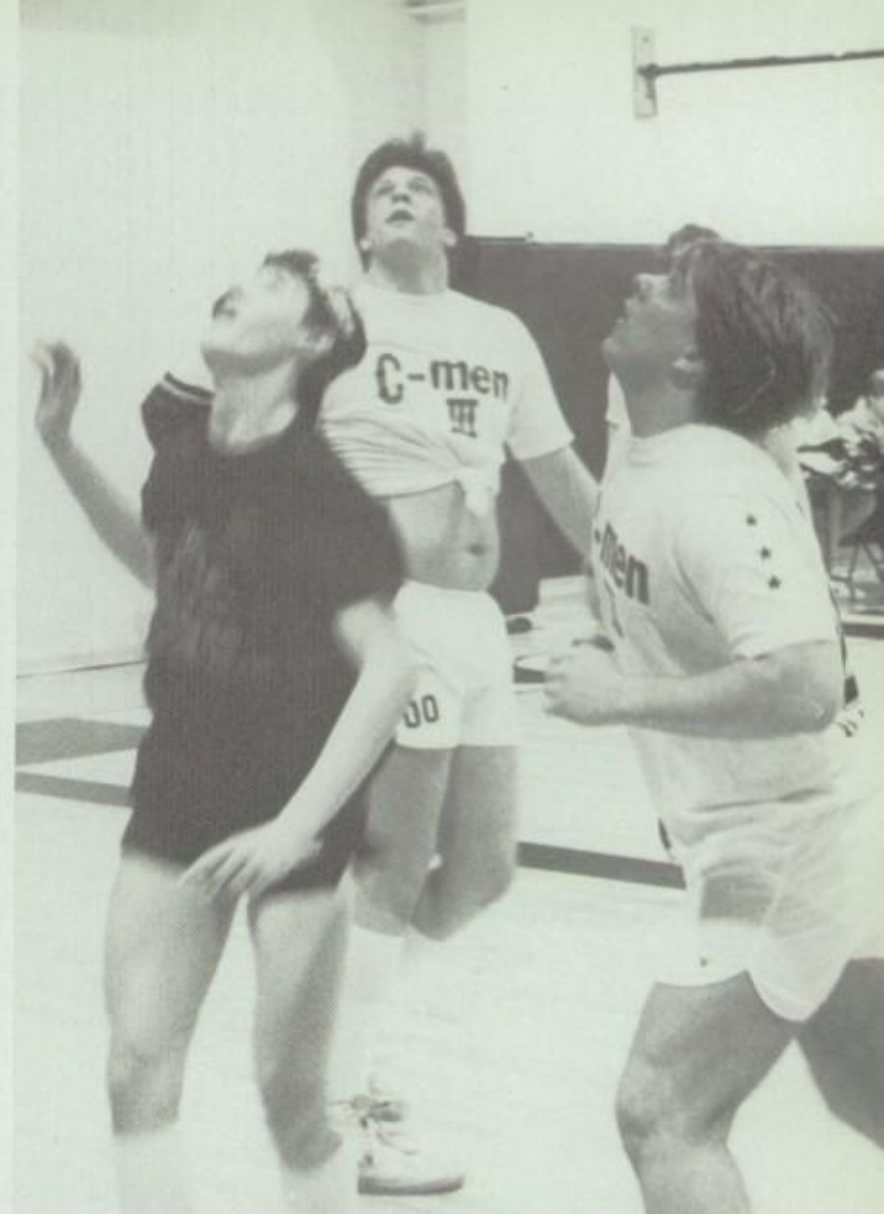

Chess is a very strategic game that requires skill, patience, and intelligence. The Brother Rice Chess Team has excellent players that have these qualities. This is one of the many reasons that they are so successful. Success must be earned and the chess team earns their success very well by playing many difficult opponents during the year. These matches are set up by the moderator, Mr. Gray. The players play each other for rankings and the top six travel to other schools to play matches against them.

Intramurals (Community Of Faith Goes Athletic)

Intramural sports don't have any box scores or bring the school a state championship. There aren't crowds of several thousand or games played at the Silverdome. The newspapers aren't told of the scores. The students of this school don't even know who has won or lost or who is the best player in each sport besides the few people who happen to browse across the intramural board. But there are a lot of things that Rice's I.M. program has to offer. Anybody can play, there isn't a cut or limit to the number of students that can participate. The students don't have to be the best in the state in order to play. The ironic point of I.M. is that there is often more competition per sport in the I.M. program than one might encounter in some of the inter-school sports. There is so much involvement that almost every evening the gym is taken for I.M. basketball. A special thanks is in order to the intramural moderator Brother Koppes for all of his time and effort that he puts in to make this program.

Dad's Club Lends A Hand

The Brother Rice Dads Club is a support organization that seeks to assist the school implementing its aim to educate the whole man. With the goal of assisting in academic, spiritual, social and athletic growth in each student, the Brother Rice Dads Club is implementing programs to accomplish that end. In assisting academic growth, the Dads Club sponsors a career awareness committee and assists in supporting the honors program for all students. The Dads Club sponsors a Communion Breakfast in order to assist in advancing the spiritual relationship between each dad and his son. As far as assisting with social life, the Dads Club assists in the sponsoring of programs that lend themselves to the development of the social life of each young man at Brother Rice. It does so by assisting in the promotion of athletics, ushering at all football and basketball contests and raising money for other sports at the school. The Club is involved in the Prep Kick Off Classic and, most important, the Dads Club Golf Tournament.

The Brother Rice Dads Club in addition maintains a fund to pay the cost of education for any student at Brother Rice whose father dies while he is a student at Brother Rice.

In summary, the Dads Club is a vital function of the school and its activities greatly assist in making Brother Rice the outstanding institution that it is.

Mothers Show Support

The Mothers Club at Brother Rice strives to promote the best interests of Brother Rice High School. Through a variety of endeavors the Mothers Club tries to foster of spirit of togetherness within the Brother Rice family.

The club's existence is based solely on fulfilling the many needs of Brother Rice. They publish a Student Directory, assist the office staff, help in the library and provide refreshments and chaperones for most school functions. Additionally, they sponsor several social events throughout the school year and all are designed to promote a feeling of friendship within the Brother Rice community. The Hospitality Tea, the New Parents' Party, the Mother-Son Get Together and the Spring Luncheon are but a few of the annual events. Fundraising events include the annual St. Patrick's Scholarship Luncheon and the Irish Nite Auction.

Participation in the Mothers Club is high and is the key to their success. Brother Rice mothers find that involvement in School activities is a good way to share in their son's education. Love is the important thread that runs through all of the Mothers Club's efforts. The thread that strengthens the fabric of the Brother Rice Community of Faith.

Irish Night Is A Huge Success!

Each year, the major fundraiser and social event at Brother Rice is the Irish Night Auction. Using the theme "Irish Night Goes Oscar" this year's program was changed significantly to include a preview on Friday and a gourmet dinner at Saturday's auction. It was also the most successful Irish Night selling more gifts, having more people in attendance and raising more money than ever before.

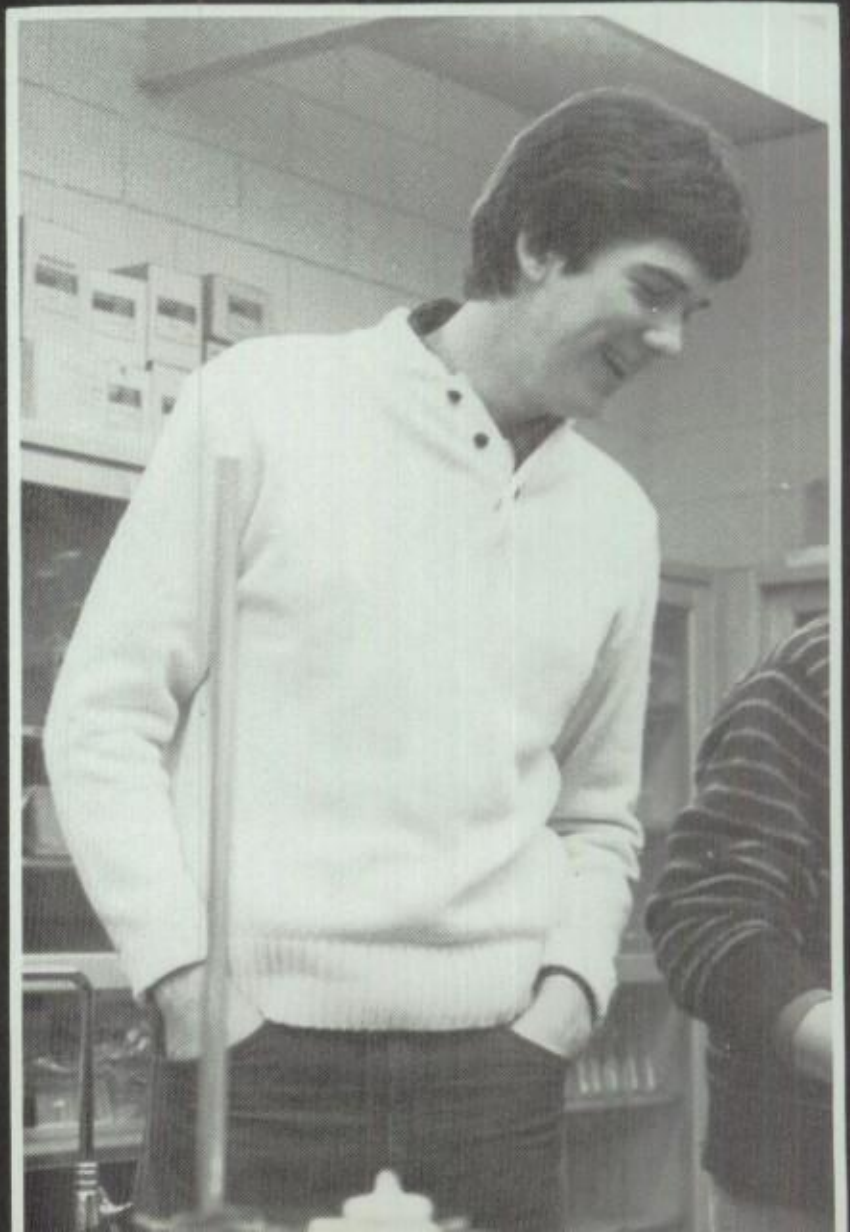

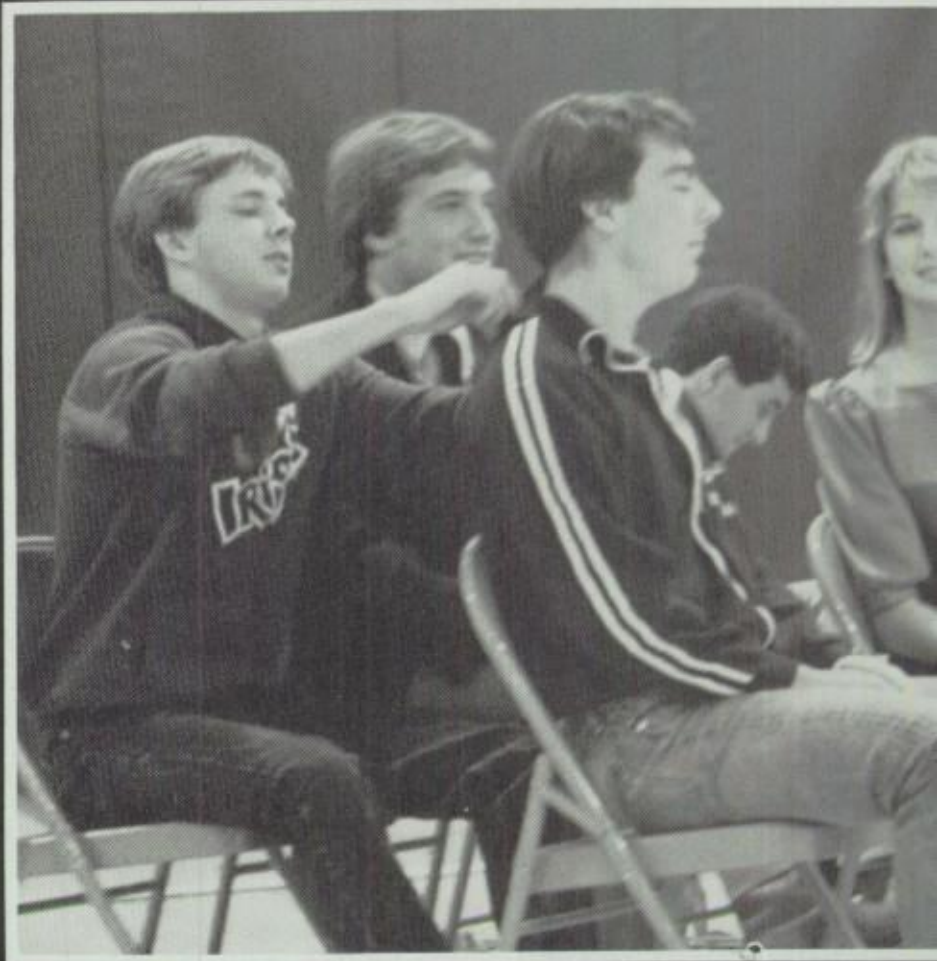

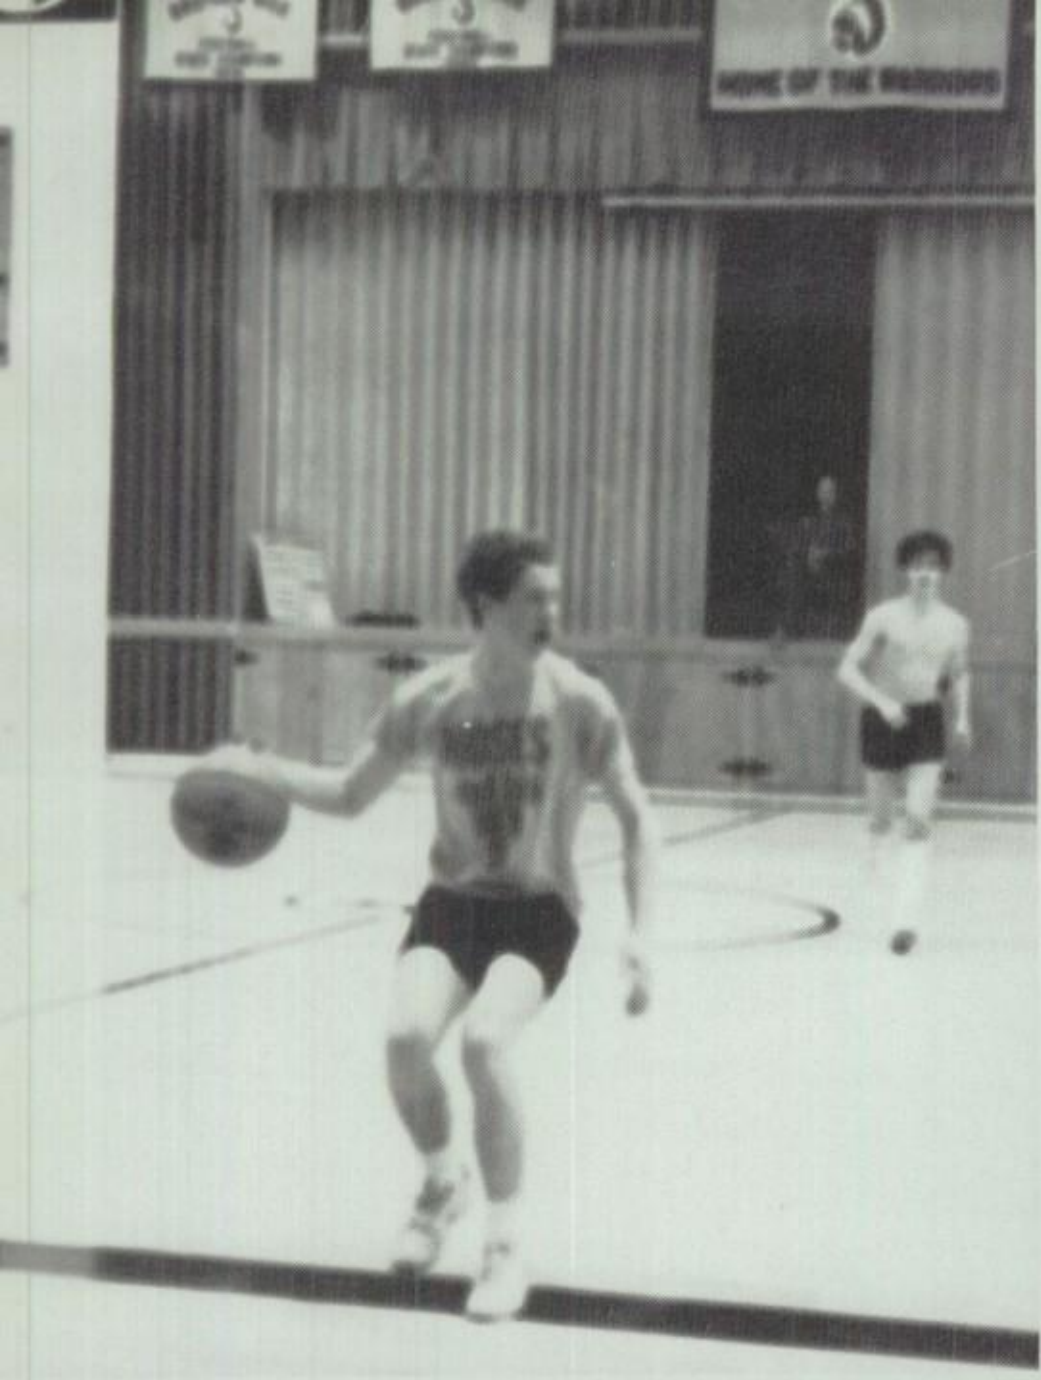

Chaired by parents Dave Sommerfield, Jaon Gonzalez, Carolyn Flynn, and Terry Desmond, all segments of our community worked on the event. Parents, alumni, and faculty were all involved and over 200 students assisted with every detail from being tuxedo-clad waiters to homeroom broom-pushing restoration managers. Everyone had a good time and the much needed funds will serve as seed money for the proposed commons.

STUDENT LIFE

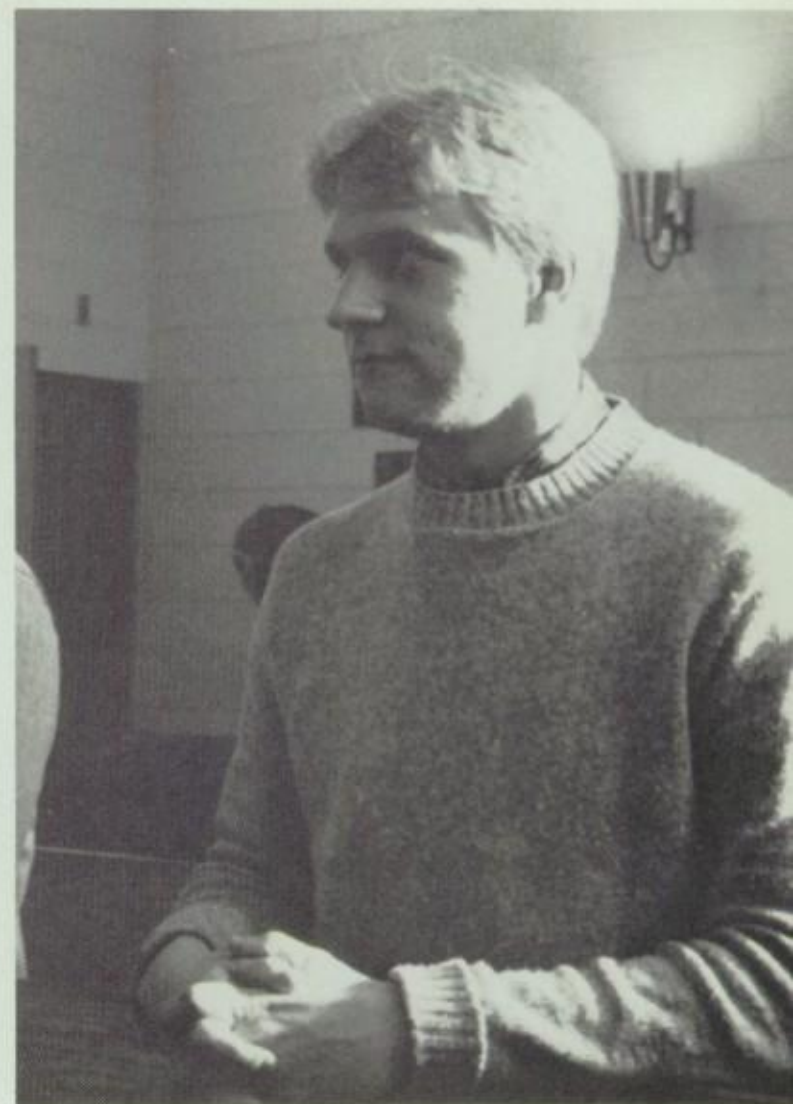

Our Community Of Faith

The basic principle of Brother Rice High School is not the academics, but the effort to makes the young men loving, caring Christians. An education can be received at any school, but the attitude of the teachers at Rice is very unique. The attitude of the students is unique also. This attitude is reflected in the participation in the food drive which is held annually. It is also reflected in the attendance of the students in the school chapel. Retreats are held for all grade levels and are greatly participated in. All these factors show Rice men are very spiritual people.

Opposite Page: Bottom Left, The student body participates in the Holy Eucharist. **Bottom Right,** Tim Wachowiak prays in the chapel. **Middle,** Father Gomez offers communion to Greg Barron. **Top,** Juniors take a break on their retreat. **This Page: Top Left,** Some Juniors take time to enjoy the surroundings at their retreat. **Bottom Left,** A group of Juniors listen intently at their retreat. **Top Right,** Bernie Gburek spends a moment in prayer. **Above,** A few Juniors take time to converse with the cattle.

Students Show Spirit During Spirit Day

For one week the students were able to show their spirit by shedding the regular uniform and replacing it with the appropriate uniform. Spirit day filled the gym and played host to such events as tug-of-war, tricycle races, cheers led by the Pep Club, the Marching Warriors and the Rouserettes showing their stuff for the crowd. A very stirring speech was given by Mr. Fracassa about Sunday's Rice-C.C. clash. Greg Barron, the student Council president, and Mr. Popson also spoke. Class spirit, were to their respective classes. Last but not least, the Homecoming Queen and her court were presented to the crowd.

All in all, this year's spirit week was a complete success.

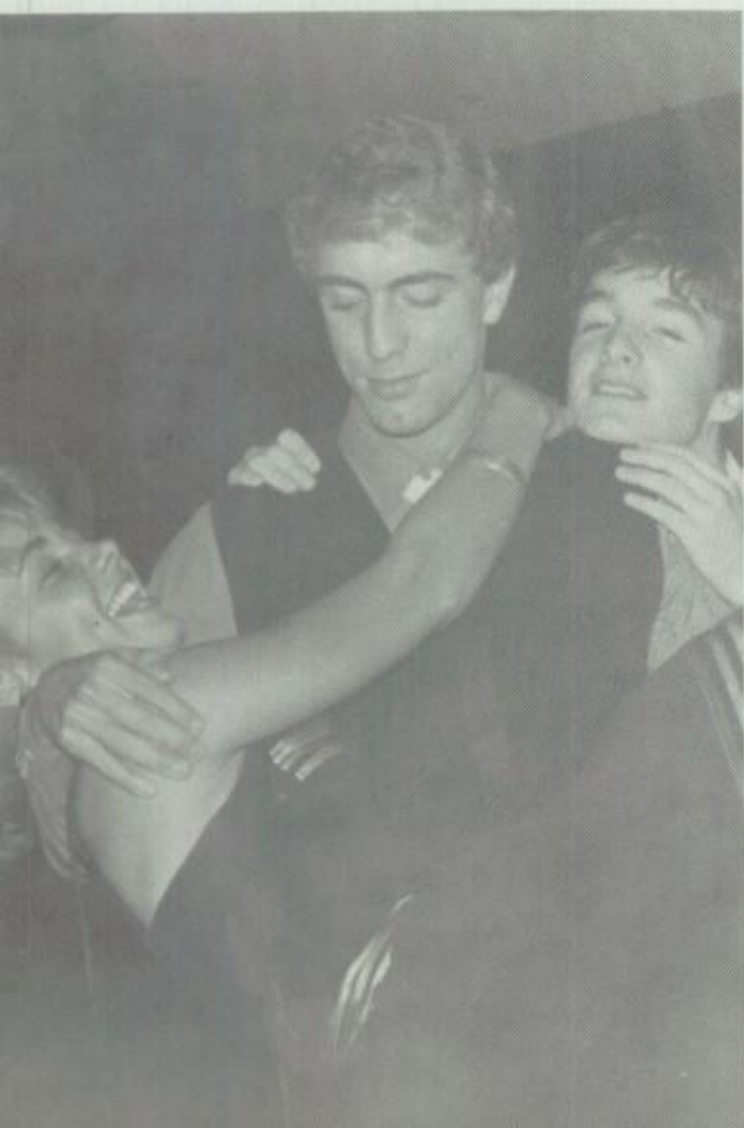

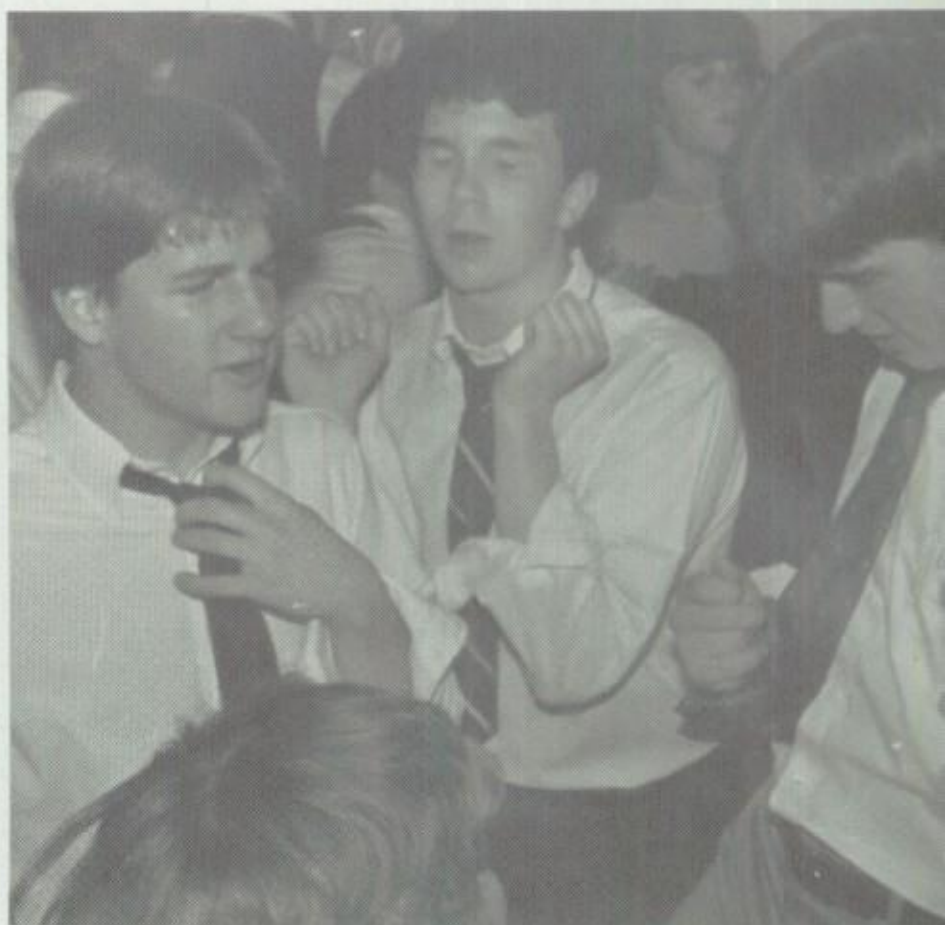

This Page: Top; The Rouserettes provide a truly memorable Dance routine. Above; Dave Plunkett creates an enormous spike in the Sophomore-Senior volleyball game. Homecoming, A Night To Remember

The 1984 Homecoming dance, held October 16 at the Troy Hilton was different than past years as the dance was held on the evening of the homecoming game. The 13-10 victory over Catholic Central at Rynerson Stadium in Ypsilanti put everyone in a winning mood for the dance, despite the rain and fog.

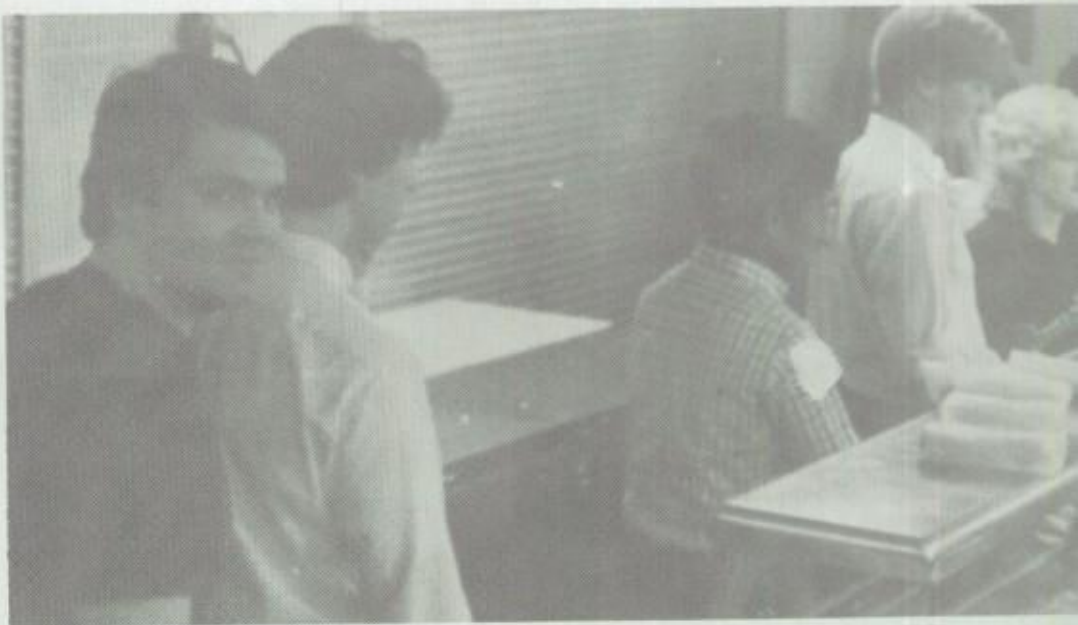

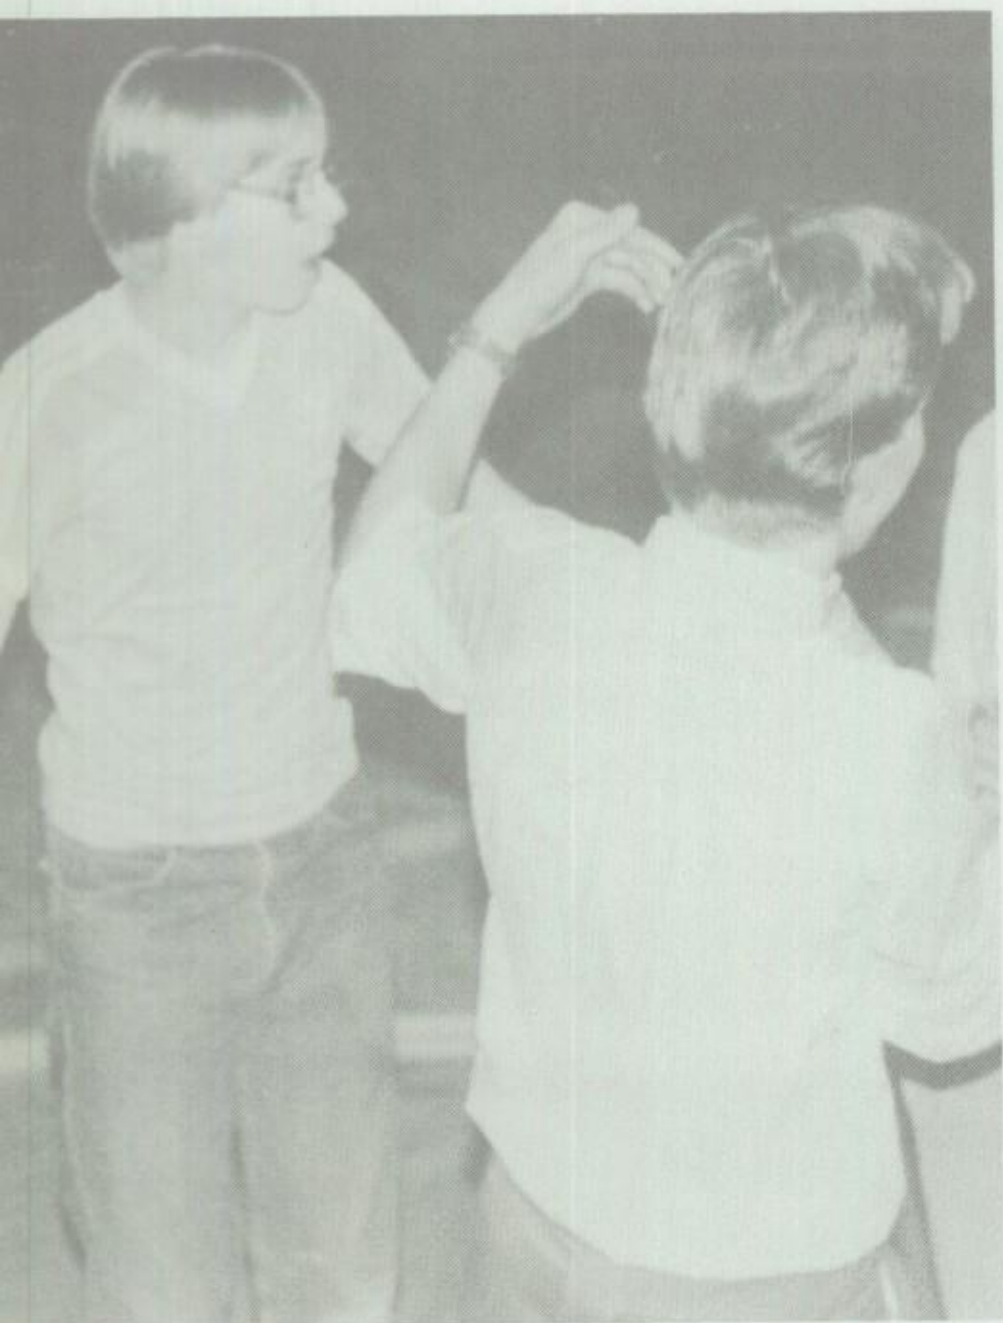

Photography

The 1983-84 staff of photographers played an instrumental part in the construction of the year-book. Although constantly fighting deadlines and periodically delaying the Quest Staff, the photographers did an excellent job. The job of the photographers should not be misunderstood! It is a very demanding job calling for many long hours and tedious tasks. The photographers, however, were relatively stable in their resistance to these drawbacks.

Rice-Marian Dance For Charity

On February 19 and 20, Brother Rice and Marian joined forces to raise money for charity at this year's Dance-a-thon. Like its two predecessors, "Dance-a-thon '84" was very successful. Thousands of dollars were gathered by Brother Rice and Marian students.

For twelve hours, hundreds of students danced the night away and were rewarded with plenty of music, food, and fun. All proceeds were donated to Focus Hope of Pontiac. Specifically, our money went to their Food Prescription Program designed to help feed the needy residents of Oakland County.

Everyone involved was satisfied that the money collected was put to good use right in our own area.

Let The Good Times Roll

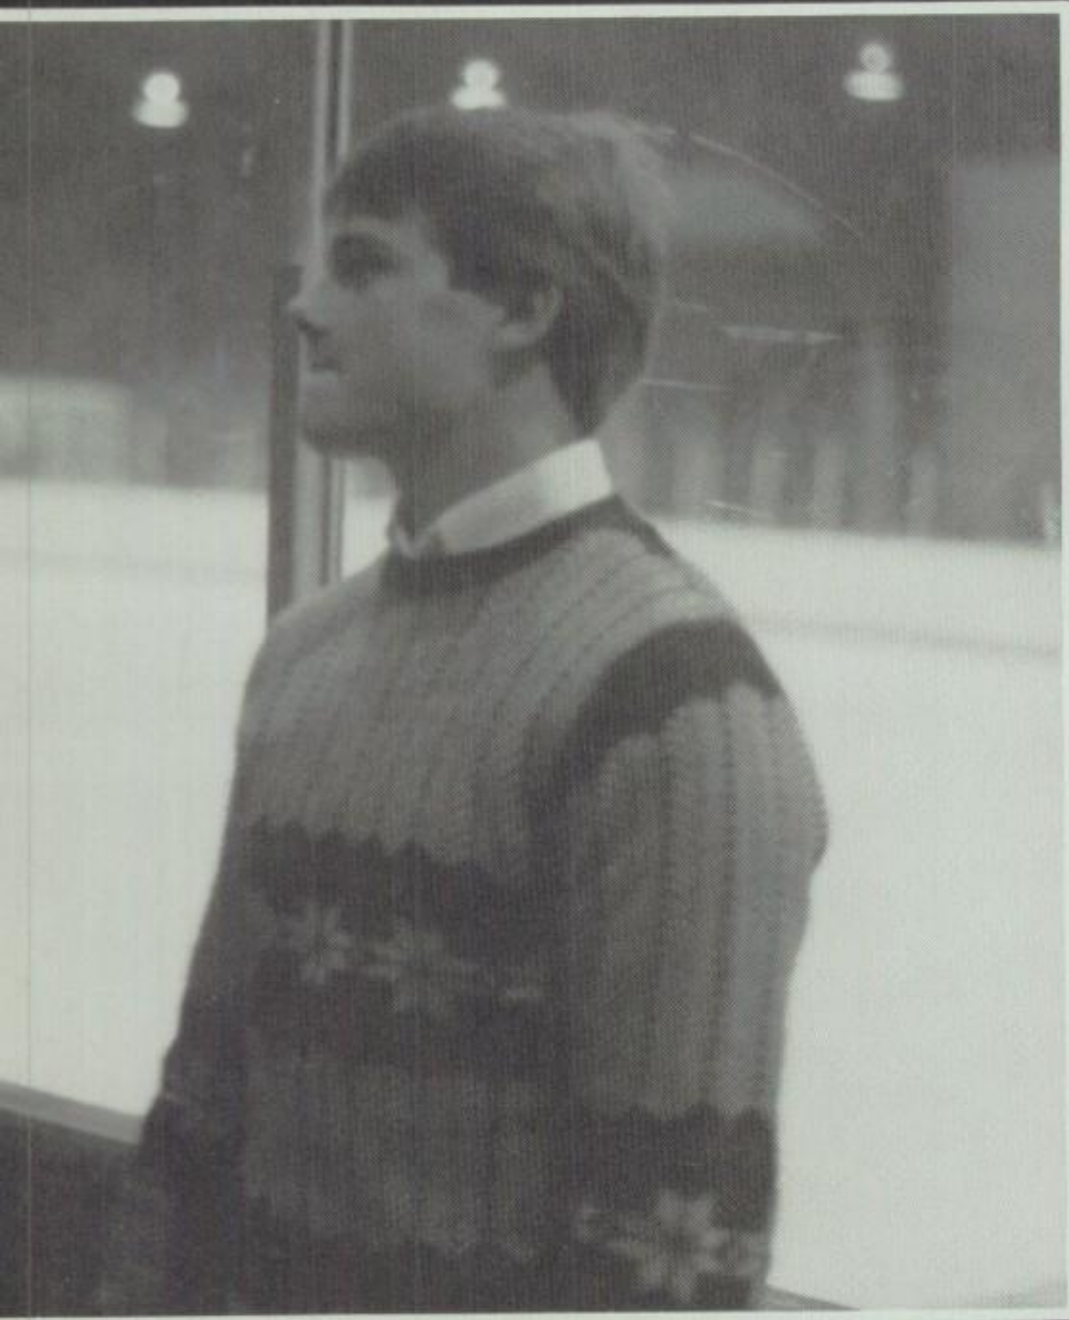

The current pictorial presented here leaves the actual spirit of weekend out of focus. Here we only have captions from the various athletic events, or should I say hockey. It is true that these events are part of our weekends, but the real excitement manifests itself outside of these events. To be more specific, at parties and various other activities (not to say that many exciting and interesting happenings don't occur at parties). In short, this pictorial gives a somewhat false and disappointing idea of what our weekends are really like.

SPORTS

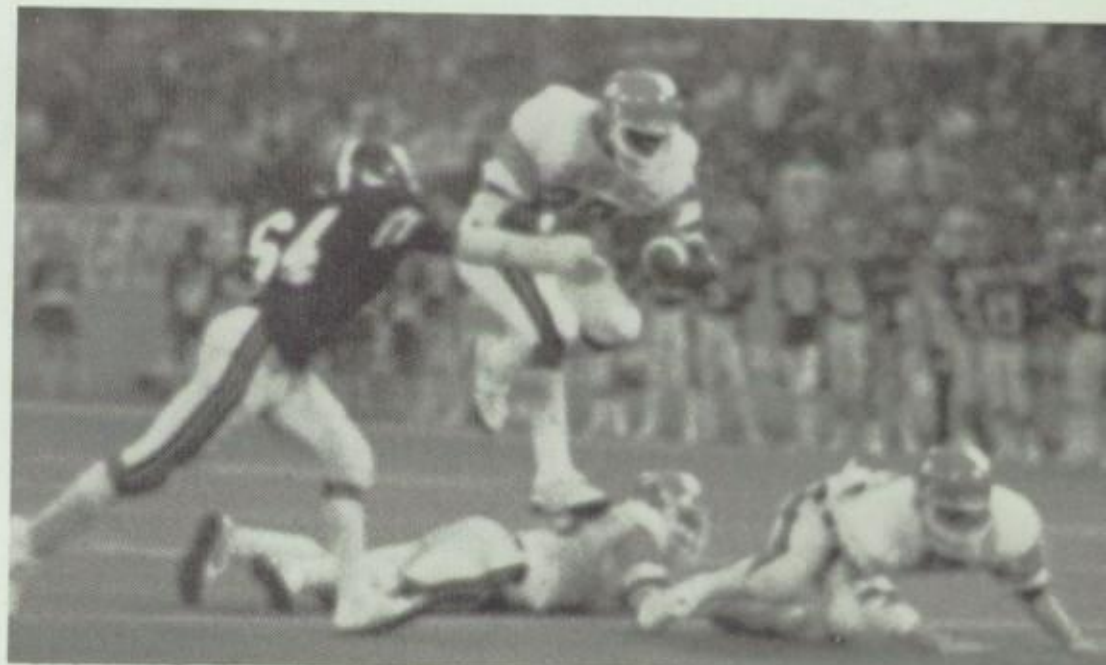

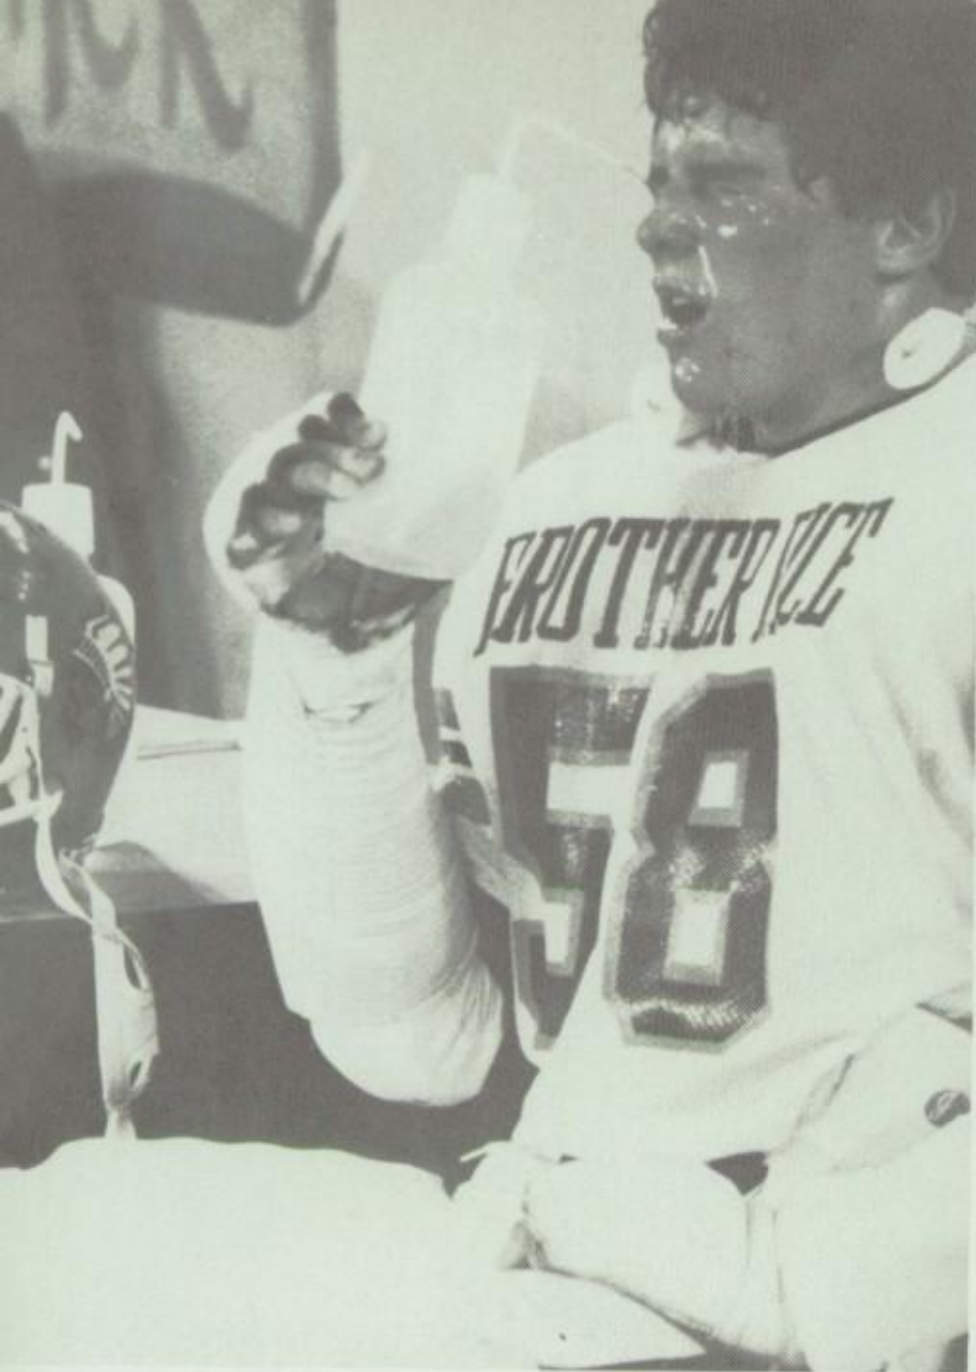

State Champs Again!!

The 1983 Warriors proved something to themselves as well as to the rest of the state. They proved they were true champions. The mighty Warriors started their championship season by defeating Mt. Carmel of Chicago, a perennial state power. The season was highlighted with two overtime victories, against C.C. and Divine Child. The Warriors once again dominated the Catholic displaying their athletic prowess in every confrontation. The Warriors, led by Coach Fracassa, practiced many long hours in preparation for each important game. The Warriors captured the Catholic League Championship by beating a strong Divine Child team. The Warriors then went on to defeat Birmingham Seaholm in a relatively uncontested battle. Following this win, they defeated Henry Ford to advance to the State Finals. The State Championship win over East Lansing was the obvious culmination of an excellent season.

J.V. Football Provides Foundation

The 1983 Brother Rice Warrior J.V. Football team battled its way to a 7-1 record. This accomplishment was led by Quarterback Brad Donohue. The Warriors suffered an extremely disappointing loss to archrival Cathloic Central. However, the victory-oriented Warriors didn't get discouraged and bounced back with two league wins. The practically unblemished season captured by the courageous J.V.ers provided many prospects for the futuristic Varsity Team. This fact went hand in hand with the much needed realization that the strong Brother Rice tradition of winning will continue.

Frosh Football Fights With Fury!

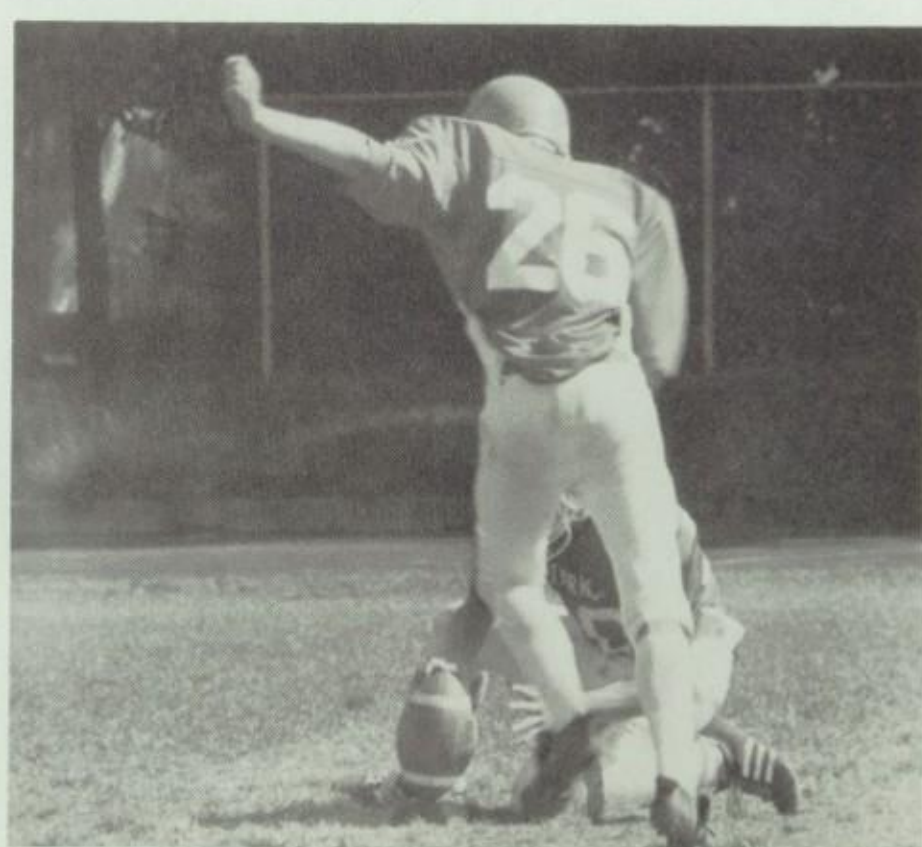

The Frosh footballers finished their 6-1-0 season off with a 20-0 win over Bishop Borgess. Their only loss was a tough 7-0 loss to Catholic Central. Coaches Michael Jamieson and Rick Fracassa weren't too pleased with the loss to C.C., but the Frosh squad made it up. A great offense was led by quarterbacks Kevin Cassidy and Bill Fitzpatrick, and runs by Tom Giroux. The defense, led by Tim Zelmanski and Matt Dietrich, "tackled the impossible." Linksters Successfully Stroke Through Season

Under the direction of head coach James Rademacher and assistant coach David Kozlowski, the varsity golf team excelled again this year. The squad compiled a number of honors as well as numerous individual accomplishments.

The linksters finished with an 8-2 record for second place in the Central Division. Their only losses were to Notre Dame. However, the golfers revenged these losses with a first place finish in the Catholic League Championship, with junior Bill O'Connor finishing first out of 96 golfers. This is Rice's seventh Catholic League title in the last eight years. The team also took third place at the Oakland County Tournament out of 38 teams, with senior Jim Barnes taking first place out of 152 golfers.

Individually, Barnes received All-County, All-Area, All-Catholic, and All-League honors. O'Connor was awarded with All-Area, All-Catholic, and All-League honors.

The only disappointment in an otherwise successful season was the Warriors failure to qualify for the state tourney. They were eliminated by one stroke.

Coach Rademacher is optimistic about next season. He said, "With four returning lettermen and our strong J.V. players, we should be even better."

Harriers Post Successful Season

The 1983 Brother Rice Cross Country team saw a successful season come to an end at this year's State Championship. Coached by Mr. Bob Stark and Br. David Haas, the team finished 16th in the state.

The Harriers posted an overall dual meet record of 4-1. Their only loss came at the hands of a strong Catholic Central team. Notre Dame, Bishop Gallagher, Bishop Borgess, and DeLaSalle saw no mercy, however, as the Harriers trounced them all on their way to the Central Division championship.

In their first invitational the team finished a lowly 9th at West Bloomfield but came back to take 3rd at Holly. The Harriers continued onward by placing 4th in both the Shrine and Oxford Invitationals, and by placing 2nd at the Lakeland Invitational. The Harriers finished 4th at the Oakland County meet, and they were runners up in the Catholic League championship before taking the State Regional Championship.

Kicksters Score On To Best Season Yet

The Varsity Soccer Team of 83-84 finished the season with a record of 9-7-1. This record may not look good on paper, but it was their best season in four years of competition. The highlight of the 83-84 season was when the team swept the Country Day Tournament, and tasted glory early on in the season.

Senior Ken Israel led the team with 23 goals and 12 assists, earning him all-County, all-Catholic, and all-State honors. Joining Ken on those three honor squads was midfielder Eric Liposky, who died in a car accident 3 weeks into the season. The Warriors were unable to mount a consistent threat without Eric's superb ball handling skills, but 7 other players joined him as all-Catholic, including Jeff Cline and Sean Mullen who also won a memorial award in honor of Eric.

Next year also proves to be a promising year with Don Klein, Denis Solan and Brian Sullivan ready to put in their 3rd year as Varsity starters. They are in fine shape, thanks to the excellent conditioning and coaching provided by coach Senor Civil and coach Terry Dilworth.

J.V. Pucksters Face-Off

The 1984 J.V. pucksters are led by captains Joe Mosey and Phil Mason, both Juniors. The team's greatest asset seems to be their strong defensive play. Coach Dave Simonetti apparently believes a strong defense preludes a strong team. These competitive pucksters are enduring this mental and physical stress so they are one day capable of replacing the graduated Seniors and producing a contending team. This team certainly seems willing and capable of accomplishing this goal and, most importantly, representing the good sportsmanship and profoundly superb athletic ability of the young men of Brother Rice.

Rice Pucksters Skate To Victory

The 1983-84 Brother Rice hockey team successfully carried on the fine tradition of Brother Rice hockey.

The Warriors, led by Senior captains Dave Mansky, John Duncan and Steve Girourard, were an entertaining and exciting club to watch. Two of the season's biggest wins were a 6-3 win over Catholic Central and a 3-2 victory over Country Day. Rice also tied top-ranked Trenton.

The pucksters were not a high scoring team. Most of the victories were inspired by hard-working players such as John Larkin, Matt Miller, Tom Thewes, Chuck Reaume, Eric Martin, Justin Doherty, and Lance Chaldicott. Many triumphs (Country Day, Catholic Central, A.A. Huron, and Trenton) were ground out through the sheer determination of a group of 18 dedicated players. The graduating seniors will be missed but a host of talented underclassmen will return in 1984-85 to lead Brother Rice to another successful hockey season.

Water Wonder Warriors

The Stroking Sensations

With only five underclassmen on the 1984 swimming team, the squad was considered inadequate championship material. However, hard work and the will to win brought the young team to maturity. Over the long season, the tankers were undefeated in the Catholic League and compiled an overall record of 6-7. They lost to such powerhouses as Brother Rice Chicago, Toledo St. Francis, and Cincinnati St. Xavier.

The young team trained through five months of early morning weights and late night swims. Despite the long training period, the pay-off was double when the Warriors defeated rival Catholic Central and captured the league title.

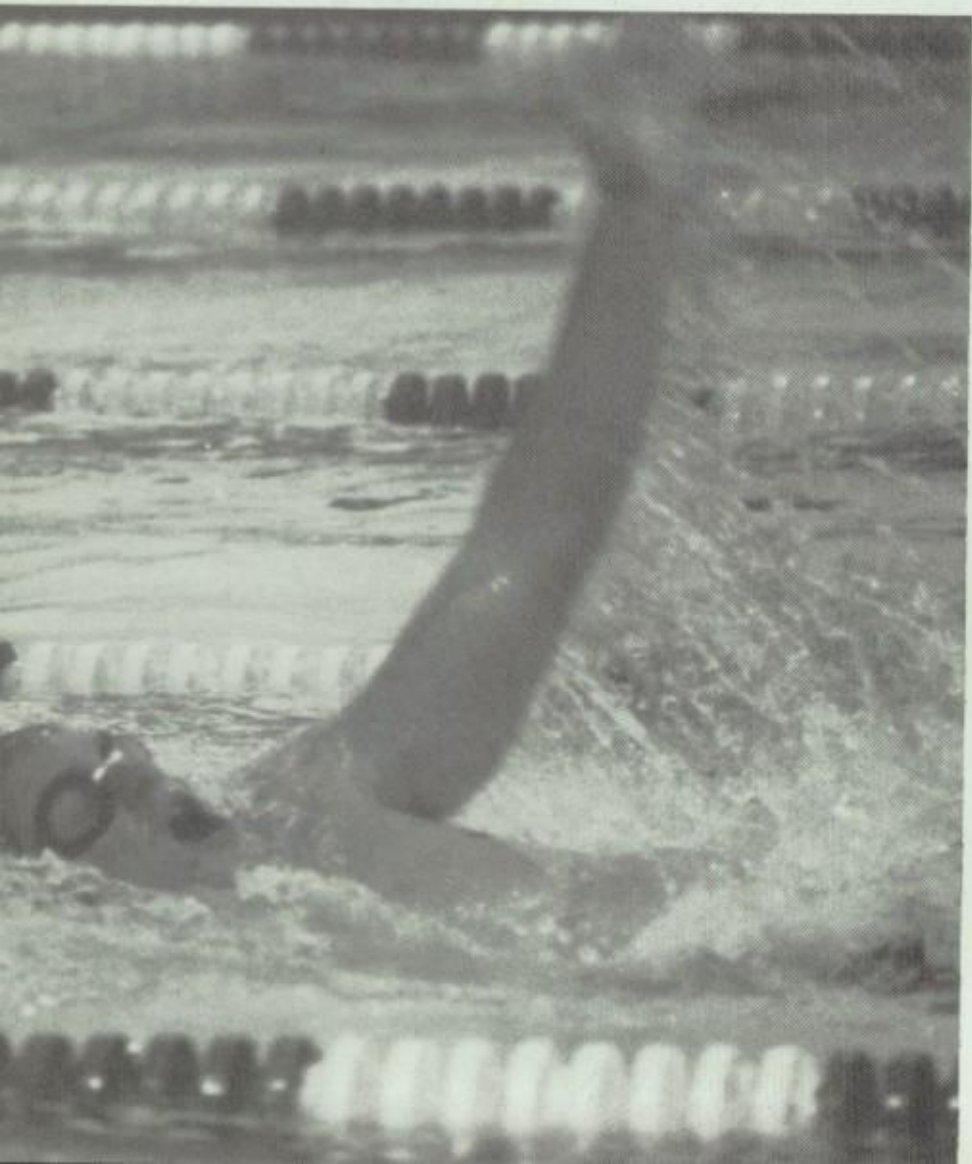

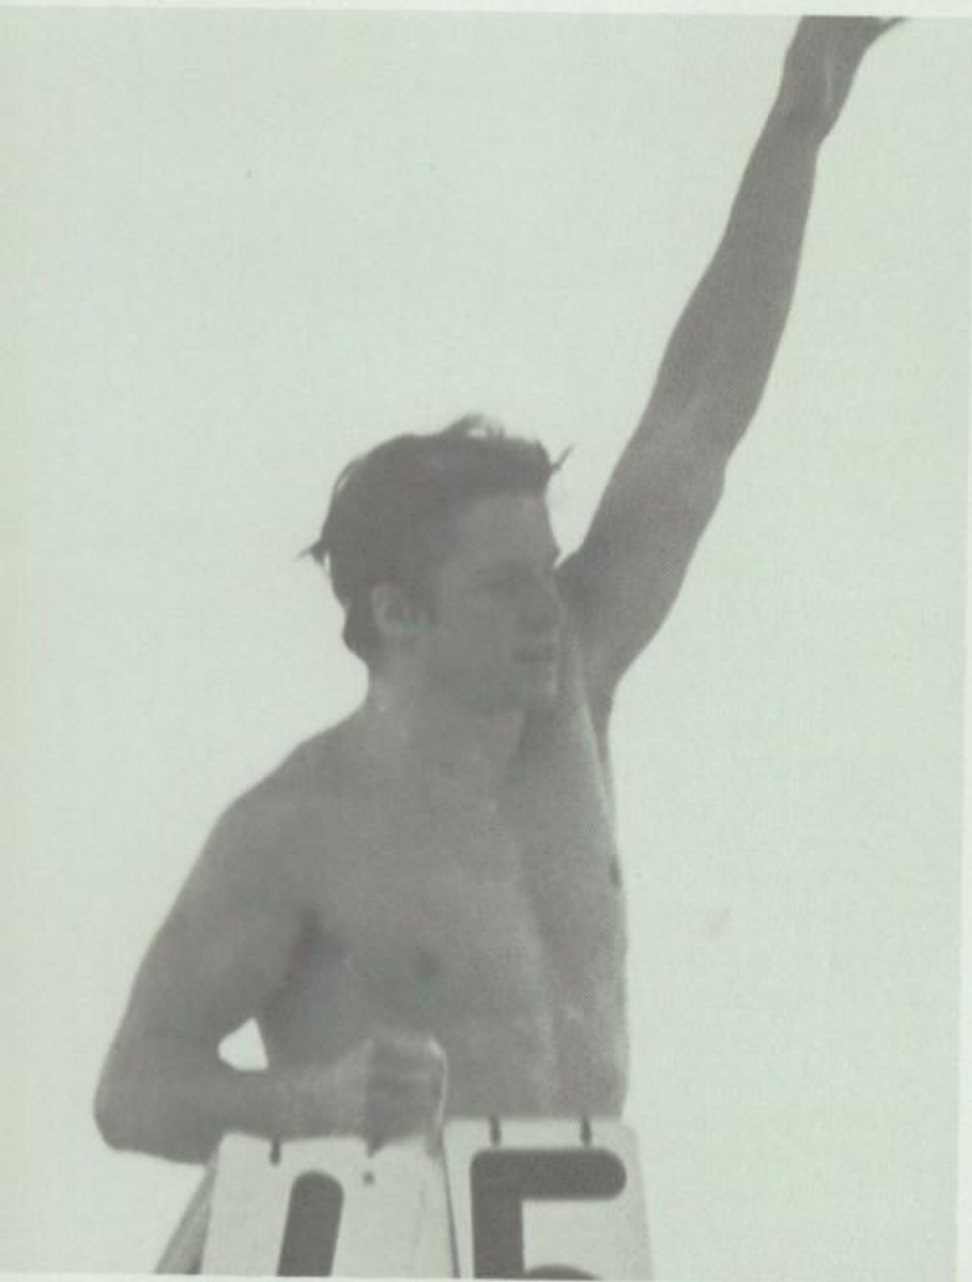

Leading the tankers were seniors Dixon Kane, Rob Hill, Rich Hampo, and Pat Deighan. Other top performers were Paul Diegal, Rick Pifer and Matt Deighan. The secondary swimmers who helped win meets were Kevin Quaine, Dan Sheehan, John Schmieding, Mike Scanlan, Bob Stabile, and Mike Pheifer. The strong group of rookies included James Deighan, Paul Delicourt, Lance Bratton, Pat Fabreck, and Paul Conners.

The divers were Frank Gentile, John Geary, Brian Sheehan, and Tom Callam.

Rice Skiers Dominate The Slopes

The 1983-84 ski season proved to be an excellent one. Captain Juan Gonzalez was very impressive this year, as was his fellow teammates. Due to technical difficulties the team was unable to compete in the state championship. The team was coached by the Ms. Smith.

The Warriors Look Awesome

Rice In Top 4 In State

The 1983-84 Warrior basketball team was one of the most talented Warrior teams ever. The team was led by coach Nick Conti and his assistant coach Mr. Frank Carrico. The major players on the team consisted of B.J. Armstrong, as guard who was the high scorer in every game, Ray Wheelock, Matt Dingens, Andy Kolp, Jeff Herberholz, and Tim Ervin.

Despite the last minute loss of the Catholic league, the basketball team still did well. During the state playoffs Rice lost in the second to last game, a heartbreaking loss of 60-57 in East Lansing. Despite this Brother Rice was still in the top 4 of the Class A league in the state.

J.V. Cagers Show Potential

The 1984 Junior Varsity Basketball team had an outstanding year. Led by Frosh Scott Zimos, the J.V. Warriors finished with an outstanding 15-1 record. The Warriors compiled a 9-1 league record, suffering a gravely disappointing loss to Catholici League rival Notre Dame. The highlight of the year was two consecutive wins against archrival Catholic Central. The J.V. er's surely enjoyed a profitable season. This squad provided Rice Basketball enthusiasts with an optimistic outlook for the near-future Basketball Warriors, which is relieving because of the strong tradition of sports practiced by Rice.

Frosh Cagers Lay A Strong Foundation

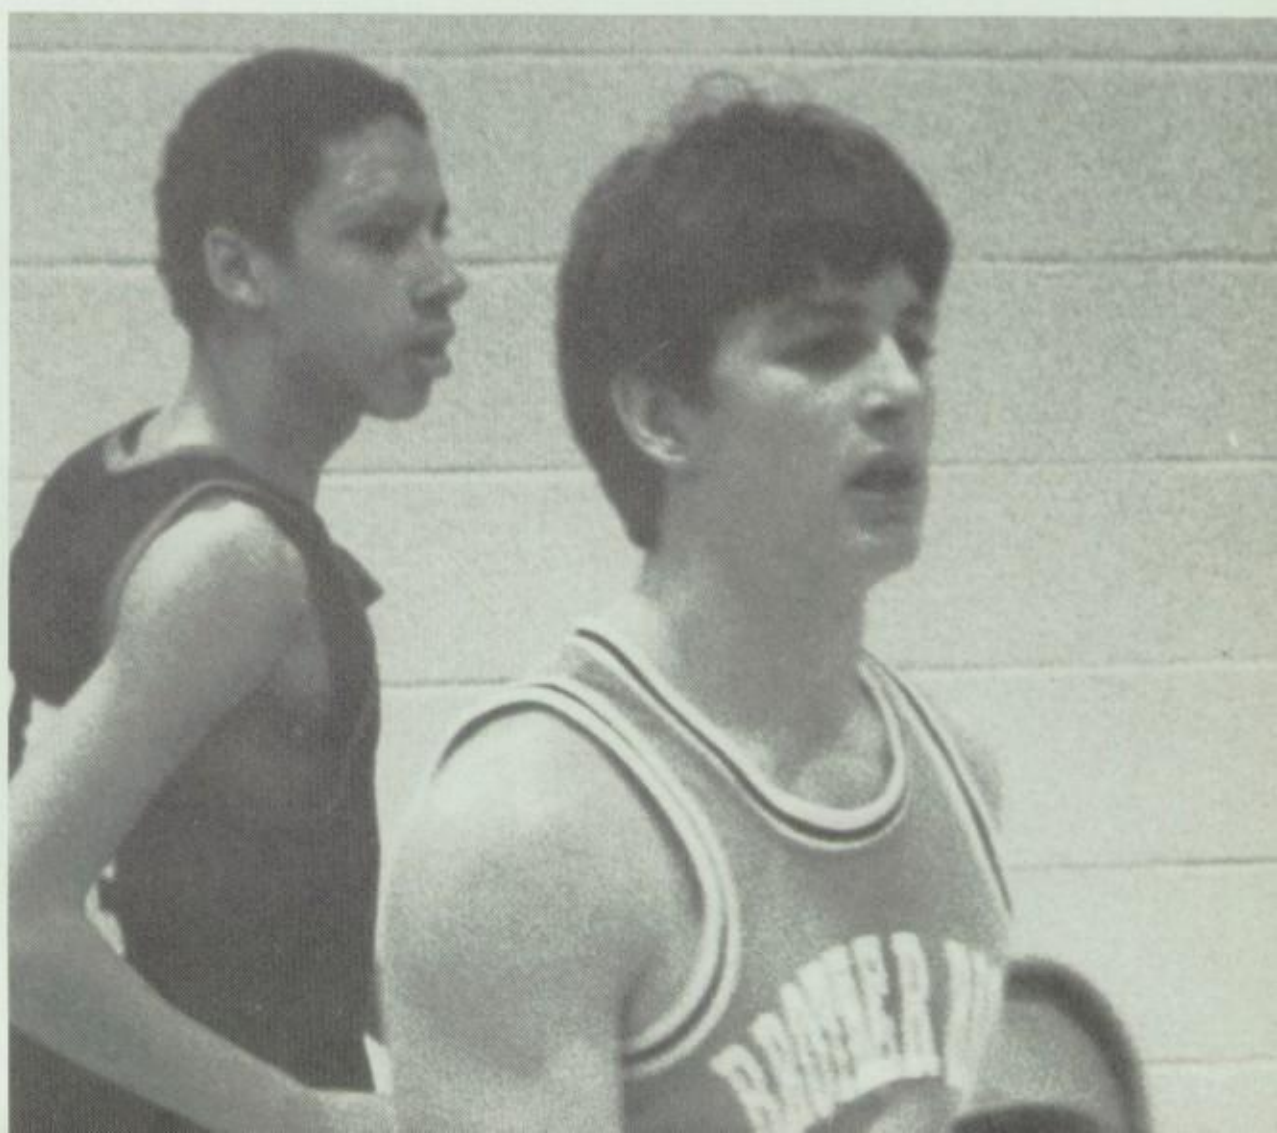

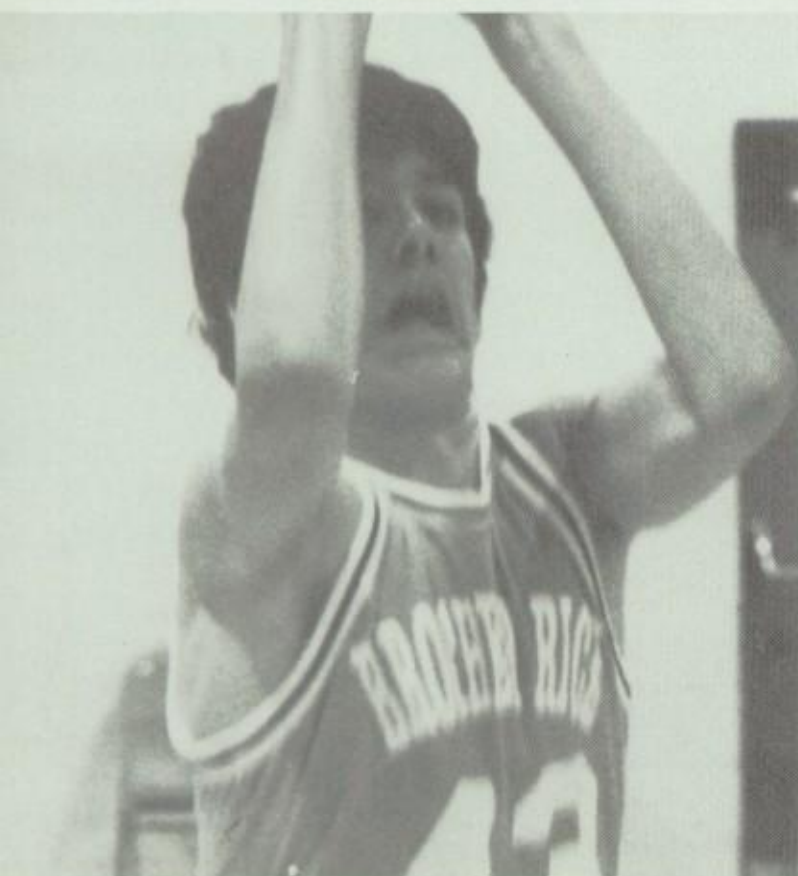

The 1983-84 Brother Rice Freshman Basketball Team had a fine season despite two setbacks at the hands of our ruthless arch-rivals from Catholic Central. The team was very successful against other teams.

The team was led by starters Bill Fitzpatrick, Chip Winiki, John Andrews, Kevin Cassidy, and Sean McMannon. Pat O'Leary, Dave Gerahty, and Tim Ross provided good back-up and provided the team with good depth.

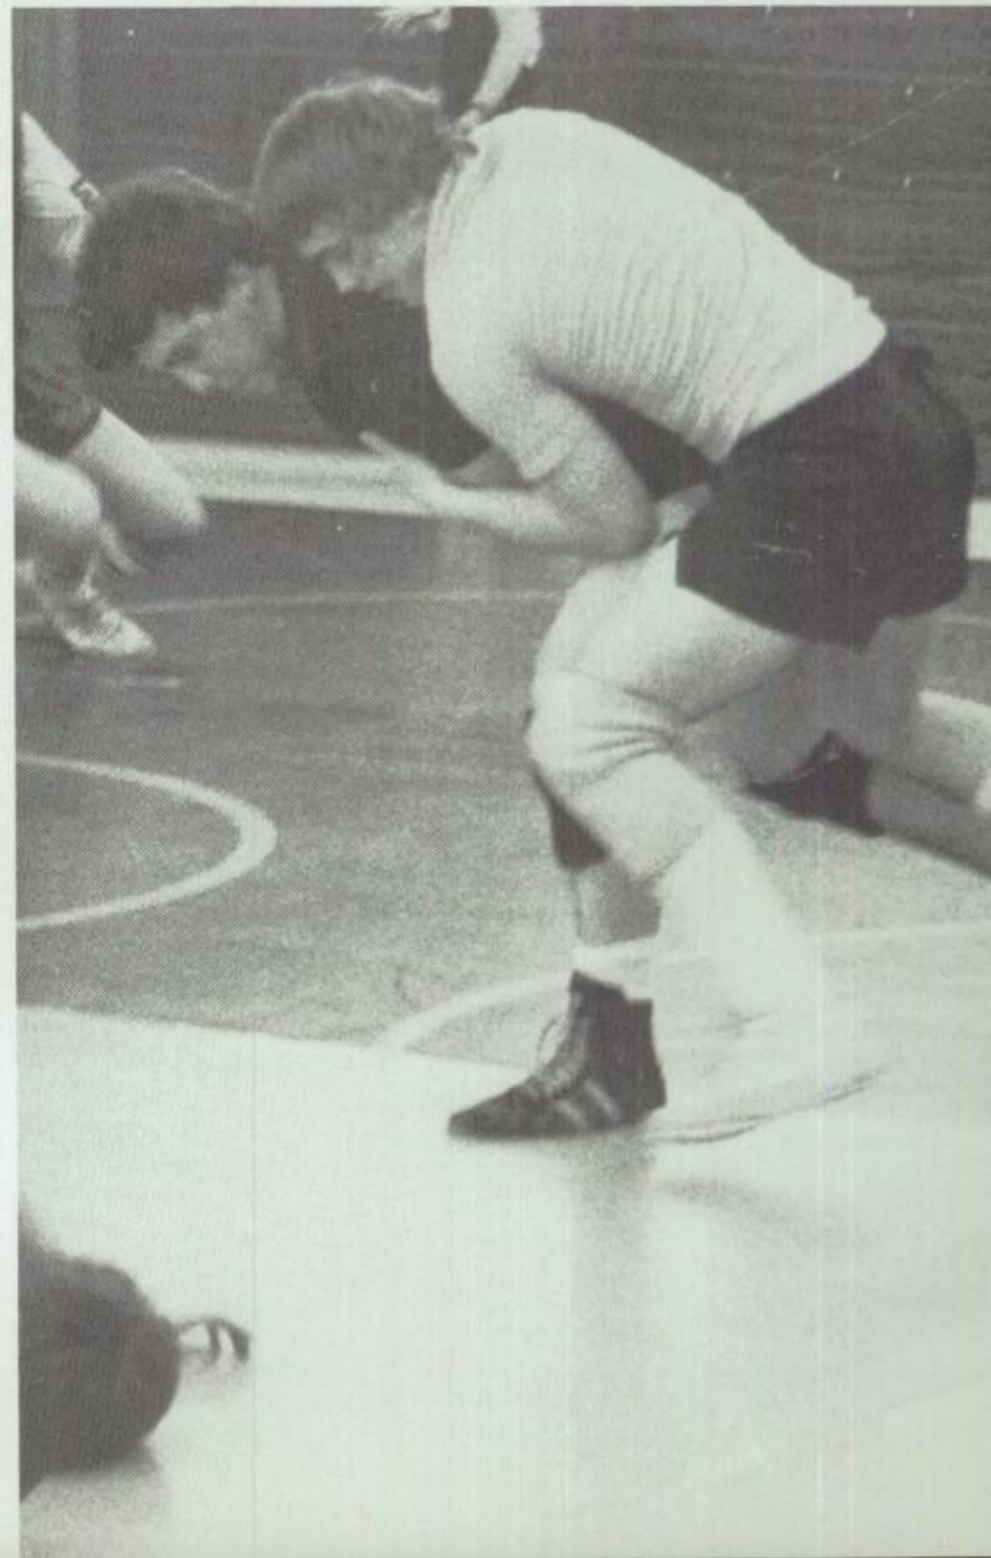

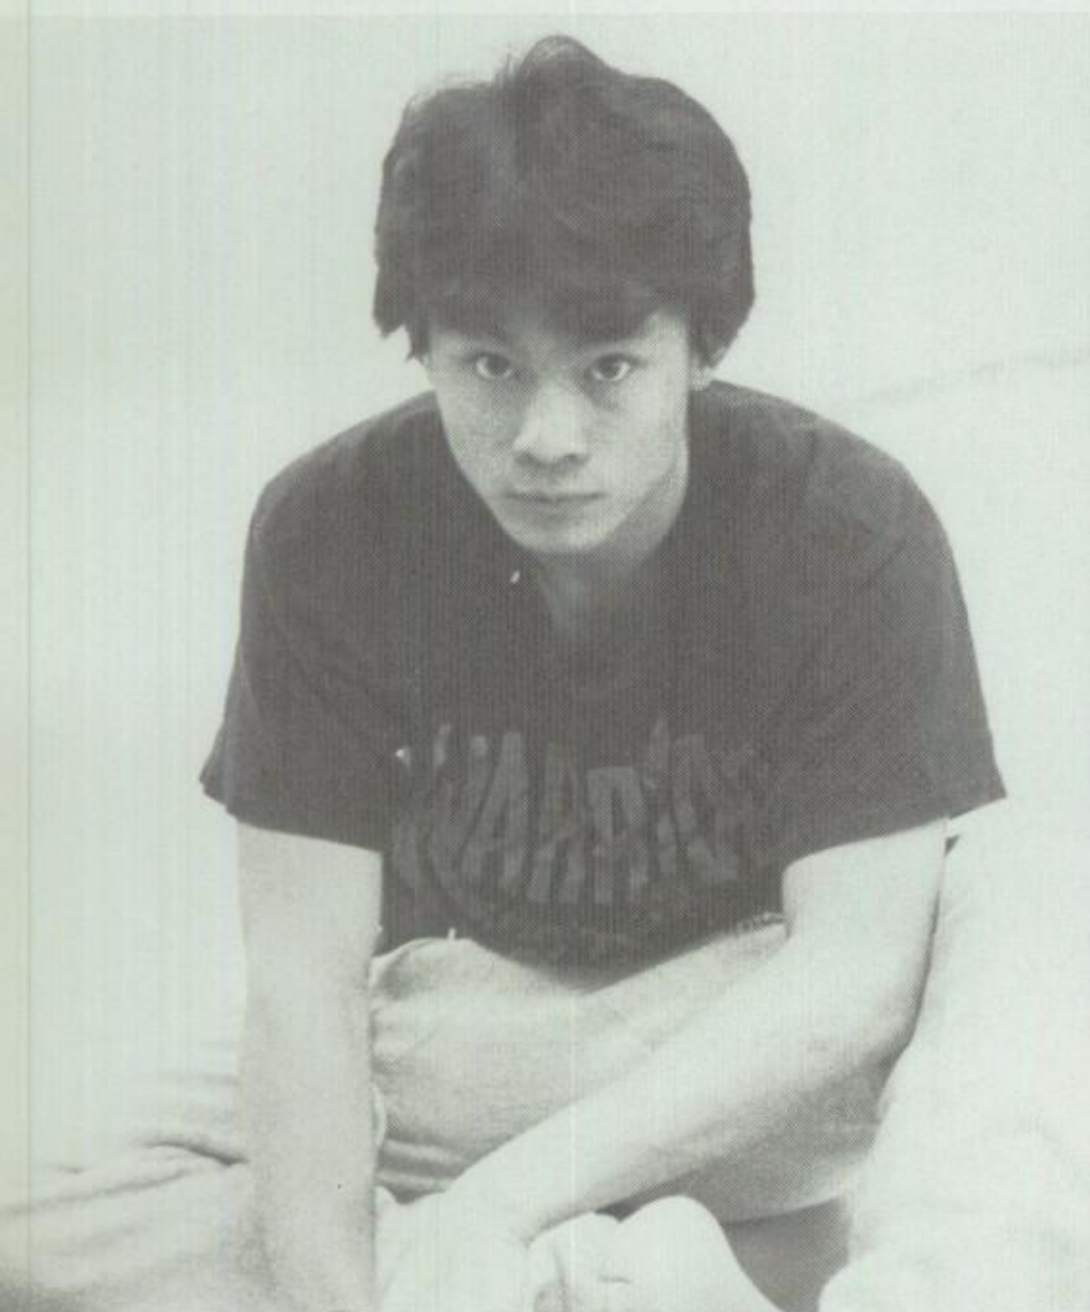

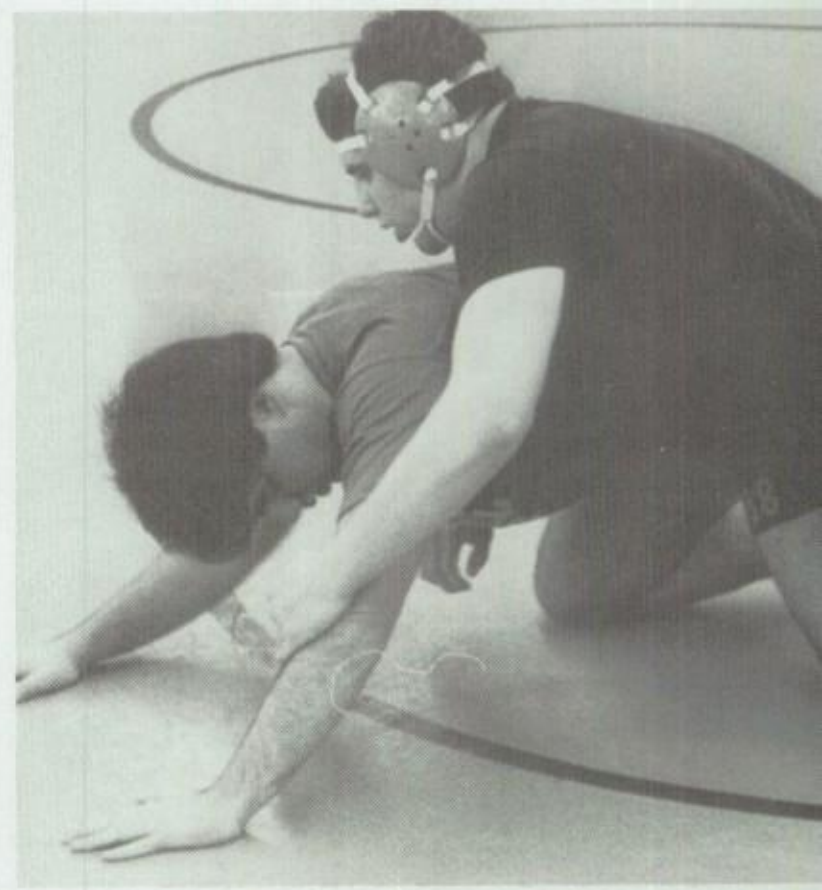

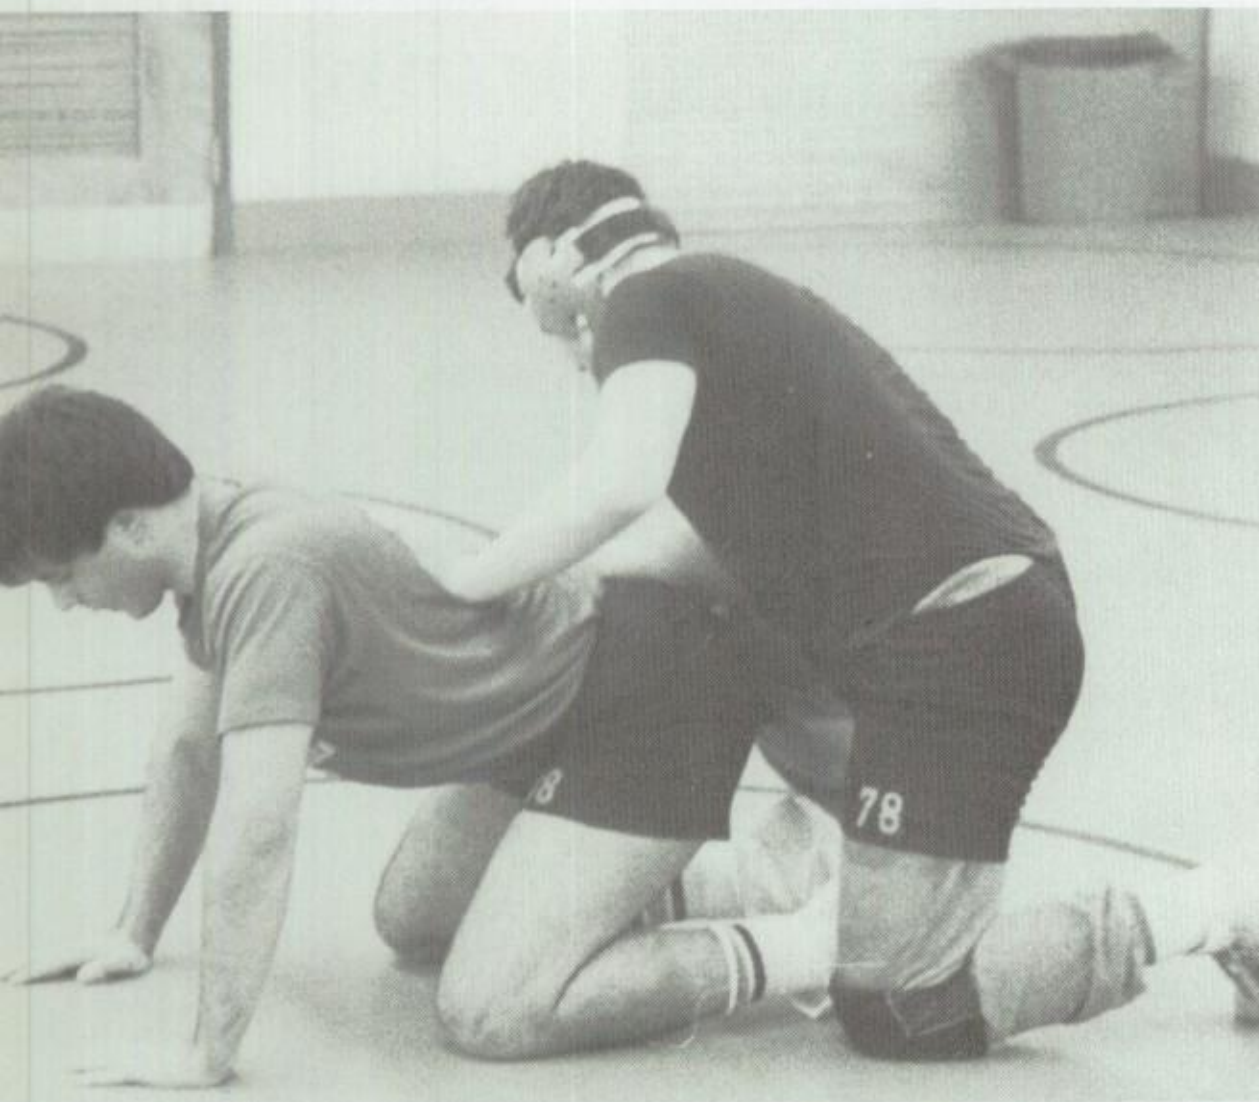

Brother Robert Brouillette and his assistant Steve Stratton coached these emerging Warriors. Throughout their successful season the freshman basketball team received good support from the Brother Rice Community.

Wrestlers Grapple To Victory!!

The 1983-84 Warrior wrestling team has continued to carry on the winning tradition at Brother Rice. In only their sixth year of existence, the grapplers, under the direction of head coach John V. Major and assistants Scott Blaylock and Tim Prince, begun to build a team which is destined to become a perennial power. The gruelling practice and meet schedules have begun to pay off for the relatively inexperienced team. Led by tri-captains Todd Snooks, Terry Cornell, and Pat Schafer, the team finished in third place at the 44 team Oakland County Tournament. Since there are few seniors on the Varsity team, next year's team bring even more success and excitement to Brother Rice.

Warrior's Sports Wrap Up

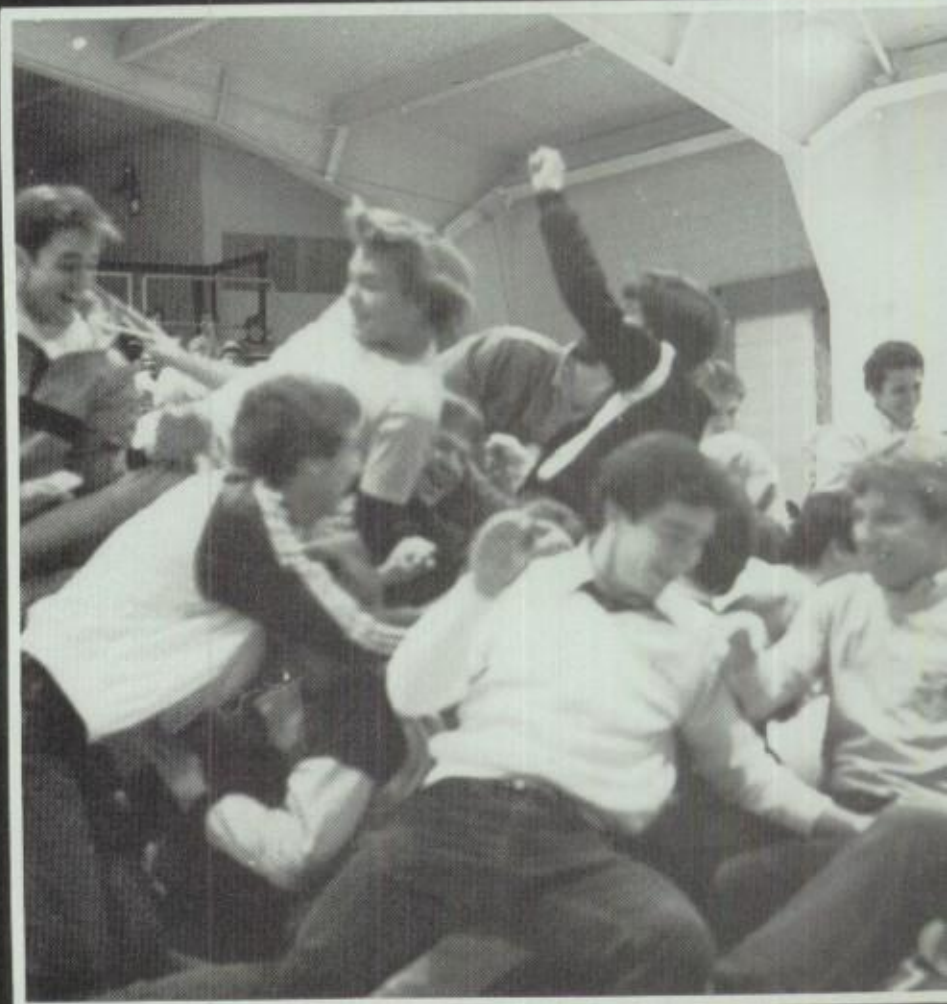

This year was represented by a number of excellent and talented athletic teams. A State Championship in football, Catholic League Champs in Swimming and Basketball. Because of their superior excellence we devote these two pages to the Brother Rice athletic Department. We would like to thank all of the coaches for their time and knowledge. We would especially like to thank Athletic Director, Mr. Mike Popson, for all that he has done!

Long was the day, unseasonably hot.
Stifling, stuffy, the morning air.
No climate for growth.
Tears shed, hugs shared,
Many unanswered questions.
Faith, Family, Friends, yet
No answer to emptiness.

Long was the day, unseasonably hot.
Stifling, stuffy, the afternoon air.
No climate for growth.
Tears shed, hugs shared,
Many unanswered questions.
Faith, Family, Friends, Frustrations.
No answer to emptiness.

Dusk brings the cooling breeze.
Darkening sky, thundering loudly.
Hearts grieving, listening, waiting.
Voiceless answers felt deeply,
Begin to fill the void.
The gentle spatter of rain.

Night brings the comforting breeze.
Dark sky, thundering loudly.
Hearts grieving, listening, tiring.
Voiceless answers felt deeply.
The seedlings of comfort.
The gentle spatter of rain.

Dawn holds a new light,
Total saturation, and
The promise of rebirth.

"Holiness through learning" is the unique motto of the Christian Brothers, and it acts as the goal each teacher of Brother Rice strives to achieve. This one special factor separates Brother Rice from other schools because it unites the academic and spiritual atmosphere of the community. The presence of this purely beneficial gift, given to the students by the faculty, produces an ideal environment that provides each member the opportunity to strengthen both their mind and spirit.

Thomas A. Desmond

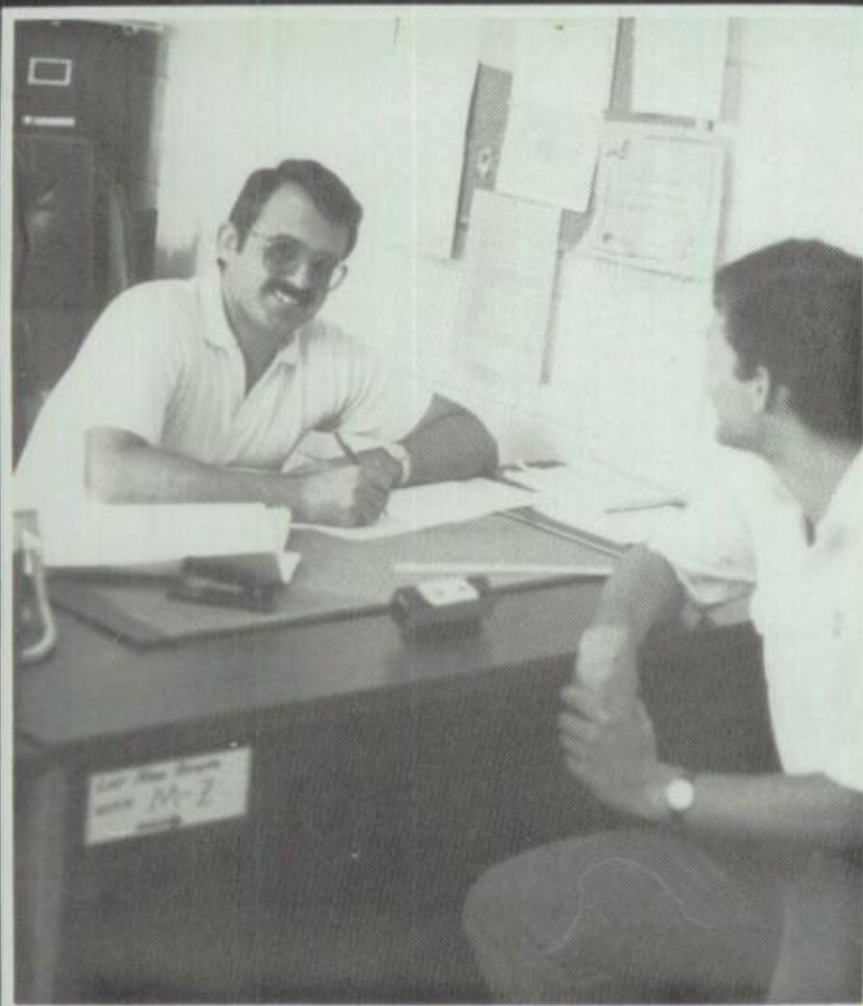

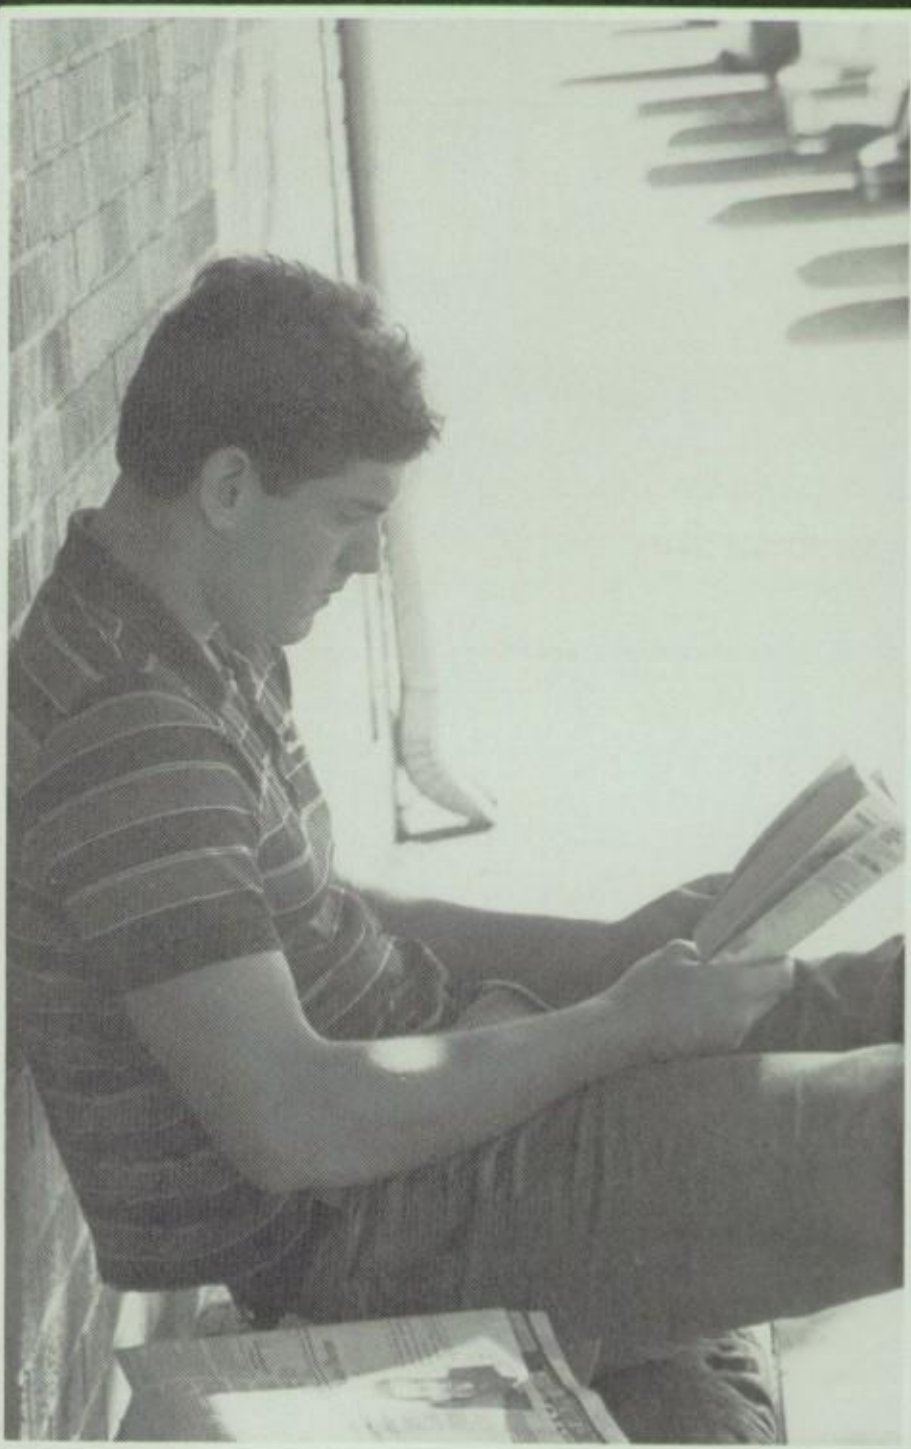

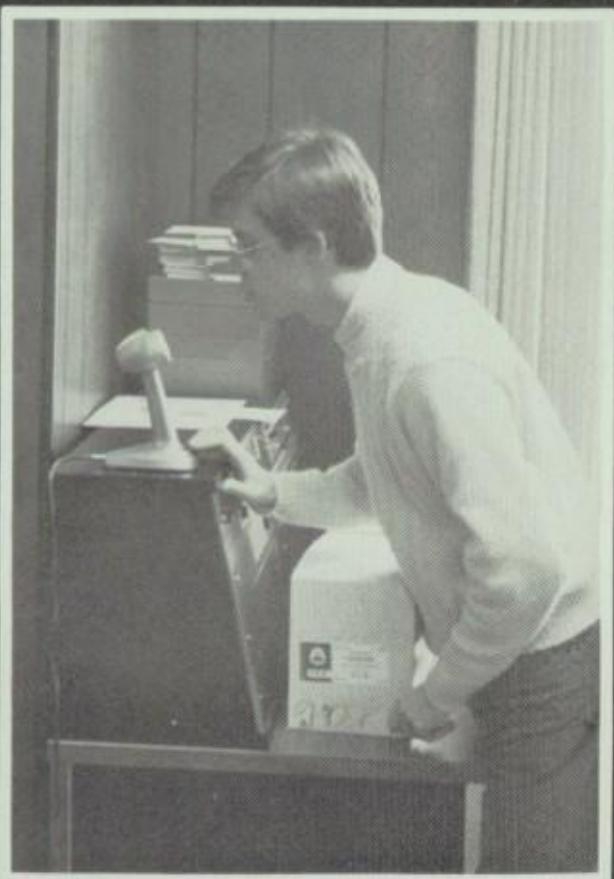

"Sanctitas per Scientiam" embodies the spirit of Brother Rice., Students, faculty, and administration strive to achieve the goal of "Holiness thru Wisdom." Brother Rice extolls its students to transcend the material and enter into a sphere of knowledge as a means of attaining a more perfect relationship with God. Students are encouraged to understand and comprehend rather than memorize. Since only through understanding of the world can one begin to understand himself.

Albert Knapp

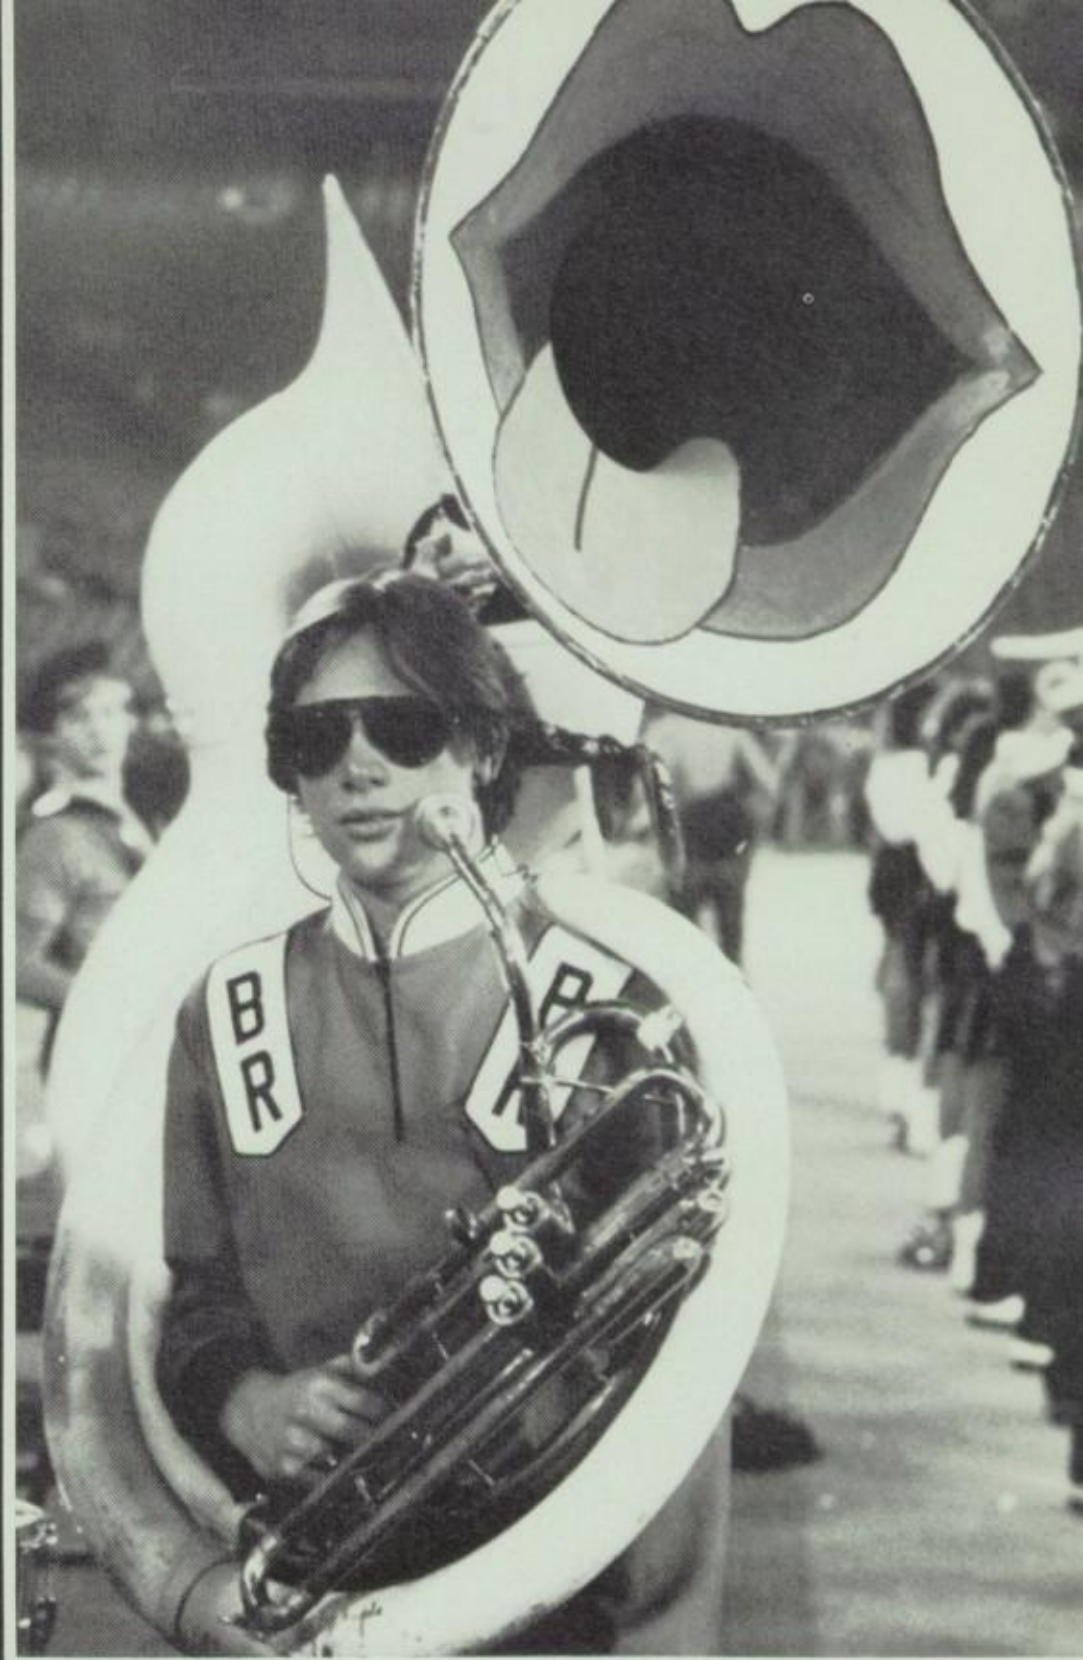

Sanctitas per Scientiam, or "Holiness through Wisdom", can be observed from two separate levels. First, the unique process can be observed from the level of a faculty member giving this special gift to a student. Second, it can be observed by the way a student receives this gift and how he manifests the results in the community around him. By experiencing this purely profitable process, each individual from Rice leaves the institution with a distinct advantage, the ability to give others the special gift he has received, therefore allowing his surrounding environment to flourish with a truly Christian act of love.

We hope you enjoy the 1983-84 edition of the *Quest*. This issue is the product of hard work from an unusually small staff. Because of this, Editors-in-Chief, Tom Desmond and John Wickett, were forced to work much harder than the average yearbook editor. This malcondition meant long hours as well as a number of long weekends of frustrating and tedious work.

Creating a book of this nature has provided some memorable occasions. It also provides valuable experience and knowledge. We have many people to thank for their contributions to this great accomplishment. Mr. Bob Berschback of Jostens Yearbook and Br. McGovern for their leadership and encouragement. Mr. Dick Pieronek of Pieronek Studies for his aid with the photography. The photographers for their long hours spent in the lab developing the pictures that construct this book. Most important of all we would like to thank the active members of the yearbook staff (Matt Desmond, Mike Sommerfeld, Rob Iorio, Bob Fuller, and Bernie Gburek) for the precious effort they gave towards the publication of this book.

Sincerely,

Tom Desmond
John Wickett
